On motion of Z. S. Claggett, Esqr. the following Preamble and Resolutions were ordered to be recorded among the Proceedings of the Court,

The Bench and Bar of Washington County having met together to give formal expression of their regret at the death and their respect for the memory and of the cause of the death of Hon Daniel Weisel, LL.D, their Senior brother who, for more than fifty years, was a member of this Bar, a Judge of this Court for two terms, from 1847, to 1851, and from 1861, to 1864, and a Judge of the Court of Appeals of this State from 1864 to 1867, do present the following,

Daniel Weisel

1, In the death of the Hon Daniel Weisel the Bar of Maryland has lost one of its oldest and wisest members, one who, in a long professional life, was always the personification of gentlemanly bearing and professional courtesy, qualities which both in his official administration upon the Bench, and as a practitioner at the Bar endeared him in a peculiar manner to the profession,

2, To diligence in study, there was added practical legal learning, gained from experience, which enabled him to elucidate difficult legal subjects, with that force and precision which attested a well disciplined mind, stored with the varied and exceptional learning of his profession,

3, In the discharge of his professional duties he was ever characterized by amenity of manner, and profound respect to the Court and Jury, and for his uniform courtesy to his brethren of the bar, especially to the younger and more inexperienced whether as associates or opponents, he will be held in tender remembrance by us all,

4th The elements which made up his professional character and achieved his success were the simplicity of style, directness of thought, patience, industry and perseverance, both in his office and at the trial table,

5th His life was not lighted up by occasional brilliant displays of ability, but he used his powers steadily and earnestly adding something by each years study and experience until he was fitted to fill with honor to himself and the State every professional and public position in which he was tried,

6th As a citizen, he was for more than half a century the first and foremost in all the undertakings in our midst which encouraged and fostered the culture and education of the people, He was prominent and foremost in all the enterprizes which in late days have so wonderfully enlarged the business and industrial activities, and developed the natural resources of our town and County, and his name will continue to be associated with all the various public improvements in our midst which his early and indefatigable exertions so largely contributed to establish,

7th A life devoted to Belles Lettres and Original Studies, apart from the labors of the law, endowed him with an excellent Style as a writer, made him a favorite lecturer before literary and other Societies and decorated his general learning,

8th Ordered that a Copy of these resolutions be sent to the Kinsfolk among whom Judge Weisel died, and that the Chairman of the Committee present them to the Circuit Court at its next Session with a request that they be entered upon the minutes of the Court, also that the proceedings of the meeting be published in the County papers, and that the members of the bar attend the funeral of the deceased in a body and wear the usual badge of mourning for thirty days,

at 3.15 Court adjourned until Monday Morning at 9 o'clock,

**Monday November 29th 1880.** Court met pursuant to adjournment present on the Bench Hon R H Alvey, Chief Judge Hon H. Motter, and Hon Geo A Pearre, associate Judges.
