S.C. county integrates high school peacefully

By LAWRENCE C. FALK

WADESBORO, N.C. (UPI) — Nine hundred students here Monday in the first general race mixing in a county where racial tension has been high for two years.

While the students were rising peacefully to their classrooms, about 75 colored children stayed away from another school to protest assignment to an allegedly inferior facility.

Although the homes and business of five school leaders were bombed in July, the integration was without incident. White students ignored colored students for the most part as they entered the new school's gym for a pre-class orientation.

William L. Wildermuth, Anson County School Superintendent, told both white and colored students at the assembly "we will expect from every one of you good behavior. Any behavior out of the ordinary will not be tolerated." Wildermuth's business was one of the five places bombed in July.

School Principal Jack Heisler said he expected "no racial trouble" at the school. Highway patrolmen joined half of them non-white, integrated Bowman High School

Nigerian accuses U.S. and Britain

LAGOS, Nigeria (UPI) — Northern Nigerian business leader accused the United States and Britain of "double-dealing" Sunday night in Nigeria's seven-weeks-old civil war.

Afolabi Olagunnju, secretary general of the Northern Nigeria Chamber of Commerce, accused both America and Britain of sending arms shipments to the rebel Eastern Region while refusing to allow Federal Nigeria to purchase arms.

The Eastern Region, led by Lt. Col. Odumegwu Ojukwu, declared its independence May 30 and called itself the Republic of Biafra.

* * *

EARLIER SUNDAY, Northern Nigerian Trade Union representatives presented a protest letter to the U.S. Consul in Kaduna, Harvey Stokes, accusing the United States of "reckless meddling" in Nigerian internal affairs.

The letter said the United States was trying to turn Nigeria's domestic problems into a ideological war.

Military reports on the fighting between federal troops and rebel Biafran forces said the positions were unchanged Sunday. The rebel troops reportedly moved reserves into the Midwestern capital of Benin to brace against a federal advance. The rebels captured Benin 10 days ago.

* * *

THE UNION also demanded the expulsion of American Peace Corps workers and the closing of Western consulates.

Many Peace Corps volunteers have left or are in the process of leaving Nigeria. At least 155 have flown to Accra, Ghana, for reassignment to other African countries as a result of the war.

The organization also "unhesitatingly declared" that the United States and Britain comprised a neo-colonialist threat which was "the greatest enemy to the unity of Nigeria."

Reports last week indicated that Nigeria has bought up to a score of Korean War vintage MIG 15 fighters and hired "dozens" of Soviet technicians to maintain them and teach Nigerians how to fly them.

Senate unit okays rent, cities funds

WASHINGTON (UPI) — The Senate Appropriations Committee Monday granted President Johnson his full $40 million request for the rent supplement program and approved $537 million of his $662 million request for the model cities program.

The committee action was a major victory for President Johnson's hard-pressed programs for aiding the cities and the poor. The bill is expected to go to the senate floor on Wednesday.

If approved it then will go to a House-Senate conference committee.

The House version limited rent supplements completely and granted only $237 million for model cities.

The committee action came in the $10.4 billion dollar appropriation for 16 independent offices and the Department of Housing and Urban Development.

Johnson said the Senate Appropriations Committee had reaffirmed the Administration's pledge to bring new hope and progress to American cities with rent supplements.

Housing named for Poet Hughes

NEW YORK — A $10½ million apartment development containing three 22-story buildings and 314 units, will be named for the late poet, novelist playwright, Langston Hughes.

The New York City Housing Authority announced that the complex, located at Rockaway and Belmont Avenues, will be ready for occupancy early in 1968.

In Memoriams

BAILEY and WIDGEON — In loving memory of my dear mother, RIVA, who passed August 29, 1954 and grandmother, LUCY, who passed July 28, 1960:
If we had all the world to give
We'd give it, you and more.
To hear her voice and see her smile
As grant her at the door.
But all we can do, dear mother and grandmother
Is go and tend your graves,
And leave behind tokens of love,
To the best mother and grandmother
Ever
And ever made.
Loving Daughter,
NAOMI and
GRANDDAUGHTERS

FORD — In loving memory of my son and our brother, WILLIAM E. FORD, who passed away August 30, 1963:
Do not ask us if we miss him,
There's such a vacant place.
Oft we think we hear his footsteps
And see his smiling face.
Days of sorrow still come o'er us,
Tears in silence often flow;
Memory brings him now near us,
Though he left us five years ago.
Loving Mother,
SUSANNA M. FORD
Brothers,
JOSEPH T. FORD and
FAMILY,
THEODORE L. FORD

Card of Thanks

PALMER — We wish to thank the many friends and neighbors for the kind expressions of sympathy for their beautiful floral designs and kind words during our recent bereavement of our beloved father. Our special thanks to Rev. Theodore Jackson for his consoling words.
