OFFER FOR SALE

GOLD BONDS,

OF

THE CENTRAL

Pacific Railroad

GOMPANY.

A limited quantity of the Thirty - Year six per cent First Mortgaged Bonds of the

CENTRAL PACIFIC RAILROAD COMPANY

are offered to investors, for the present, at 103 and accrued Interest, in Currency,

These Bonds are secured by a Trust Deed upon the most important link of the great Inter-Oceanic Railroad, two-thirds of which are already built, at a cost of nearly

One Hundred Millions,

and which enjoys already a self-sustaining way traffic. The whole line of continuous rail between

PHILADELPHIA AND SANFRANCISCO

will be completed by July next, when an immense through business will undoubtedly follow. More than 1200 MILES of the distance between the Missouri River and the Pacific Ocean are already traversed by the locomotive; and it is probable that 300 miles additional will be completed during the current year. The future of this line, therefore, is unusually promising. The CENTRAL PACIFIC RAILROAD COMPANY, receive from the United States Government about ten millions of acres of the

PUBLIC LANDS,

situated along the line of their Road; also a subsidy Loan of *United States Six Per cent. Bonds*, averaging $35,000 per mile, as fast as the sections of twenty miles are completed. They have received, in addition, important GRANTS from State and cities of California, worth more than $3,000,000 in GOLD: The proceeds of these Lands, Bonds, Capital stock, subscriptions, subventions and Net Earnings, are invested in the enterprise, to which is added the amount realized from First Mortgage Bonds *These Latter Have the First Lien Upon the Whole Property*, and are issued to the same amount only as the Government advances, or to the extent of about one-third the cost value of the road, equipment, &c.

The Cash Resources are abundant for the completion of the work, and *Net Earnings from the way Trafic Upon 350 Miles Now Open for Business are More than Double the current Interest Liabilities.*

☞ Besides a mileage upon all through business, this road, having the best lands for settlement, the most productive mines, the nearest markets, and being exempt from competition, will always command Large Revenues, which are WHOLLY IN COIN.

THE GROSS RECEIPTS FOR SEPTEMBER WERE $263,000 GOLD.

Two thirds of the entire Loan is already marked, and judging by past experience, the loan will soon be closed. Investors who desire an unusually safe, reliable and profitable security would do well to purchase before the bonds are all taken.

The Company reserves the right to advance the price at *any time*, but all orders actually *in transitieu* at the time of any such advance will be filled at present prices. At this time they pay more than 8 per cent. upon the investment and have, from National and State laws, guarantees superior to any other corporate securities now offered.

The First Mortgaged Bonds are $1000 each, with semi-annual gold cupons attached, payable in July and January. Both Interest and Principal are made expressly payable in United States GOLD COIN. The back interest from July 1 is charged only at the currency rates.

We receive all classes of government bonds, at their full market rates, in exchange for the Central Pacific Railroad Bonds, thus enabling the holders to realize

FROM EIGHT TO TEN PER CENT. PROFIT,

and keep the principal of their investments equally secure and receive the same rate of interest for a longer period.

Orders and inquiries will receive prompt attention. Information, Descriptive Pamphlets, etc., giving a full account of the Organization, Progress, business and Prospects of the enterprise, furnished on application. Bonds sent by return Express at our cost.

☞ All description of Government Securities Bought, sold and Exchanged, at our office and by Mail and Telegraph, at Market Rates.

☞ ACCOUNTS OF BANKS, BANKERS, and others received and favorable arragements made for desirable acsounts.

Terrible Storm at SEA!

All Hands near Being Lost; But Everything Turns up Right.

THE Steamer Highland Light, after a stormy night and a clear sky, and the wind blowing a gale, reached Annapolis harbor. But strange to say, though many were made awfully sick, not a soul was lost. All goods destined for Easton reached here safely about 11 o'clock next day, and created a terrible excitement on the "**Flats.**" Such a rushing of men, women and children, old and young, to the front doors, never was seen before. Windows were thrown up, heads put out, and a general inquiry made as to what had raised the excitement, when, lo! and behold! it was cart loads, and wagon loads, and dray loads of Goods destined for

Dave Griffith's Cheap Grocery Store,

where he would be happy to receive a call from the public generally. He challenges the Eastern Shore, and is determined to win the "First Position" among the cheap groceries, and can beat all the "Cheap John's" in St. Michaels, Centreville, Denton and Cambridge.

All articles kept in a No. 1 FAMILY GROCERY. LIQUORS of all kinds, by the gallon or bottle; FLOUR by the barrel or retail; SUGAR, COFFEE, BACON, HAMS, LARD CHEESE, FISH, &c.

Also CANNED FRUITS of all kinds, such as Peaches, Pears, Plums, Strawberries, Pine Apples, Cherries, Blackberries, Whortleberries, and a great variety of Brandy Fruits and Preserves, and canned Lobsters.

Pickles in variety, Sardines, &c.

CONFECTIONERY of all kinds, including Raisins, Currants, Citron, Ginger, Figs, Common and French Candies, and Nuts of all kinds.

Also a splendid assortment of GLASS, CHINA and QUEENSWARE.

Also some splendid TOILET SETS, and fancy Vases, finest ever offered in Easton—Come, young man, and make your "sweet heart" a handsome and useful present, that you may not "be forgotten a hundred years hence."

The public are invited to call and get the worth of their money, as I defy competition, and sell everything for Cash or country produce as cheap as any first class grocery in the city. (dec 19) D. B. GRIFFITH.
