ROAD LAW.

MARYLAND, Sct.:

At a session of the General Assembly of Maryland, begun and held at the City of Annapolis, on the first Wednesday of January, being the first day of the said month, in the year of our Lord, one thousand eight hundred and sixty-eight, and ended on the thirteenth day of March, in the same year—His Excellency, Thomas Swann, Governor—among others, the following law was enacted, to wit:

Chapter 299.

AN ACT to repeal the Act of eighteen hundred and sixty-seven, Chapter two hundred and ninety, entitled an "Act to add a new article to the Code of Public General Laws, to be entitled Public Roads," except so far as said Act relates to Somerset county, and to enact the following Sections in lieu thereof:

Section 1. *And be it enacted by the General Assembly of Maryland*, That the Act of Assembly passed at January session, in the year eighteen hundred and sixty-seven, Chapter two hundred and ninety, entitled an "Act to add a new article to the Code of Public General Laws; to be entitled Public Roads," except so far as said Act relates to Somerset county, be, and the same is hereby repealed, and the following Sections enacted in lieu thereof.

Sec. 2. *And be enacted*, That the County Commissioners of the several counties shall have the power to subdivide each or any of the election districts of their respective counties into road districts, and to appoint a supervisor for each of the said road districts.

Sec. 3. *And be it enacted*, That every male inhabitant above twenty-one years of age, and possessing taxable property, assessed at five hundred dollars and upwards, and every other male inhabitant between the ages of twenty-one and fifty years, not residing within the limits of an incorporated town, who shall have resided in any one of the counties to which this Act applies, for one month next preceding the date when his services may be demanded, shall be required to labor two days in every year, on the public roads, in the road district in which he may reside, and the road supervisor, whenever the public roads need repairs, shall summon all such persons in his road district, or such number of them as he may deem necessary to make such repairs; provided that he shall not summon the same party twice, until he shall have exhausted the whole number liable to such duty in his road district, giving at least two days' notice of the time and place of meeting; provided, however, that no person shall be compelled to labor more than four miles from his place of residence, and the authorities of the incorporated towns within the limits of any county to which this Act applies, shall keep the public roads in good condition and repair, to the distance of one mile from their respective incorporated limits, and to enable them to accomplish the same, they are hereby authorized to accept and apply the provisions of this act to persons residing within the limits of their respective corporations.

Sec. 4. *And be it enacted*, That if any person not possessing taxable property assessed at five hundred dollars or upwards, from whom such labor on the public roads may be required under the provisions of the preceding Section, shall make it appear satisfactorily to the road supervisors of the road district in which he resides, that he is physically unable to perform the said labor, either by reason of permanent disability or that said disability existed at the time at which his services were required, and is not able to pay the commutation hereafter provided, it shall be the duty of the said supervisor to exempt such person from the performance of the said labor and commutation for labor, and in case such supervisor shall refuse to exempt any person who shall apply for exemption, as herein provided, such person, if he shall feel aggrieved by such refusal may appeal to the County Commissioners of the county, whose decision shall be final.

Sec. 5. And be it enacted, That the County Commissioners of the several counties may make such commutation of labor for teams and carts or wagons as they may deem proper.

Sec. 6. And be it enacted, That every person liable as aforesaid, to labor on said public roads, who shall fail to obey the summons of the road supervisor, to furnish a substitute, shall, upon demand made by said supervisor, pay to said supervisor the sum of one dollar and fifty cents for each and every day not exceeding two days; that he shall fail to perform such labor, and the said supervisor shall fail to perform such labor, and the said supervisor shall collect and account, under oath, to the County Commissioners, for all sums of money so collected, and exemptions granted, and shall apply the said money under the directions of the said County Commissioners, to hiring laborers to work on the public roads, and pay over to his successor, upon the order of the County Commissioners, any surplus that may remain in his hands, and the said supervisors shall make a report on oath, once in three months to the County Commissioners of the money received and expended.

Sec. 7. And be it enacted, That any person liable to labor, as aforesaid, who shall refuse to obey such summons, and shall refuse to labor on said public roads, as hereinbefore provided, for one or two days, as hereinbefore specified, and shall refuse or neglect, upon demand made as aforesaid, to pay said supervisor the sum of one dollar and fifty cents per day, for one or two days labor as aforesaid or shall refuse or neglect to furnish a substitute, as aforesaid, shall be deemed guilty of misdemeanor, and shall upon complaint made by such supervisor, be liable to be arrested and brought before any Justice of the Peace in the county, upon a warrant to be by said Justice issued, in the name of the State thereof, and shall upon proof of such summons and failure to obey the same, and refusal to pay said sum of one dollar and fifty cents per day, for not exceeding two days, be fined to an amount equal to said sum of one dollar and fifty cents per day, for not exceeding two days, and all costs of such proceedings before said Justice, including the pay for witnesses for the prosecution, and the said Justice in order to enforce the collection of said fines, shall have the power to issue an execution upon the judgment therefor, and the party against whom any such judgment is rendered shall stand committed to the County Jail until such fine and costs be paid, but said imprisonment shall not exceed ten days for any one offence; provided, that any party against whom any Justice of the Peace may render a judgment, under any of the preceding Section of this Act, may at any time within ten days from the rendition of such judgment, appeal from judgment to the Circuit Court for any county where in the same may have been rendered; provided, the party so appealing shall give bond, with surity, to the State of Maryland, to be approved by the said Justice of the Peace, in the sum of fifty dollars, with condition to prosecute such appeal with effect, and to pay and satisfy the fine imposed by said Justice of the Peace, in case the judgment shall be affirmed as, also, all costs adjudged by said Justice of the Peace, and also all costs awarded by the Circuit Court for the county to which said appeal shall have been taken, and all fines collected under the provisions of this Act shall be paid to the Commissioners of the respective counties, to be by them applied for the purpose of repairing the public roads in said counties, and the Judges of the Circuit Courts for the counties to which this Act applies, shall give this Act in charge to the Grand Jurors of their respective counties.

Sec. 8. And be it enacted, That the County Commissioners shall require the Road Supervisors appointed by them to give bond to the State to be approved by them, for such sums as they may deem proper, conditioned for the faithful performance of the duties required of them, which said bond may put in suit for the benefit of any person suffering by the neglect of said Supervisor in keeping the roads in his district in proper order, and the said County Commissioners shall have full power to fix on the price to be paid for said Supervisors to hire such number of laborers as they may deem necessary, and the said County Commissioners shall pay the said Supervisors such salaries or per diem as they may think just and reasonable.

Sec. 9. And be it enacted, That the County Commissioners shall cause to be placed at such of the forks of public roads as they may think need the same, finger-boards or signs, showing the prominent points that the said road leads to, and the distance to such points, and any person tearing down or defacing such finger-boards or signs shall on conviction thereof before any Justice of the Peace in the county be fined a sum of not less than five or more than ten dollars.

Sec. 10. And be it enacted, That this Act shall only apply to the counties of Worcester, Somerset, Anne Arundel, Calvert, Prince George's, and Talbot.

Sec. 11. And be it enacted, That all laws or parts of laws inconsistent with the provisions of this Act and the same are hereby repealed.

Sec. 12. And be it enacted, That this Act shall take effect from and after the date of its passage.

Manhood; How Lost, How Restored.

JUST published, a new edition of Dr. Culverwell's Celebrated Essay on the *radical cure* (without medicine) of Spermatorrhœa, or Seminal Weakness, Involuntary Seminal Loses, Impotency, Mental and Physical Incapacity, Impediments to Marriage, etc.; also, Consumption, Epilepsy, and Fits, induced by self-indulgence or sexual extravagance,

Price, in a sealed envelope, only 6 cents.

The celebrated author, in this admirable essay, clearly demonstrates from a thirty years' successful practice, that the alarming consequences of self-abuse may be radically cured without the dangerous use of internal medicine or the application of the knife; pointing out a mode of cure at once simple, certain, and effectual, by means of which every sufferer, no matter what his condition may be, may cure himself cheaply, privately and radically.

This Lecture should be in the hands of every youth and every man in the land.

Sent, under seal, in a plain envelope, to any address, postpaid, on receipt of six cents, or two post stamps. Also, Dr. Culverwell's "Marriage Guide," price 25 cents. Address the publishers,

TO FARMERS AND PLANTERS.

THE BEST FERTILIZER AT THE LOWEST PRICE!

Price of Soluble Guano reduced to $56 per Ton.

It is the *object* and *purpose* of the Pacific Guano Company to furnish the very best fertilizer at the lowest possible price.

The Company own and import their deposits of Guano, and make their own Oil Vitriol on a large scale, and have an actual cash capital of $500,000 invested in this business. Hence their present large facilities enable them to put this valuable fertilizer into market at the extremely low price above named.

Two hundred pounds per acre of this Guano have produced as much wheat as three hundred pounds best Super-Phosphate of Lime.—One third of its weight is animal matter, yielding ammonia; one third of all its phosphate is soluble phosphate.

FOR CORN

And other Spring Crops it is unexcelled.

IT RIPENS WHEAT

Five to seven days earlier than either Peruvian Guano or the Super-Phosphates, as will be seen by testimony in our possession.

This Guano, which has never been excelled, if equaled, by any fertilizer used in this State, is placed at the extremely low price of $56 per ton—2,000 lbs. Delivered at our Warehouse, or at any convenient landing:
