'A REPOSITORY OF FASHION, PLEASURE AND INSTRUCTION.'

HARPER'S BAZAR.

The Publishers will commence, on November 1st, the eighth volume of Harper's Bazar, an Illustrated Family Journal, devoted to Fashion and Home Literature. Their aim is twofold: to supply the existing need of a Weekly Fashion Newspaper, and to combine therewith a first-class literary journal, which will be indispensable to every household.

Arrangements have been made, at an immense cost, with the most celebrated of the Fashion Papers of Europe, especially with the famous Bazar of Berlin, which supplies the fashions to the leading journals of Paris, to furnish the same to them in advance, so that henceforth the fashions will appear in Harper's Bazar simultaneously with their publication in Paris and Berlin—an advantage enjoyed by no other journal in the country.

The patrons of Harper's Bazar will receive every fortnight large pattern-plates, containing from forty to fifty full-sized patterns of ladies', misses', and children's bonnets, cloaks, dresses, under-clothing, and other articles, accompanied with the necessary descriptions and directions, and occasionally an elegant Colored Fashion Plate of the size of Harper's Weekly.

Harper's Bazar will contain 16 folio pages of the size of Harper's Weekly, printed on superfine calendered paper, and will be published weekly.

SUBSCRIPTIONS.
1868.

The Publishers have perfected a system of mailing by which they can supply the Magazine, Weekly and Bazar promptly to those who prefer to receive their periodicals directly from the Office of Publication. Postmasters and others desirous of getting up Clubs will be supplied with a Show-Bill on application.

The postage on Harper's Bazar is 20 cents a year, which must be paid at the subscriber's post-office.

TERMS.

Harper's Bazar, one year, $4 00

An extra copy of either the Magazine, Weekly, or Bazar will be supplied gratis for every Club of Five Subscribers at $4 00 each, in one remittance; or Six copies for $20 00.

Back numbers can be supplied at any time.

HARPER'S WEEKLY.

SPLENDIDLY ILLUSTRATED.
Critical Notices of the Press.

The Model Newspaper of our country—complete in all the departments of an American Family Paper—Harper's Weekly has earned for itself a right to its title, "A Journal of Civilization."—*New York Evening Post.*

Our future historians will enrich themselves out of Harper's Weekly long after writers, and printers, and publishers are turned to dust.—*N. Y. Evangelist.*

The best of its class in America.—*Boston Traveler.*

Harper's Weekly may be unreservedly declared the best newspaper in America.—*The Independent, New York.*

The articles upon public questions which appear in Harper's Weekly from week to week form a remarkable series of brief political essays. They are distinguished by clear and pointed statement, by good common sense, by independence and breadth of view. They are the expression of mature conviction, high principle, and strong feeling, and take their place among the best newspaper writing of the time.—*North American Review, Boston, Mass.*

CULVERWELL, M. D., Author of the "Green Book," &c.

The world-renowned author, in this admirable Lecture, clearly proves from his own experience that the evil consequences of Self Abuse may be effectually removed without medicine, and without dangerous surgical operations, bougies, instruments, rings, or cordials, pointing out a mode of cure at once certain and effectual, by which every sufferer, no matter what his condition may be, may cure himself cheaply, privately, and radically. AYER'S PILLS.

Are you sick, feeble and complaining? Are you out of order—your system deranged and your feelings uncomfortable? These symptoms are often the precursors of serious illness. Some fit of sickness is creeping upon you, and should be averted by a timely use of the right remedy.—Take Ayer's Pills and drive out the humors—purify the blood, and let the fluids move on unobstructedly, in health. They stimulate the organs of the body into vigorous activity, purify the system from the obstructions which make disease. A cold settles somewhere in the body, and deranges the natural operations of that part. This, if not relieved, will react upon itself and the surrounding organs, producing general aggravation, suffering and derangement. While in this condition, take Ayer's Pills, and see how directly they restore the natural action of the system, and with it the buoyant feeling of health. What is true and so apparent in this trivial and common complaint is also true in many of the deep seated and dangerous diseases. The same purgative expels them. Caused by similar obstructions and derangements, they are surely, and many of them rapidly, cured by the same means. None who know the virtue of these Pills will neglect to employ them when suffering from the disorders they cure, such as Headache, Foul Stomache, Dysentery, Billious Complaints, Indigestion, Derangement of the Liver, Costiveness, Heartburn, Rheumatism, Dropsy, Worms and Suppression, when taken in large doses.

They are sugar coated, so that the most sensitive can take them easily, and they are surely the best purgative medicins yet discovered.

AYER'S AGUE CURE,

For the speedy and certain Cure of Intermittent Fever, or Chills and Fevers, Remittent Fever, Chill Fever, Dumb Ague, Periodical Headache or Billious Headache, and Billious Fevers; in deed, for the whole class of diseases originating in biliary derangement, caused by the malaria of miasmatic countries.

This remedy has rarely failed to cure the severest cases of Chills and Fever, and it has this great advantage over other Ague medicines, that it subdues the complaint without injury to the patient. It contains no quinine or other deleterious substances, nor does it produce quinism or any injurious effect whatever.—Shaking brothers of the army and West, try it and you will endorse these assertions.

Prepared by Dr. J. C. AYER & Co., Lowell, Mass., and sold by all Druggists and dealers in medicine everywhere. [nov 30-2m
