New barbershop tagged 'clean as a clinic'

"Clean as a clinic," is the way one person described the new and modern Dolfield Barber Shop, 3331 Dolfield Ave.

The description seems fitting as your eyes take in the light colored paneled walls; tile ceiling and the almost white marbelized tile floors.

Partners in the shop are Lawrence Hall and John Brooks. Both were formerly of Howell's Barber Shop, Bentalou and Baker Sts. Baker St. days.

"We wanted to launch out for ourselves," Lawrence Hall said, "We had the opportunity and thought we would try it."

• • •

THE SHOP has a upholstered barbar chairs and 10 comfortable waiting chairs.

There are often loaded with customers waiting their turn.

A long-time customer, James H. Redd, 5100 blk. Levindale Rd. said: "You're just lucky to come right in and get waited on. Often there is a line outside before the shop even opens."

Mr. Redd has used the services of Mr. Hall since the

The partners also employ two part-time barbers, Kaiser Livingston and Cornell Cottrell.

• • •

BY THE time you read this, a manicurist will be on duty.

Closed on Mondays, the Dolfield shop open Tuesday to Friday from 9 a.m. to 7 p.m. Opening time Saturdays is one hour earlier.

The barbers also do work by appointment. A customer may call in and arrange to be taken care of at a certain hour.

Customers coming into the shop near that hour are informed of the appointment. Often they will take another barber.

During the seven months the Dolfield shop has been open, business has been good, good, according to the owners.

Both tell of doing more business than when they worked for someone else.

"It is working out good," John Brooks said. "Striking out on your own is always good. You are building for yourself."

Mr. Brooks, a Douglass High School graduate, spent three years learning barbering. The Bentalou St. shop, where he spent five years was his first job at his trade. A golfer and avid sports fan, he lives at 4973 Denmore Ave. with his wife, Alma, and their two children, Dante, 4, and Tanya 2.

Mrs. Brooks is a secretary-stenographer at a local financial institution.

• • •

MR HALL, a native of Bolton, N.C. attended public schools of North Carolina.

He completed courses at Harris Barber College, in Raleigh.

He has been practicing 13 years.

Also a sports fan, he attends all the Colt games and follows the Orioles when possible.

Married to the former Miss Vera Webb, a public school teacher, he lives at 4129 Forest Park Ave.

Members of Heritage United Church of Christ, they have two children, Reginald, 9, a 4th grader at School 21; and Kim, 5, who attends kindergarten at the same school.

Miss Page, 18, gets stipend

Miss Tanya L. Page is the recipient of a college scholarship, 5th Del. Rosalie Silber Abrams announced this week.

Recommended by the University of Maryland, Miss Page was chosen after many candidates were screened.

The 18-year-old graduate of Western High School is presently studying as an arts and science major at the University of Maryland.

Miss Page is the daughter of Mr. and Mrs. Albert Page at 3707 W. Saratoga St.

Mitchell to speak on Freedom Sunday

The Howard County Branch of the NAACP will hold a Freedom Sunday observance this Sunday at Howard High School at 5 p.m.

The occasion is a celebration of the 1954 decision of the Supreme Court outlawing segregation in public schools.

The guest speaker will be Clarence Mitchell Jr., director of the Washington, D.C. bureau of the NAACP.

He has worked with Federal agencies in housing, employment and other problems under the Truman, Eisenhower and Johnson administrations.

Mr. Mitchell will talk on 1967 Civil Rights.

A member of the Maryland Bar Association, he received an honorary doctorate from his alma mater, Lincoln University in Pennsylvania, for his civil rights work.

Park School's 'Unsung Hero'

LeRoy Thompson Jr., son of Mr. and Mrs. LeRoy Thompson, 3423 Dolfield Ave., was the recipient of two trophy awards at the Lancers Club dinner held recently.

He was voted the "Unsung Hero" for his performance in basketball and also received a trophy as a winning team member.

An eighth grader at the Park School, LeRoy is a member of the junior varsity soccer, basketball and lacrosse teams. He recently was elected vice president of his class.

Among speakers at the dinner were Dr. Sheldon Kravitz, Leon D. Horowitz and Judge Robert I. H. Hammerman, founder of the club.

Dodd censure set for Monday

Senate leaders said censure proceedings against Sen. Thomas J. Dodd, D-Conn., start Monday as scheduled.

Rejecting a request by Democratic Whip Russell B. Long, D.-La., for a six-week postponement of the case, Senate Democratic Leader Mike Mansfield said, "We have no choice — the matter is out of our hands."

Free tours of harbor slated

Free Harbor tours will be offered Sunday, May 21, on board the Motor Vessel Port Welcome as the opening feature of Baltimore's observance of World Trade Week.

The tours are scheduled to be held at 10 a.m., noon and 2 p.m. leaving from Pier 1, Pratt St. Parking will be available on the pier and in Sam Smith Park nearby. Each tour will last one hour and narrators will be on board the Port Welcome to describe major points of interest in the harbor.

World Trade Week is observed in Baltimore each year during the week in which Maritime Day, May 22, occurs. It is designed to focus attention on the role the port and city play in international commerce. Baltimore, the country's third ranking seaport, handles about 25 million tons of cargo in international trade each year.

Mister, here's your bourbon.
It's made by hand.
With meticulous care.
The hopelessly antiquated, deliciously old-fashioned way.
Made by men who know good corn and won't take less. Who stop making whiskey when their limestone pond drops below the "perfect bourbon water" level.
If you've tasted hand made Kentucky whiskey, try Henry McKenna. It's bourbon, Mister. Could be your bourbon.

Notices

FINISH HIGH school at home in your spare time. Call 301. 7-5094.

THE BALTIMORE TRAVELERS, the late C. C. Kolom's group, are having their Annual Father's Day Cruise aboard the luxurious Francis Scott Key to the Delaware Canal on Sunday, June 18, 1967. The boat will leave Pier 1, Pratt Street promptly at 9:30 a.m. and return at 7:00 p.m. Tickets may be secured at: EARL SPRUILL'S GROCERY — 915 HARLEM AVENUE, 528 EAST COLDSPRING LANE — 2011 NORTH FULTON AVENUE. Absolutely no tickets will be sold at the boat on Sunday, June 18, 1967.

In 1959, when the late C. C. Kolom first took this Father's Day trip, the fare was $1.00. The company is now under new management and the cost has been increased to $1.00.

There will be a slight increase in the cost of the tickets.

In Memoriam

BOND — In loving memory of my husband, GEORGE who passed away May 20, 1966:
I'll remember you, dear while
There's life in heart,
And tho' God in His wisdom has
torn us apart;
In your home up in Heaven you
must know that I'm true
To the love and esteem that was
only for you
And I pray that when life for me
comes to an end,
I will meet you in Heaven, my own
dearest friend.
My friend and my sweetheart, my
one dearest love,
God keep you and guard you in
Heaven above.
Your Loving Wife,
LUVENIA.

LIVELY — In loving memory of my brother, JOSEPH A., who departed this life May 21, 1963:
I do not forget you, nor do I intend,
I think of you often, and will to the
end;
Gone and forgotten by some you
may be,
But dear to my memory you ever
will be.
Sister —
ORANGIE W. EPPS.

In Memoriams

COOK — A Tribute to the memory of my husband, VERMONT (Teddy), who passed away May 17, 1965:
To have, to love, and then to part is
the greatest sorrow of one's heart.
The years may wipe out many
things,
but the lonely tears of the after
days
God alone knows how I miss you.
Devoted Wife,
MARIE.

DENNIS — In loving memory of GEORGIA MADDOX DENNIS, who departed this life in New York City on May 16, 1965:
Two years have passed since they
came to take
She is not here — she has gone
away.
Two years since God's great
gracious love
Took her home to heaven above!
How much I miss her words can't
say,
I try to remember — she is just
away.
Her Loving Daughter,
NELLIE.

GRAY — In loving memory of MARGARET VINERVA (Maggie) beloved wife of William Alexander (Bunny) Gray, beloved mother of Lester Joseph Gray, departed this life May 17, 1963:
We are but helpless pieces of the
game He plays,
Upon his checker board of nites and
days.
Heaven but a vision of fulfilled desire,
And hell, but the shadow of a soul
on fire
Cast on, into the darkness, which
ourselves,
So late, emerge from, yet so soon
expire.
Hither and thither, moves checks
and slays
And one by one, back in the closet
lays.
THE GRAY FAMILY.

KENT — In loving memory of our dear son, and brother JAMES E. KENT, JR. who passed away May 18, 1966:
Before the throne of God,
Thousands of children stand;
Children whose sins are all forgiven,
A holy, happy Band.
Up there among the throng,
Our little JAMES stands,
Waiting for us to join him
In that holy, happy land.
MOTHER, FATHER, SISTER and BROTHER.

PALMER—In loving memory of our dear son, HAROLD WILLIAM PALMER, who passed away May 21, 1966:
Our angel child,
You've gone above,
To join the angel
band.
It bled our hearts to
lose you, dear,
We could not understand
Why one so young, so
sweet, so fair,
Should this be called
away.
"His will be done,"
We see the light,
God grant we'll meet again some
day.
MOTHER, FATHER, GRANDMOTHERS, GREAT-GRANDMOTHER and OTHER RELATIVES.

TAYLOR—In memory of my dear husband, ERNEST TAYLOR, who passed away May 22, 1965:
You will always be missed by relatives and friends.
Your devotion and love will always
be remembered
And make us think of these words:
"I pray the Lord one more light,
A beacon bright and strong,
So I may always see Thy way
in choosing right from wrong."
Lovingly Your Devoted Wife,
MARY J. TAYLOR.

Career Appointments for Engineers, Physical Scientists

APPLIED PHYSICS LABORATORY
The Johns Hopkins University

The Applied Physics Laboratory, a division of The Johns Hopkins University, operates under contract with the Bureau of Naval Weapons. The development of the Navy's Terrier, Talos, and Tartar guided missiles, the development and fabrication of satellites for the Navy and NASA, and the test and evaluation of guided and ballistic missile systems are among its principal achievements.

At the present time, the Laboratory has a number of interesting openings for electrical and mechanical engineers, physicists, and mathematicians interested in career opportunities. Specific openings include computer programming, thermal engineering, analog and digital circuit design, structural design and analysis, missile system design and analysis, operations research, and propulsion, engineering (ramjet and rocket).

The Laboratory's principal locations are in Silver Spring (a suburb of Washington, D. C.) and in Howard County, midway between Baltimore and Washington. These exceptionally complete facilities contain large-scale computers, well equipped laboratories, libraries, and cafeterias.
