REDUCTION IN PRICE
OF THE
AMERICAN WATCHES
MADE AT WALTHAM, MASS.

In consequence of the recent improvements in our facilities for manufacturing we have reduced our prices to as low a point as they can be placed

WITH GOLD AT PAR,

so no one need to hesitate to buy a watch now from the expectation that it will be cheaper at some future time. The test of ten years and the manufacture and sale of

MORE THAN 200,000 WATCHES,

have given our productions the very highest rank among time keepers. Commencing with the determination to make only thorough excellent watches, our business has steadily increased as the public became acquainted with their value, until for months together, we have been unable to supply the demand. We have repeatedly enlarged our factory buildings until they now cover three acres of ground, and give accomodation to more than eight hundred workmen.

We are fully justified in saying that we now make more than one-half of all the watches sold in the United States. The different grades are distinguished by the following trade-marks on the plate:

3. "American Watch Co." Waltham, Mass.
4. "Appleton, Tracy & Co." Waltham, Mass.
5 "P. S. Bartlett," Waltham, Mass.
1. "Wm. Ellery."
2. Our Ladie's Watch of first quality is named "Appleton, Tracy & Co." Waltham, Mass.
6. Our next quality of Ladies' Watch is named "P. S. Bartlett," Waltham, Mass. These watches are furnished in a great variety of sizes and styles of cases.

The American Watch Co. of Waltham, Mass. authorize us to state that without distinction of trade-marks or price, all the products of the Factory are warranted to be the best time keepers of their class ever made in this or any other country. Buyers should remember that unlike the guarantee of a foreign maker who can never be reached, this guarantee is good at all times against the Company or their agents, and that if after the most thorough trial, any watch should prove defective in any particular, it may always be exchanged for another. As the American Watches made at Waltham, are for sale by dealers generally throughout the country, we do not solicit orders for single watches.

CAUTION.—The public are cautioned to buy only of respectable dealers. All persons selling counterfeits will be prosecuted.

214 West Baltimore Street,

ANTOHER GREAT CURE

IN THE CITY OF NEW YORK;

Of a highly respectable citizen, well known to the Mercantile community, by

DR. J. H. SCHENCK,

THE GREAT LUNG DOCTOR OF PHILADELPHIA.

OFFICE N. Y. AND GALENA LEAD CO.
No. 28 NASSAU ST., N. Y., June 1, 1865.

DR. J. H. SCHENCK—Dear Sir—For over fifteen years I have been troubled with a severe cough, and usually two or three times a year with more or less hemmorrage, which together, for the last few years, has kept me thin in flesh and too weak to do business of any kind without suffering. In August last I had a very severe hemorrage, and, according to the judgment of a good New York physician, I was classed as beyond the reach of medicine, and was advised to be prepared, so far as property matters were concerned to have this world at short notice. The physician (and my good friends) said that the first cold I took must prove fatal. Early in January I took a severe cold, and fortunately was occupying rooms at No. 32 Bond Street, directly over your office. I think about the 16th of January I procured a bottle of your Pulmonic Syrup and commenced taking it freely. My feet and limbs were very much swollen, and all the symptoms of a speedy death seemed to accompany my cold. I sent for my former physician, and stated to him that I was taking your medicines, and after showing them to him, and having tasted of them, &c., he replied; "You can take them if you like, they will do you no harm." He said: "You know what I told you last summer, and I say the same now, if you have any business to close up, do not put it off." He said to other friends that he "could see no hope for me," and my friends and relations concluded my time had come. At this time I was taking freely of your medicine, but had not seen you. The doctor called a few times, and found me (much to his surprise, he said,) improving, and he could not understand why. My faith was increasing in your medicines, and I had a wish to have you examine my case, and see what you had to say. When you first came to my room and made the examination, you gave me but little encouragement; but on the contrary, expressed sad doubts of my ever being helped out of my then seeming difficulties. The second time that you called, finding me still gaining, you gave me encouragement, saying, "my symptoms were improving; the Pulmonic Syrup, Sea-weed Tonic and Mandrake Pills had acted like a charm." My circulation, my cough, my appetite, all began to improve, and I could walk about my room a little. You visited me nearly every Tuesday, and found me improving, and told me not to go out of my room until the first day of May. I took no cold while under your treatment, my appetite became first-rate, and you told me to eat everything I wished of a nutritious nature, and to exercise about the room as much as possible. I followed your advice, and to the surprise of my old physician and friends, I seemed much better than I have been for several years, and breathe better than I ever expected a person could with one lung, the left being completely dried up.—I feel very grateful to you, and consider your advice and medicines invaluable. Yours, truly,

T. S. SHELDON.

Dr. SCHENCK—Dear Sir:—About two yeras ago I was taken with a very troublesome cough and a pain in my breast; seven or eight months passed away without my doing anything for myself. Then I applied to a physician, who attended me for about three months without rendering me any service. I also obtained the advice and treatment of a physician in one of our hospitals, and also had the advice and treatment of two other physicians, but all to no purpose. During this long space of time I was nearly dead; several times my friends came to see me and witness my exit into the spirit-world. I was confined to my bed two months at one time. My breathing was exceedingly short. I gave up several times all hope of getting better; and as regarding getting well, that was entirely out of the question. And to think this day I am well and hearty! I was advised by some of my friends to try Dr. Schenck's Medicines. I accordingly bought bottle after bottle, until I reached the ninth; then I found a decided change in my cough for the better. I suffered severely from palpitation of the heart, and two weeks after I commenced taking your medicine this difficulty ceased.

When I first went to Dr. Schenck's office it was with difficulty that I could get into his reception room I was so weak and so swelled; my skin was as sallow as though I had the jaundice; I felt dull, heavy and sleepless. Dr. Schenck, after examining me, said both my lungs were affected, and gave me but little hope; but his medicines, in about two weeks, took right hold of me; it seemed to go right through my whole system. The Pulmonic Syrup, Sea-Weed Tonic and Mandrake Pills, all took right hold in the right place. The Pills brought away great quantities of bile and slime; the Syrup loosened the matter in my lungs, which came off very free; the Sea-Weed Tonic gave me an appetite, and everthing seemed to taste good.

To show what great power the medicines have in purifying my system, and to show how bad I was diseased, beside all the bile that passed my bowels, and the great quantities of phlegm and matter I expectorated, I broke out all over in large boils, that would continue to gather and run for about six weeks, and I had at one time over twenty-five boils. I have nothing of the kind now, and feel like another person altogether. I can safely say that I have not enjoyed such health for five years as I do now, and cannot praise you and your medicines enough. May God abundantly bless and preserve you! is the sincere desire of one who has been so wonderfully relieved through your agency; and if any one desires to know with regard to the truthfulness of this report, if they will call upon any of my friends, or upon me, No. 4 Dryden Place, near Thompson street, below Cadwalader, Philadelphia, they will be perfectly satisfied with the validity of the case. Yours, with much respect,

MARY SCHNAUDT.

The above case, as described, is perfectly correct. I know it to be true. Yours, T. B. MILLER,
Pastor of Hancock M. E. Church.

Dr. Schenck will be professionally at his principal office, No. 15 North Sixth Street, corner of Commerce, Philadelphia, every Saturday, from 9 A. M. until 4 P. M.; No. 42 Bond street, New York, every Tuesday, from 9 to 3; No. 38 Summer street, Boston Mass., every Wednesday, from from 9 to 3, and every other Friday at 108 Baltimore street, Baltimore, Md. All advice free, but for a thorough examination of the lungs with his Respirometer, the charge is three dollars.

Price of the Pulmonic Syrup and Sea-Weed Tonic, each $1.50 per bottle, or $ 1.70 per half dozen. Mandrake Pills, 25 cents per box. For sale by all Druggist and Dealers. [feb 10 1-y]

which they need not pay until it is known what is drawn and its value.

THE AMERICAN JEWELERS' ASSOCIATION calls your attention to the fact of its being the largest and most popular Jewelry Association in the United States. The business is and always has been conducted in the most candid and honorable manner. Our rapidly increasing trade is a sure guarantee of the appreciation of our patrons for this method of obtaining rich, elegant and costly goods. The sudden stagnation of trade in Europe, owing to the late German War and recent disastrous financial crisis in England, has caused the failure of a large number of Jewelry Houses in London and Paris, obliging them to sell their goods at a great sacrifice, in some instances less than one third the cost of manufacturing. We have lately purchased very largely of these Bankrupt Goods, at such extremely low prices, that we can afford to send away Finer Goods and give better chances to draw the most valuable prizes than any other establishment doing a similar business. *Our aim is to please* and we respectfully solicit your patronage, as we are confident of giving the utmost satisfaction. During the past year we have forwarded a number of the most valuable prizes to all parts of the country. Those who patronize us will receive the full value of their money, as no article on our list is worth less than one dollar, retail, and there are no blanks. Parties dealing with us may depend on having prompt returns, and the article drawn will be immediately sent to any address by return mail or express.
