Male Chorus to mark 14th yr

By WALTER W. E. HILL Sr.

Mr. Fixit gratefully acknowledged the greetings and "thank you" note coming from one of our senior citizens who is a very active member in all of the community activities, including the meetings of the Southwestern District Police Relation Council meetings. That citizen is Mrs. Elizabeth Fletcher, 2500 block of Ridgely St.

Reminder: The Williams Male Chorus of Jones Tabernacle Baptist Church will observe its 14th anniversary at the church on Sunday, Jan. 22, at 3:30 p.m. The public is invited.

The hours are ticking by as the time for the meeting of the Mt. Winans Civic Interest Group approaches. Expected guests will be Mrs. Constance Field and other guests of the Harlem Park Urban Renewal Area. Let's be democratic and give the organization new color by changing its staff of officers — three years is enough.

South Baltimore has another HAM (Amateur Radio Operator) better known as Alonzo Taylor, 2653 Round Rd. whose Station Call is K3DDR. Mr. Tyler also has a son that is a HAM. Our Congratulations.

Our physical fitness program, especially for the roller skating group has been inactive for the past few weeks due to the need for transportation. A few of us enjoyed some evenings of skating at the Roller Rink in Edgewood (integrated).

We are very grateful for our many readers who look forward to this column each week. Senator Hodgers, Senator McGuirk and Del. Raisin, to mention a few.

IN DISCUSING the six-year capital improvement program, agency officials said the nine new urban renewal sites are within the framework of the community renewal program and are monetarily geared to its bond issue rate of $3,600,000 to $4,000,000 a year.

The nine projected sites contain over 850 net acres (excluding streets, alleys, etc.). The first of these sites is: 1. Mount Winans - About 50 acres adjacent to the current public housing site west of Hollins Ferry Rd. in South Baltimore. The land to be developed is currently part residential - part undeveloped.
