UNCF colleges share $2 million

NEW YORK, N.Y. — The United Negro College Fund has distributed $2 million to its member colleges and universities, it was announced by Dr. Stephen J. Wright, the Fund's president.

The money will be used to help construct campus buildings and renovate obsolete structures. A part of the allocation will also be used to strengthen basic curriculum funds for faculty expansion and scholarships.

In his announcement, Dr. Wright noted that the $2 million was obtained from a small number of major contributors who in 1963 subscribed $33 million to a one-year development fund campaign — launched by President Kennedy.

TO DATE, he added, the Fund has distributed a total of $15,325,000 of his sum, and the colleges have received nearly $17,600,000 directly from the corporate and individual donors. Payment of pledges to the 1963 drive will end next year.

Of the total amount distributed to institutions in 11 Southern states, seven colleges and universities in Georgia got the largest share: $436,200. Six institutions in North Carolina received $339'780; four in Alabama, $232,82; three in Virginia, $235,000.

Four colleges in Tennessee also received $234,180; three in Texas, $160,060; and two in Louisiana, $144,020. Additional allocations went to one member college in each of four other states. These were Mississippi, $17,160; Arkansas, $55,620; Florida, $55,280 and South Carolina, $51,280.

Since its founding in 1944, the United Negro College Fund has raised more than $96 million for its member institutions. Currently affiliated with the Fund are 33 regionally accredited, predominantly colored colleges and universities which enroll 35,000.

William E. Day dies suddenly, funeral Thursday

Funeral services will be held Thursday at St. Veronica's Catholic Church, Cherry Hill for William E. Day, 53, 2522 Terre Firma Rd., who died suddenly Sunday.

Mr. Day, from a well-known Baltimore family, was stricken with an attack of asthma early in the afternoon and died within an hour at University Hospital.

Following Requiem Mass, Mr. Day will be buried in Baltimore National Cemetery. He was a veteran of World War II.

Friends may call at the Terre Firma address where the body will be on view today (Tuesday) and Wednesday.

Mr. Day was born July 16, 1914, the son of the late Mr. and Mrs. William Day. The family resided in the 600 block N. Paca St. across from the St. Mary's Seminary over 100 years.

He and his wife, the former Miss Virginia Spencer, were married 37 years. Mr. Day was a Social Security claims adjuster 25 years.

In addition to his wife, surviving are a son, William Edward Jr., a Richmond, Calif. Social Security employee; Miss Virginia Day, a Sinai Hospital registered nurse; Miss Gloria Day, a Social Security clerk; Edward, Deborah and James Day, all of Baltimore and three grandchildren.

Mrs. Edith Bush

"She was a very fine lady. Everybody in the neighborhood liked her and respected her."

Mrs. Elsie Bush, daughter-in-law of Mrs. Edith Bush, who died of cancer on July 19 in her home at 3908 Park Heights Ave., paid her the above tribute.

A widow and former domestic worker, Mrs. Bush was born in Indigos, Md. 69 years ago. She attended St. Peter Claver's Catholic Church.

Locks Funeral Home, 1302-04 North Central Ave., handled arrangements for the burial. Services were held at St. Peter Claver's on Monday. Interment was in Mt. Calvary Cemetery.

The mother of two sons, Harold and Earl Bush, she is also survived by 14 grandchildren and 11 great grandchildren, among other relatives.

John Birch Society's Undercover Drive To Foment Tensions Bared

LEADING THE host Illinois Selected Morticians Association is preparation for the 30th annual convention of the National Funeral Directors and Morticians Association, Inc., at Sherman House, Chicago, Ill. Aug. 13-17, is William Prowell, Chicago Heights (Ill.) funeral director, and president of the Illinois group. He is also a member of the national board of directors.

Funeral directors to meet in August

CHICAGO (NPI) — The 30th annual convention of the National Funeral Directors and Morticians Association, Inc. will be held Aug. 13-17 at the Sherman House.

Host at the convention is the Illinois Selected Mortician's Association, which recently elected William (Bill) Prowell, as its president.

Prowell, who served as treasurer and vice-president of the Illinois association for several years, also is a member of the national group's board of directors.

He and his wife, Callie, operate the Hammond and Prowell Funeral Home, along with Mr. and Mrs. Andrew Hammond.

• • •

OTHER ELECTED OFFICERS of the Illinois association are Doty E. Nash and George Nicholson, Rock Island, first and second vice-presidents, respectively; Orville E. Hambright Sr., secretary; George R. Harris, corresponding secretary; Harry J. Carter Jr., treasurer; A. R. Leak, Sr., chaplain; and George D. Jones, Parliamentarian, all of Chicago.

At the national convention, three prominent businessmen are to address the mortician's educational program.

They are Atty. George Whitehead of Cincinnati, Earl T. Newcomer of Kansas City, Mo; and Robert F. Geisler, tax consultant of National Selected Morticians.

Teachers fear loss from NEA merger ruling

NEW ORLEANS — (NPI) — Colored teachers are fearful of the ruling of the National Education Association that local states should settle their own rules for merging white and non-white teacher organizations.

They fear colored teachers will be relegated to the "buzzard's roost" or the gallery and left without real representation and participation in office-holding and policy-making. This expression seems unanimous among Louisiana non-white teachers.

White parents adopt thru N.Y. public agency

NEW YORK — The Division of Adoption Services of the City Department of Public Welfare has relaxed its rules, and one of the first results is the adoption of a racially mixed youngster by two white parents.

Mr. and Mrs. Lee Haring, a 36-year-old assistant professor of English at Brooklyn College, have adopted a son, Bartholomew, half colored, half Jewish.

"We were told that neither colored persons nor Jews would accept him, so now he's stuck with a pair of Anglo-Saxon parents like us," said Mrs. Haring.

The City's adoption-rule changes include the abandonment of previous requirements that the couple be under 35 years of age; that the mother will not work; and that the couple be of the same race as the child.

Even single women are now being encouraged to adopt children.

The Harings, who are Quakers, will soon go to Nairobi, Kenya in connection with his work. There they hope to adopt another child.

Eventually, says Haring, we hope to have a child for each of the regions of the world.

IAD'S new pamphlet, 'Shake-up' tells all

WASHINGTON

Details of the radical right John Birch Society's covert campaign to increase to racial tensions are laid bare in a new brocure, "The Shake-Up Campaign," produced by the Institute for American Democracy, (IAD) here.

"The Society has employed a battery of speakers — including ex-Sherriff Jim Clark of Selma, Ala., and several self-styled "ex-FBI" informers — who are crisscrossing the country with Birch anti-civil rights propaganda, but who are not identifying themselves are Birch spokesmen," said IAD Chairman Franklin H. Littell, a Methodist minister and president of Iowa Wesleyan College in Mt. Pleasant.

"Furthermore, the Birch propaganda films — like 'Anarchy-USA' and 'Civil Riots — USA' — often shown to students and civic groups, are unsigned and passed off as objective documentaries.

"Birch Society 'fronts' like TACT and SUPPORT YOUR LOCAL POLICE committes are no identified as Birch creations. And some of the ad hoc committees, formed to oppose the civil rights movement, carry deceitful titles like, 'The Denver Committee to Improve Racial Relations,'" Dr. Littell pointed out.

"Their literature is, likewise, not labeled as Birch material. IAD's new 32-page pamphle exposes them all," Dr. Littell said.

• • •

"BIRCH SPEAKERS such as Lola Belle Holmes and Julia Brown, both colored, are falsely billed as 'ex-FBI undercover agents,' for example. When, in fact, these two were never FBI agents, but merely disillusioned members of the Communist party USA who became paid informers for the FBI," Dr. Littell stated.

"FBI Director J. Edgar Hoover has called this 'an improper attempt to capitalize on the name of the FBI.'

"The Birch campaign is both false and devious. The Society is hammering home the theme that the civil rights movement was begun by the Communists and is still controlled and directed by Communists. J. Edgar Hoover has said that this is not so, and the IAD pamphlet documents this," Littell said.

• • •

"SUCH A THEME does two things: it foments racial strife; it serves as a recruitment device for the Birch Society. And the real threat to innocent citizens is that this campaign is couched in terms designed to deceive the public into thinking its goal is the 'improvement of race relations.' Nothing could be farther from the truth," Dr. Littell asserted.

"At no point do any of the Society spokesmen or propaganda materials offer any solutions to existing social and economic problems. They do, often, create more problems. And they do make false and insinuating accusations.

"The purpose of the 'Shake-Up' pamphlet is to place such activity in perspective and lay the base for a more rational approach to the perplexing civil rights problem," Dr. Littell concluded.

The year-old Institute for American Democracy, is an educational organization, supported by church, business, labor and civic groups and solely concerned with exposing the anti-democratic nature of Far Left and Far Right organizations.
