Basie, band set for Coppin show

Count Basie and his orchestra will appear in concert on the campus of Coppin State College on Tuesday, May 9, at 8:30 p.m.

Known as "the most explosive force in jazz" the Count has won international acclaim as a band leader. Having taken over the late Benny Motens group in 1936, the Count has led a big band for more than two and a half decades.

The first colored band to play New York's Roxy Theatre, the Basie band has consistently remained in the limelight.

He has gained a global reputation and played in every major city of America. He has appeared on radio and network television including the Garry Moore Show, Ed Sullivan, Dinah Shore Show and Steve Allen Show.

In addition, feature roles in movies, and recording have made him known to every age group of this generation. Just two days after his Baltimore concert he will leave for his annual tour of Europe.

The local appearance is sponsored by the Coppin Student Government Association and will be held in the Pullen gymnasium at 2500 W. North Avenue.

Sen. Percy to speak at Hopkins Monday

U.S. Sen. Charles H. Percy (R.-Ill.) who is being mentioned as a possible Presidential candidate next year, will speak at Johns Hopkins University at 8 p.m. Monday.

The lecture will be held in Shriver Hall on the Homewood campus and is open to the public without charge.

Sen. Percy, to be introduced by Dr. Milton S. Eisenhower, the university's president, is the final speaker in the "Politics Tomorrow" series.

Sen. Edward W. Brooke (R. Mass., was a recent speaker in this series.

THE NAME of Sen. Percy has continually cropped up from time to time lately in the Republicans consideration of likely Presidential candidates to please both party moderates and conservatives.

He was elected to the U.S. Senate in 1966, and is currently a member of the Banking and Currency Committee, the Aeronautical and Space Sciences Committee and the Joint Economic Committee.

However, Sen. Percy entered politics as a precinct worker in 1946. At the 1960 GOP Convention he was chairman of the committee on program and progress, which was responsible for drafting the party platform.
