There's a lot of action in a slice of Blue Ribbon toast!

You know it! Blue Ribbon's super-charged! Loaded with vitamins and minerals. Go-power. That's what we call it. That longer-lasting food energy you get in Schmidt's Blue Ribbon. (Why on just 3 slices you can play an extra hour of badminton.)

Only Blue Ribbon is tenderly twisted for that big difference. A difference that pops right out of your toaster. See? All over even, yet inside tenderness. Toast up some action! Toast up some Schmidt's Blue Ribbon! You'll see!

Get that Blue Ribbon action
