Residents in drive against rats

A campaign to clean their area and institute a strong rat control campaign is under way by members of the West Side Housing Committee.

The committee is composed of residents in the area between Pennsylvania and Fremont Aves. and George north to Presstman St.

Working with the Health and Sanitation Departments, the campaign is centered on covering four square block areas at a time.

The first area covered the blocks between Pitcher, Mosher Sts., Argyle and Myrtle Aves.

This area already has been baited with rat poison, following a cleaning campaign by residents in cooperation with the Sanitation Dept., during which approximately 38 truckloads of debris were removed.

The organization's rodent control committee is headed by Mrs. Doris Jackson, 610 Dolphin St.

Alvin Jackson, 1541 Argyle Ave., is chairman of the sanitation committee.

The organization plans a year round campaign.

Samuel White slated for BURHA award

Samuel T. White, a laborer at the Cherry Hill Homes, became, the third recipient today (Friday) of the annual Sondheim award of the Baltimore Urban Renewal and Housing Agency.

Mr. White, 51, who has been employed by the agency since 1962, received the award at the annual meeting of BURHA employees at the Hippodrome Theatre.

The award is given each year to the BURHA employee who has demonstrated continuing excellence in the performance of his job.

The citation to Mr. White gives this reason for his selection:

• •

"IN THE spring of this year, because of the agency's increasing concern over vandalism and group disturbances in the project, Mr. White was selected for patrol duty every evening between 4 o'clock and midnight.

"During these hours he looks for and often disperses crowds of teenagers bent on creating a nuisance or disturbing the residents.

"He also checks the project lighting to assure that it is operating and is available to assist in emergencies."

Richard L. Steiner, BURHA director, made the award near the close of the 9 a.m. meeting.

• • •

MR. STEINER'S statement accompanying the award is to contain this:

"There are not many men who could perform such a function in an authoritative manner, without creating additional disturbance or disorderly incidents as Mr. White has been able to do so capably."

Mr. White is a resident of Cherry Hill Homes and lives with his wife, Mrs. Mazel White, at 2920 Cherryland Rd.

The Sondheim award was established in 1964 in honor of Walter Sondheim Jr., who was chairman of the BURHA Commission from its creation in 1957 until his resignation in 1963.
