Education Office warns 76 S.C. school districts

WASHINGTON (UPI) — The U.S. Education Office Friday warned 76 school districts in South Carolina their desegregation plans for 1967-68 appeared to be inadequate.

Letters of warning of apparent shortcomings were mailed after reviews of desegregation plans or following field investigations, a spokesman said.

The letters represent efforts to negotiate acceptable plans so schools may begin without any question of eligibility for federal aid.

The first type of letter told officials staff workers would like to confer with them. The second type was used for less serious apparent shortcomings and did not mention field visits.

No letters of another type, called type 3, were sent to South Carolina districts. These are reserved for districts that are unquestionably in full compliance, the spokesman said.

Builder signs no bias pledge

PHILADELPHIA

The builder of a Roxborough Heights real estate development has signed a consent order pledging not to discriminate, Mrs. Sadie T. M. Alexander, chairman, Commission on Human Relation, announced Thursday.

Jack Pierman signed the order on behalf of Bern-Ger Corp., of 225 Master Streets, after Commissioner Herbert J. Graham ruled that there was "probable cause" for the charge that the firm discriminated against a couple applying to buy a house.

Graham's ruling followed a hearing at which Charles and Cleo Moore, of the 5000 block Locust Street, made the allegation. Moore is a probation officer in Juvenile Court. His wife is a doctor of psychology employed by the Board of

The Silhouettes gave $300 to the Diggs Memorial House of the Kappas on the campus of Indiana University, in Bloomington, Ind.

Six lose lives in highway crash

COUSHATTA, La. (UPI) — Six persons were killed in a high speed car crash, Saturday afternoon, near the intersection of U.S. 71 and Louisiana 515, about six miles north of here.

A seventh person was in critical condition, Saturday night.

Police identified the dead in one car as Joaquin Franco Nedrano, 53, Irving, Tex., his son, Mike Nedrano, 15, and Nicola Franco Centeno, Brockmerles, Tex., whose age was not known.

Killed in the second car were Shirley An Hayes, 24, Grambling, La.; Alfred Dun, 27, Grambling, La.; Alfred Dun, 27, Grambling, and Charley J. Addison, 23, Greensboro, La.

Police said the car, driven by Shirley Hayes, was traveling north on U.S. 71, a two-lane road, at a high rate of speed. It entered a curve, crossed over the center line into the path of the Nedrano vehicle, which was south bound.

Timonium Fair wants a queen

The search for a queen to reign over this year's Timonium State Fair is well underway in Maryland's 23 counties.

Contenders in the Maryland Farm Queen competition to be held on the fair grounds on Aug. 28 will be vying for the crown now held by the reigning queen from Wicomico County, Miss Joyce Huston.

Eligible to compete are 16-19-year-old unmarried girls who live on a farm even though they may work in the city or are away at college.

Each county has been holding eliminations during the past two months at County Farm Bureau picnics, county fairs and 4H Club exhibits.

Judging in the final competition will be on the basis of general appearance, posture, courage, personality and

Raps white Americans' sick mind

PORTLAND, Ore. (UPI) — Whitney M. Young Jr., executive director of the National Urban League, says too many white Americans live in a ghetto — the ghetto of the mind.

And in this ghetto, Young said, Democratic ideals are sealed off and decency is smothered.

"The ghetto of the mind is as rotten as the festering ghettos of our cities and both must be changed if we are to create a just and equal society," Young said Sunday in the keynote speech at the Urban League's 57th annual conference.

• • •

YOUNG CALLED again for a "revolution of responsibility" featuring a domestic Marshall plan to solve the nation's racial crisis.

He said this responsibility must be shared by Black Americans, the nation's basic institutions and by the "90 per cent of white Americans who . . . are guilty of indifference and apathy."

Young said he was not concerned with "the 10 per cent of the people who are bigots or the 10 per cent who are anxious to help." He said it was the silence of the other 80 per cent "which allows bigots to speak for them, and it is their indifference which allows the ghetto to exist."

• • •

UNDER A domestic Marshall plan, he said, every American willing and able to work should have a job. He called for emergency work projects and career training in the ghetto and elimination of slums by construction of one million low cost housing units per year.

Young said the League will oppose the Vietnam war effort if its financing means further cuts in domestic antipoverty and equal opportunity programs.

"In the past, I have believed there was money for guns and butter," he said. "Now I am not sure."

D.C. corpsman held for murder

HORSE CAVE, Ky. (UPI) — A corpsman at the Great Onyx Job Corps Conservation Center was stabbed to death Saturday, and another corpsman was charged with murder.

Officials at the federal center said the stabbing occurred "during a dispute over assignement of daily activities" between Ray Scruggins, 22, of Washington, D.C., and Curtis Johnson, 17 of Wilson, N.C.

Johnson was dead on arrival at Caverna Hospital.

Spraggins was taken before U.S. Commissioner Uhel Barrickman at nearby Glasgow and charged with murder. Barrickman said a preliminary hearing would be held next week.

The Great Onyx Job Corps Center is located inside Mammoth Cave National Park and has an enrollment of 250 youths from across the nation.

Dr. Allen named Methodist bishop

NASHVILLE, Tenn. — The Central Jurisdiction of The Methodist Church elected the Rev. Dr. L. Scott Allen a bishop here Friday (August 18). Until now he has been editor of the jurisdiction's magazine, the "Central Christian Advocate."

Bishop Allen, 49, a resident of Nashville, was selected on the second ballot at the Central Jurisdictional Coference, a vote of 43 votes out of 62 cast. He led with 32 votes on the first ballot.

This will be the last bishop elected by The Methodist Church, which next April become The United Methodist Church by uniting with the Evangelical United Brethren Church. The jurisdiction also was the first to elect a bishop in the denomination as presently constituted, when in 1940 it chose the late W. A. C. Hughes and Lorenzo King.

Bishop Allen was consecrated in ceremonies here Saturday.

The new bishop is chairman of the Program Committee of the 1968 Methodist General Conference, the top legislative body of the church.

James Harris is on Va. State list

PETERSBURG, Va. — James Harris, Jr., of Moncks Corner, S.C., was named this week to the Virginia State College spring semester Dean's List, according to Registrar Robert M. Hendrick. He is one of 188 students at the college to be so honored.

If we could have our fondest wish, this most wonderful in the world wish:
We would wrap it up in loving words
And send it on its way,

We'd whisper soft and low;

Back, because we miss him so."
