MSC Apostolic Club plans annual retreat

For the third year, the Apostolic Club of Morgan State College will sponsor its annual Youth Retreat to be held on May 20, on the campus.

Delegates from all parts of the United States, Canada, and other foreign countries will be present.

Dr. Abraham Urquhart, teacher, author, and minister of the Holy Temple Apostolic Faith Church of God, Philadelphia, Pa., will be the keynote speaker at the opening session of the one-day meeting, at 12 noon.

* * *

"GLOSSALAILIA: A Phenomenon Through the Centuries" will be the topic of his address. A discussion follow Dr. Urquhart's address.

The second session of the retreat, which will begin at 7:30 p.m. will be highlighted by Evangelist Rosie Wallace, of Philadelphia, a gospel singer, choir directress, and minister.

Accompanying her, will be a combined choir of young people from many churches in Philadelphia.

Other choirs scheduled to participate include the Dorothy Pearson Chanteer Choral Straight Gate Young People's Choir of Maroneck, N.Y.

The Apostolic Club is a member of the Morgan Christian Council. Robert Hopkins, senior elementary education major, is the president.

Spring concert at Catonville college

A spring concert will be presented by the Catonsville Community College Choir tomorrow (Saturday) evening, at 8 p.m. and again on Sunday afternoon, at 3 p.m.

Both performances will be held in the Barn-Theatre on the college campus at 800 South Rolling Road, and the public is invited at no charge.

Featured in the program will be the "Magnificat" by Flor Peeters and the "Requiem" by Gabriel Faure. Also featured will be the new Alma Mater for the Catonsville college which was written by a student, David Kalman, and adopted by an overwhelming vote of the student body at recent Student Council elections.

127 to get diplomas in Work Experience

Graduation exercises for 127 Work Experience and Training Program (Title V) trainees in adult education was held last week at the Guilford Elementary School.

Mrs. Catherine Turner, retired specialist of Adult Services and Medical Care was principle speaker.

Certificates were presented by Miss Norma Moore, coordinator, Adult Division, Department of Education, assisted by the teachers and counselors.

Graduates completed the first phase of the Work Experience Training Program under the Economic Opportunity Act of 1964. They will continue their education studies designed to prepare them for specific skills.

"The value of the program was evident in the poise, manner and grooming of the students. When they enrolled they were dependents of society — today they displayed assurance and pride in their progress toward a self-sustaining future," said A. Earl Menzer Project Spokesman.

Four local youths win school grants

Four Baltimore area sons and daughters of Harbison-Walker Refractories Company employees are among 43 new college scholarship recipients recently announced by Harbison-Walker Foundation, Inc.

Baltimore works employees' children receiving awards this year are:

Kenneth Fuller, son of Kenneth M. Fuller of Farr Square, Baltimore, will attend Morgan State College, to prepare to teach history.

Gary Brunetti, son of Francis Brunetti of 405 Marie Avenue, Glen Burnie, will study arts and sciences at Anne Arundel Community College.

Edward L. Sanford, son of Ellay Lee Sanford of 3479 Chessell Court, Baltimore, is planning to study electricity at Anne Arundel Community College.

Jeanne Wagner, daughter of Robert R. Wagner of 366 Phirne Road, Glen Burnie, will study arts and sciences at Anne Arundel Community College.

This year's scholarship grants bring to 313 the number of such awards made to employees' children since the scholarship program was inaugurated in 1953.

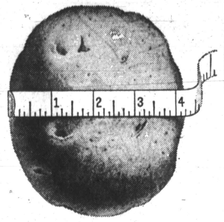
Good potato, but we won't use it



This is a NO. 1 grade potato.
But we won't use it for Jane Parker Potato Chips
because it measures more than 4 inches in diameter.
We have minimum and maximum sizes
to insure the best chips...the best eating.

But size isn't the only thing we're fussy about.
We'll use only certain varieties of potatoes.
There are 20 or more varieties we wouldn't think of using
...they just don't make good chips.

We're careful about potato sugar content.
It must be low to produce chips of uniform color.
We're fussy too about crispness, thickness and lots of other things.

This may seem like an awful lot of fussing,
but that's the way we are about all Jane Parker products...
about all the products we make.

When you think about it, shouldn't fussy A&P be your store?
