## Union Pacific Railroad.

# GREAT
## UNION PACIFIC
# RAILROAD
*IS NOW COMPLETED!*

## The Last Rail Laid!
## The Last Spike Driven!

—OX—

Besides a donation from the Government of 12,800 acres of land per mile, the Company is entitled to a subsidy in U. S. Bonds on its line as completed and accepted, at the average rate of about $26,500 per mile, according to the difficulties encountered, for which the Government takes a second lien as security. Whether subsidies are given to any other companies or not the Government will comply with all its contracts with the Union Pacific Railroad Company. Nearly the whole amount of bonds to which the Company will be entitled have already been delivered.

## First Mortgage Bonds
**BOUGHT AND SOLD.**

By its charter, the Company is permitted to issue its own FIRST MORTGAGE BONDS to the same amount as the Government bonds, and no more. These Bonds are a First Mortgage upon the entire road and all its equipments.
THEY HAVE THIRTY YEARS TO RUN, at SIX PER CENT., and both

**Principal and Interest**

ARE

*PAYABLE IN GOLD.*

Such securities are generally valuable in proportion to the length of time they have to run. The longest six per cent., gold interest bonds of the U. S. (the '81's) will be due in 12 years, and they are worth 112. If they had thirty years to run, they would stand at not less than 125. A perfectly safe First Mortgage Bond like the Union Pacific should approach this rate. The demand for European investment is already considerable, and on the completion of the work will doubtless carry the price to a large premium.

## Security of the Bonds.

It needs no argument to show that a First Mortgage of $20,500 per mile upon what for a long time must be the only railroad connecting the Atlantic and Pacific States is perfectly secure. The entire amount of the mortgage will be about $30,000,000, and the interest $1,800,000 per annum in gold. The present currency cost of this interest is less than $2,500,000 per annum, while the gross earnings for the year 1868, from way of business only, on an average of less than 700 miles of road in operation, were more than

*FIVE MILLION DOLLARS.*

The details of which are as follows:

| | |
|---|---|
| From Passengers, | $1,024,005 19 |
| " Freight, | 2,040,233 79 |
| " Express, | 51,423 57 |
| " Mails, | 136,235 09 |
| " Miscellaneous, | 91,626 23 |
| " Government troops, | 104,077 77 |
| " " freights, | 449,440 33 |
| " Contractors' men, | 201,179 09 |
| " " material, | 968,830 32 |
| Total, | $5,966,651 61 |

This large amount is only an indication of the immense traffic that must go over the through line in a few months, when the great tide of Pacific coast travel and trade will begin. It is estimated that this business must make the earnings of the road from fifteen to twenty millions a year.

As the supply of these Bonds will soon cease, parties who desire to invest in them will find it to their interest to do so at once.

A new Pamphlet and Map was issued out, 1st, containing a report of the progress of the work to that date, and a more complete statement in relation to the value of the bonds than can be given in an advertisement, which will be sent free on application.

## Terrible Storm at SEA!

### All Hands near Being Lost, But Everything Turns up Right.

THE Steamer Highland Light, after a stormy night and a clear sky, and the wind blowing a gale, reached Annapolis harbor. But strange to say, though many were made awfully sick, not a soul was lost. All goods destined for Easton reached here safely about 11 o'clock next day, and created a terrible excitement on the "Flats." Such a rushing of men, women and children, old and young, to the front doors, never was seen before. Windows were thrown up, heads put out, and a general inquiry made as to what had raised the excitement, when, lo! and behold! lot was cart loads, and wagon loads, and dray loads of Goods destined Dave Griffith's Cheap Grocery Store, where he would be happy to receive a call from the public generally. He challenges the Eastern Shore, and is determined to win the "First Position" among the cheap grocers, and can beat all the "Cheap John's" in St. Michaels, Centreville, Denton and Cambridge.
All articles kept in a No. 1 FAMILY GROCERY. LIQUORS of all kinds, by the gallon or bottle; FLOUR by the barrel or retail at SUGAR, COFFEE, BACON, HAMS, LARD, CHEESE, FISH, &c.

## Bitter Cordial.

THIS medical preparation is now offered to the public as a reliable substitute for the many worthless compounds which now flood the market. It is purely vegetable, composed of various herbs, gathered from the great storehouse of nature, and selected with the utmost care. It is not recommended as a CURE ALL, but by its direct and salutary influence upon the Heart, Liver, Kidneys, Lungs, Stomach and Bowels, it acts both as a preventive and cure for many of the diseases to which those organs are subject. It is a reliable Family Medicine, and can be taken by either infant or adult with the same beneficial results. It is a certain prompt and speedy remedy for DIARRHŒA DYSENTERY, BOWEL COMPLAINT DYSPEPSIA, LOWNESS OF SPIRITS FAINTINGS, SICK HEADACHE, &c. For CHILLS and FEVERS of all kinds, it is far better and safer than quinine, without any of its pernicious effects.
