Mrs. Santa

FROM PAGE 1

done, the Pennsylvania Avenue-Lafayette Market Association (PALMA) will again be one of Mrs. Santa's big helpers by donating 100 food baskets for poverty-stricken families.

Mrs. Santa has renewed her appeal for generous-hearted Baltimore who have made her annual crusade for poor families so successful in the past to rush to her assistance.

"The need is greater than ever before," she declard. "I have always been helped by kind-hearted Baltimoreans. I know I can count on them this year," she said confidently.

All donations, Mrs. Santa reminds her supporters, should be sent to AFRO Charities, Inc., 628 Eutaw St., Baltimore, Md. 21203.

All donations are tax deductible, Mrs. Santa assured her supporters and added:

"This is not an effort to eradicate poverty. It is merely an attempt to bring a little joy into the lives of needy families at Christmas time.

"For an idea of how great that need is read the following letters from families appealing for just food for the joyous holiday of Christmas."

CASE 52 — Will you please try to help my seven children? The ages range from 3 to 15 years. They are in need of some clothes for school. The mother has very little income. A few things would make them so happy this Christmas.

CASE 53 — My family will not be happy this Christmas. My husband refuses to give us anything. I used to work, but illness has stopped me.

We are on welfare, but the rent keeps me from giving the children much. Won't you please help me with a basket for Christmas?

CASE 54 — Please help me to give my children a happy Christmas. I have to support six children by myself. My girls are 7, 8, 9, 10, and 12. I have one boy who is 11. I want my kids happy with whatever you can spare.

CASE 55 — I would like a Christmas basket. I have seven children and would like very much if you could help me. They ages are 7, 8, 11, and 12, boys; the girls are ages 2, 3, and 9 years.

Anything that you give will be appreciated very much.

CASE 56 — Please give me and my children a Christmas basket and some clothes. I have six children, and I'm on welfare. I don't have a husband. The two girls are 17 and 16, and the boys are 14, 12, 9 and 3.

CASE 57 — I am 14 years old, and I am writing this letter for my family. My mother has 12 children. I have two boys and 7 girls.

Unless someone helps us, we will have a very miserable Christmas. Will someone please send us a basket of food and a few clothes for my little brothers and sisters? I only want to see them happy. Could you send us some tickets?

CASE 58 — Please send my family a basket. There are five children in my family. We are on welfare.

CASE 59 — I'm writing to you this year asking your help so that my four children might have a merry Christmas. My husband and I are separated, and he contributes a small amount of support.

My boys are 9 and 6, and the girls are 10 and 14. There are in need of boots and gloves. Anything at all will be appreciated.

CASE 60 — I am writing for my little children because without you I know they won't have a Christmas. I have six children, five boys and one girl. Their ages are 13, 11, 10, 8, 7, and 18 months. I am also expecting another child in December. I am on welfare. I will appreciate anything you can give.

CASE 61 — My husband is sick and unable to work. We have five children, ages 13, 12, 10, 8 and 5. We receive a small check from the welfare.

After expenses, we have nothing at all. We would appreciate toys and food. Anything at all will be appreciated.
