LOCALS.

ATTEMPTED RAPE.—On Thursday morn., a mulatto man, by the name of Charles Hughes, attempted to violate the person of a little girl aged about 12 years—daughter of Mrs. Elizabeth Dail, a highly respectable widow lady, living in the Chapel District. The little girl was on her way to school and the miserable wretch, who was cutting wood in the woods through which the little girl had to pass, way-layed her—when he knocked her down, grasped her by the throat and attempted his devilish purpose. When he let her go he caution ed her not to tell any one. She returned home considerably scratched and bruised and the marks of the villain's fingers were upon her neck. The little girl's uncle informing Constable Hopkins of the fact, he, in company with some neighbors went in pursuit of the fugitive, but he getting wind of it started about one hundred yards in advance of them, and was soon lost sight of in a swamp. He is a bright mulatto, with straight, black hair, has moustache and beard, has lost all the toes off one foot except the small toe, from frost bite.—He is five feet, 3 or 4 inches high, walks a little lame, and is between 25 and 30 years of age, and is said to have a very bad character. It is to be hoped that he will be brought to justice and the most extreme penalty of the law inflicted.

NEW PROPRIETOR.—Mr. J. C. Norris formerly of the 'Talbot House,' in Easton, formerly kept by Mr. G. W. W. Haddaway, where boarders and travelers will be accommodated. Mr. Norris will continue at the 'Brick' and put the 'Talbot House' in the charge of Mr. Wm. F. Reed. Mr. Reed has been in the employ of Mr. Norris for a number of years and always been found worthy of trust in that branch of business. He is polite, accommodating, of steady habits and strong, and we bespeak for him a large share of public patronage.

THE RESULT OF THE FAIR.—On Friday night of last week, at the close of the Methodist Protestant Fair, at the Court House, the ladies summoned up the figures of the entertainment, and it was ascertained that $440 had been realized, after all costs were deducted. At this result the ladies are highly gratified, and in a card in this morning's paper, return thanks to all who assisted them in the cause.

Card of Thanks.

The Ladies connected with the Methodist Protestant Fair and Festival, which closed its session on Friday night of last week, take this method of returning their sincere and perfect thanks to a generous public for the very liberal patronage extended and to the newspapers of the town for the valuable assistance rendered in giving publicity to the object for which it was held.

Upon all these noble spirits they invoke the blessings of the Good Master and hope they will receive their reward at the Harvest when the Mighty Reaper of souls shall set the seal of judgment upon the deeds of men.

LADIES OF THE FESTIVAL.

Ayer's Cherry Pectoral,

For Diseases of the Throat and Lungs such as Coughs, Colds, Whooping Cough, Bronchitis, Asthma, and Consumption:

℞ Probably never before in the whole history of medicine has any thing won as widely and so deeply upon the confidence of mankind, as this unequaled remedy for pulmonary complaints. Through a long series of years, and among hosts of the friends of men it has risen higher and higher in their estimation, as it has become better known. Its authentic character and power to cure the various affections of the lungs and throat, have made it known as a reliable protector against them. While adapted to milder forms of disease and to young children, it is at the same time the most effectual remedy that can be given for incipient consumption, and the dangerous affections of the throat and lungs. As a provision a gainst sudden attacks of Croup, it should be kept on hand in every family, and indeed as all are sometimes subject to colds and coughs, all should be provided with this antidote for them.

Although settled Consumption is thought incurable, still great numbers of cases where the disease seemed settled, have been completely cured, and the patients restored to sound health by the Cherry Pectoral. So complete is its mastery over the disorders of the Lungs and Throat, that the most obstinate of them yield to it. When nothing else could reach them, under the Cherry Pectoral they subside and disappear.

Singers and public speakers find great protection from it.

Asthma is always relieved, and often wholly cured by it.

Bronchitis is generally cured by taking the Cherry Pectoral according to directions and frequent doses.

So generally are its virtues known, that we need not publish the certificates of them here, or do more than assure the public that its qualities are fully maintained.

Ayer's Ague Cure,

For Fever and Ague, Remittent Fever, Chill Fever, Intermittent Fever, Dumb Ague, Periodical or Bilious Fever, &c. and indeed all the affections which arise from malarious, marsh, or miasmatic poisons.

As it cannot implies, it does Cure, and does not fail. Containing neither Arsenic, Quinine, Bismuth, Zinc, nor any other nauseous or poisonous substance whatever, it is in no wise injures any patient. The number and importance of its cures in the ague districts, are literally beyond account, and we believe without a parallel in the history of Ague medicine. Our pride is gratified by the acknowledgments we receive of the radical cures effected in obstinate cases, and where other remedies had wholly failed.

Unacclimated persons, either resident in, or traveling through miasmatic localities, will be protected by taking the AGUE CURE daily.

For Liver Complaints, arising from torpidity of the Liver, it is an excellent remedy, stimulating the Liver into healthy activity.

For Bilious Disorders and Liver Complaints, it is an excellent remedy, producing many truly remarkable cures, where other medicines had failed.

Prepared by Dr. J. C. Ayer & Co., Practical and Analytical Chemists, Lowell, Mass. and sold all around the world. Price $1.00 per bottle. (nov 12 3m
