Ayer's Cherry Pectoral

For Diseases of the Throat and Lungs such as Coughs, Colds, Whooping Cough, Bronchitis, Asthma, and Consumption:

Probably never before in the whole history of medicine, has any thing won so widely and so deeply upon the confidence of mankind, as this excellent remedy for pulmonary complaints. Through a long series of years, and among most of the races of men, it has risen higher and higher in their estimation, as it has become better known. Its uniform character and power to cure the various affections of the lungs and throat, have made it known as a reliable protector against them. While adapted to milder forms of disease and to young children, it is at the same time the most effectual remedy that can be given for incipient consumption, and the dangerous affection of the throat and lungs. As a provision against sudden attacks of Croup, it should be kept on hand in every family, and indeed as all are sometimes subject to colds and coughs, all should be provided with this antidote for them.

Although Pulmonary Consumption is thought incurable, still great numbers of cases where the disease is well settled, have been completely cured, and the patient restored to sound health by the Cherry Pectoral. So complete is its mastery over the disorders of the lungs and throat, that the most obstinate of them yield to it. When nothing else could reach them, under the Cherry Pectoral they subside and disappear.

Singers and public speakers find great protection from it.

Asthma is always relieved and often wholly cured by it.

Bronchitis is generally cured by taking the Cherry Pectoral in small and frequent doses.

So generally are its virtues known, that we need not publish the certificates of them here. We do more than assure the public that its qualities are fully maintained.

Ayer's Ague Cure,

For Fever and Ague, Intermittent Fever, Chill Fever, Remittent Fever, Dumb Ague, Periodical or Bilious Fever, &c., and indeed all the affections which arise from malarious, marsh, or miasmatic poisons.

As it comes implies, it does Cure, and does not fail. Containing neither Arsenic, Quinine, Mercury, Zinc, nor any other mineral or poisonous substance whatever, it in no wise injures any patient. The number and importance of its cures in the ague districts, are literally beyond account, and we believe without a parallel in the history of Ague medicine. Our pride is gratified by the acknowledgments we receive of the radical cures effected in obstinate cases, and where other remedies had wholly failed.

Unacclimated persons, either resident in, or traveling through miasmatic localities, will be protected by taking the AGUECURE daily.

For Liver Complaints, arising from torpidity of the liver, it is an excellent remedy, stimulating the liver into healthy activity.

For Bilious Disorders and Liver Complaints, it is an excellent remedy, producing many truly remarkable cures, when other medicine had failed.

Prepared by Dr. J. C. Ayer & Co., Practical and Analytical Chemists, Lowell, Mass., and sold all around the world. Price $1.00 per bottle. (nov 12 3m

Coughs, Sore Throat, Etc.,

No medicine, or treatment can excel the powerful curative power of

DR. SIMMS'

White Pulmonic Balsam:

It cures with a rapidity unequalled by any other remedy offered for Throat and Lung diseases. It is recommended by over 2,000 persons in Wilmington, and hundreds in Philadelphia, Baltimore and other cities and communities throughout the country. Mr. Pennington, of Wilmington, Illinois, writes that there is not (with a few exceptions) a family in that city who will be without it if possible to procure it. Such is its popularity wherever it is known—and this popularity arises from the fact that it universally cures all who use it. There is no case of COUGHS, COLDS, SORE THROAT, ASTHMA, BRONCHITIS, CROUP, BLOOD-SPITTING, HOARSENESS, and even PULMONARY CONSUMPTION, where the system is not broken down with the wear of the disease, or pretended medicine, or inexperienced advice, that this Balsam will not cure if carefully used, according to directions. We guarantee it all we represent it to be, and invite a trial from the afflicted everywhere. Price, 50 cents, medium size, and $1 for large size bottles. Prepared only by

Terrible Storm at SEA!

All Hands near Being Lost But Everything Turns up Right.

THE Steamer Highland Light, after a stormy night and a clear sky, and the wind blowing a gale, reached Annapolis harbor. But strange to say, though many were made awfully sick, not a soul was lost. All goods destined for Easton reached here safely about 11 o'clock next day, and created a terrible excitement on the "**Flats.**" Such a rushing of men, women and children, old and young, to the front doors, never was seen before.—Windows were thrown up, heads put out and a general inquiry made as to what had raised the excitement, when, lo and behold! it was cart loads, and wagon loads, and dray loads of Goods destined **Dav Griffith's Cheap Grocery Store**, where he would be happy to receive a call from the public generally. He challenges the Eastern Shore and is determined to win the "First Potion" among the cheap groceries, and can beat all the "Cheap John's" in St Michaels, Centreville, Denton and Cambridge

All articles kept in a No. 1 FAMILY GROCERY. LIQUORS of all kinds, by the gallon or bottle; FLOUR by the barrel or retail SUGAR, COFFEE, BACON, HAMS, LARD CHEESE, FISH &c

Manhood: HOW LOST, HOW RESTORED.

Just published a new edition of DR. CULVERWELL'S CELEBRATED ESSAY on the radical cure, (without medicine,) of Spermatorrhœa, or Seminal Weakness, Involuntary Seminal Losses, Impotency, Mental and Physical Incapacity, Impediments to Marriage, etc., also, Consumption, Epilepsy, and Fits, induced by self-indulgence or sexual extravagance.

The celebrated author in this admirable essay, clearly demonstrates from a thirty years' successful practice, that the alarming consequences of self-abuse may be radically cured without the dangerous use of internal medicine or the application of the knife; pointing out a mode of cure at once simple, certain and effectual, by means of which every sufferer, no matter what his condition may be, may cure himself cheaply, private ely and radically.

This Lecture should be in the hands every youth and every man in the land. Sent, under seal, in a plain envelope, to any address, postpaid, on receipt of 6 cents, or two post stamps.
