PLAIN FACTS

WORTH READING.

A large, well established and successful business, with an experience of more than twenty-five years, enables us to offer inducements to those who are about to purchase Clothing.

Our establishment is the largest and most extensive establishment in the country. Our garments are all made of the best materials, carefully selected; nothing unsound or in any way imperfect is made up at all, even in the lowest grades of goods. It is a well established fact among clothers that our Ready-Made Clothing in every thing that goes to make a superior garment, is unequalled by any stock of goods in Philadelphia.

Our assortment is so large and varied that every one can be fitted at once, without delay. Our prices are always guaranteed as low, or lower, than the lowest. We have also a fine assortment of

Goods in the Piece,

which will be made up to order, in the best manner, and at prices much lower than are usually charged for garments made to order.

Samples of goods, with price lists for all kinds of garments, forwarded by mail at any time when requested, with instructions for self measurement, and garments, either made to order or selected from our Ready-Made Stock, forwarded by express, guaranteed to fit correctly.

Persons not residing here, can when visiting Philadelphia, call and have their measure registered on our books kept for that purpose, from which garments can be ordered at any future time.
