Morgan gets top grant in work-study program

Morgan State College will receive the top grant among U.S. Office of Education awards to institutions of higher education in Maryland, for use in the college work study program.

This program, provided for by the amended Economic Opportunity Act of 1964, allots funds to assist eligible students in earning money so they may continue their college education.

Morgan will receive $210,545 to assist approximately 520 students.

Next highest is an award of $106,655 to the University of Maryland at College Park to aid 240 students.

These awards and those to 26 other educational institutions in the state were announced by Gov. Spiro T. Agnew, who said they totaled $722,029.

THIRD, FOURTH and fifth in the monetary amount of the awards are, in that order, the Princess Anne Branch of the University of Maryland, Bowie State College and Coppin State College.

The Princess Anne Branch will receive $51,941 to aid 140 students, Bowie gets $44,345 to help 185 students and Coppin is listed for $33,688 to assist 130 students.

The Federal government provides 90 percent and the college, university or off-campus agency where the student is employed provides the remaining 10 percent for the period July 1 through Aug. 20 of this year.

For the remainder of the grant period, Aug. 21 through Dec. 31 of this year, Federal funds provide 75 percent of the student payrolls and the local college, university or off-campus agency contributes the remaining 25%.

Among the awards to other local institutions are: Baltimore Junior College —$10,982 for 60 students; Johns Hopkins University —$16,982 for 25; Loyola College — $26,545 for 60 and Goucher College — $17,631 for 55 students.

B & O sets spring concert

One of the most unusual musical events ever staged in Baltimore will take place on May 24 at 8 p.m., when the famed Baltimore and Ohio Glee Coub presents its 53rd annual spring concert in the B and O Transportation Museum at Pratt and Popplton Sts.

Anna da Vinci, well-known Baltimore soprano, will be guest soloist, and a feature of the evening will be the appearance of the Gandy Dancers Quartet, singing all-railroad selections in a rhythmic style reminiscent of the old-time track-layers.

Under the direction of Ronald G. Reidenbach, the Glee Club will offer a program of varied numbers, including folk songs Broadway hits.

AT WESTINGHOUSE

Dr. Edgar A. Sacik, assistant manager of the molecular electronics division of the Westinghouse Electric Corporation, has been named division general manager.

Dr. Robert D. Lynch, manager of manufacturing, has been named manager of operations with the responsibility for the works engineering function and all manufacturing departments.

Systems analyst is Bowie speaker

The third and last of a series of community development seminars will be held May 15. The subject will be New Techniques, Systems Analysis for Problem Solving.

The speaker will be Dr. Edward Cushen of the system analysis division in the National Bureau of Standards.

The information from this seminar will be highly useful in local community and county planning. Th distinctive characteristics of the discussion will be centered around the PPB System.

The administrative-organizational aspects for the implementation of the PPB System will be discussed.

The morning session will be held in the lower level of Pullen Library at 10 a.m. The evening session will begin at 8 a.m. in the Music and Reading Room of the Student Union.

We Care — A&P

What is A Mother?

To her family, she's special.
She's understanding,
a banquet chef, a short order cook,
a fountain of love, a chauffeur,
warmth and security.
She's clean socks, starched dresses,
a mender of hurts.
She's scrubbed ears,
a tender nurse, a maid, a queen.

She deserves a day of honor and tribute.
She deserves the love of those she loves.

Yes, she's very, very special.

This Sunday, you'll tell your mother
how much you care.
We'd like to tell all mothers, "We Care, too."
