Assessment Appeals.

ASSESSOR'S OFFICE,
U. S. INTERNAL REVENUE,
FIRST DISTRICT OF MARYLAND.
CHURCH CREEK, May 9th, 1868.

THE Annual Assessment for 1868, as made by the several Assistant Assessors, having been completed, notice is hereby given that the several lists are now open for inspection at the offices of the Assistant Assessors, and the undersigned will receive and determine, at his office, Appeals from the decisions of the Assistant Assessors, on the

25th, 26th, 27th & 28th days of May,

from 9 o'clock A. M., to 3 o'clock P. M., of each day.

All appeals must be made in writing and must specify the particular cause, matter or thing complained of which a decision is requested, and must moreover state the ground or principle of error complained of.

No appeal will be allowed to any party after the list containing the assessment has been transmitted to the Collector of the District.

THOS. KING CARROLL, Jr.,
my 16 Assessor 1st District of Maryland.

To the Farmers of Talbot Co.

THE KIRBY HARVESTER.

Harvest is near at hand and the Wheat must be saved.

THE subscriber gives notice that he has the agency for the sale of the Kirby Reaper, manufactured by D. M. Osborne & Co., Auburn, N. J.

It Moves! It Reaps! It Rakes!

and stands second to no combined Mower, Reaper and Self-Raker in use. A large number of farmers in this county have used the above named Reaper for several successive years without breaking or any interruption during harvest. Farmers know how trying it is to have a Reaper breaking in the field, stopping opperations, and a lot of binders on expense doing nothing while the machine is being repaired; so give me a call, and I will sell you a reaper with all the late improvements, and guaranteed to give satisfaction, or no sale.

N. E. NICOLS,
my 9-3t J S Agent for Talbot county.

AGENTS WANTED FOR

The Official History of the War,

ITS CAUSES, CHARACTER, CONDUCT & RESULTS,

BY

HON. ALEXANDER H. STEPHENS.

A Book for all Sections and all Parties.

This great work presents the only complete and impartial analysis of the Causes of the War yet published, and gives those interior lights and shadows of the great conflict only known to those high officers who watched the flood-tide of revolution from its fountain springs, and which were so accessible to Mr. Stephens from his position as second officer of the Confederacy.

To a public that has been surfeited with apparently similar productions, we promise a change of fare, both agreeable and salutary, and an intellectual treat of the highest order. The Great American War has at last found a historian worthy of its importance, and at whose hands it will receive that moderate, candid and impartial treatment which truth and justice so urgently demand.

The intense desire everywhere manifested to obtain this work, its Official character and ready sale, combined with an increased commission, make it the best subscription book ever published.

One Agent in Easton, Pa., reports 72 subscribers in three days.

One in Boston, Mass., 103 subscribers in four days.

One in Memphis, Tenn., 106 subscribers in five days.

Send for Circulars and see our terms, and a full description of the work, with Press notices of advance sheets, &c. Address,

Pacific Guano Company's
SOLUBLE
PACIFIC GUANO.

TO FARMERS AND PLANTERS.

THE BEST FERTILIZER AT THE LOWEST PRICE!

Price of Soluble Guano reduced to $56 per Ton.

It is the *object* and *purpose* of the Pacific Guano Company to furnish the very best fertilizer at the lowest possible price.

The Company own and import their deposits of Guano, and make their own Oil Vitriol on a large scale, and have an actual cash capital of $500,000 invested in this business. Hence their present large facilities enable them to put this valuable fertilizer into market at the extremely low price above named.

Two-hundred pounds per acre of this Guano have produced as much wheat as three hundred pounds best Super-Phosphate of Lime.—One third of its weight is animal matter, yielding ammonia; one third of all its phosphate is soluble phosphate.

FOR CORN

And other Spring Crops it is unexcelled.

IT RIPENS WHEAT

Five to seven days earlier than either Peruvian Guano or the Super-Phosphates, as will be seen by testimony in our possession.

This Guano, which has never been excelled, if equaled, by any fertilizer used in this State, is placed at the extremely low price of $56 per ton—2,000 lbs. Delivered at our Warehouse, or at any convenient landing:
