It will be conducted in the office of Louis Singer, attorney, 1110 Court Square Bldg.

Persons attending will learn how to provide safe, sanitary and decent housing for the community, and make a legitimate and reasonable profit.

* * *

ONLY REQUIREMENT is an interest in investing in rental property and a desire to learn how to become a responsible property owner.

Some subjects for discussions include:

1. Why choose real estate as an investment; 2. How to find good rental properties; 3. Where to finance your purchase; 4. Finding and selecting tenants; 5. Responsibilities of owners and tenants to each other 6. Maintenance and repairs, and 7. Collections and delinquencies.

U. of Md. sets medical lecture

The Twelfth Pincoffs Lecture in Medicine, will feature Dr. William B. Bean as speaker on Monday at 8:15 p.m. in Davidge Hall, Lombard and Greene Sts.

Dr. Bean, who is professor and head of the department of internal medicine at the University of Iowa School of Medicine, will speak on "The Endeavor of Walter Reed."

Special consultant to the Surgeon-General of the U.S. Army, Dr. Bean is also editor-in-chief of "Archives of Internal Medicine," and consulting editor for "Modern Medicine."

The lectureship was established in 1957 by friends and colleagues of Dr. Maurice C. Pincoffs to pay him tribute at the time of his retirement from the faculty of the Maryland medical school.
