Canadian Club is one of the world's most wanted gift whiskies. Which makes it a fitting gift for anybody.

It should be. Canadian Club has the lightness of Scotch *and* the smooth satisfaction of Bourbon.

So, this year, practice the Canadian Clubman's Code, Rule 7: give a gift that fits, no matter what his size.

by the B.T.U., affiliated with the American Federation of Teachers, as the culmination of a surge for power that began only a little over a year ago.

The union, though it insists it is "running scared," has scheduled a victory party tonight in the Howard Room of the Civic Center.

A similar party held there Monday night attracted some 2,000 teachers.

Teams from both the A.F.T. and the National Education Association, parent group of the P.S.T.A., for the duration of the campaign are holding parties, meetings in schools and coffee klatches.

It was felt the more militant stand of the P.S.T.A. in the last week may have alienated some of its more conservative members.

Their only recourse would be to withhold their votes.

* * *

THE A.F.T. has won bargaining elections in many major cities recently, including New York, Chicago, Detroit and Washington. But the N.E.A. points out that professional association exclusively representing teachers outnumber unions 30 to 1 in the country.

The American Arbitration Association, with Arthur Mehr, as administrator, is handling the election.

Vote counting begins at 3 p.m. at Herring Run Junior High School, and an official tally is expected to be completed by 6:30 p.m.

Pre. Clarence D. Long (D.-Md., 2nd) has hailed the nomination of Thurgood Marshall to the Supreme Court as a great breakthrough for colored people, for Maryland and America.

Mr. Marshall's elevation to the court would place him in the highest position ever won by a colored person in the United States government.

Moreover, Long said," the Supreme Court will become one of the few —if not the only — fields of accomplishment in which colored people represented in proportion the percentage of the national population.

"Only eight judges serving on lower federal courts are colored," Rep. Long
