LOCALS.

WILMINGTON CONFERENCE OF THE M. E. CHURCH.—The third session of this ecclesiastical body will assemble at Dover, Del., on Wednesday, the 8th inst. Bishop Levi Scott is to preside. The Conference embraces the entire State of Delaware, the nine counties on the Eastern Shore of Maryland, and the two counties of the Eastern Shore of Virginia. There are within its bounds two hundred and eighty-nine charges; which are supplied by one hundred and fourteen traveling preachers, who are assisted by one hundred and twenty-eight local preachers. In the several appointments, the highest salary paid a pastor is $3,000, and the lowest is $2,00. There were expended in church building and improvements, last year, $41,831, and in parsonage building and improvements $8,735.72. The church property is valued at $1,314,250. Amount of money raised last year by the several appointments for the benevolent enterprises of the church was $16,216,85.

☞ On Wednesday of last week, the Schooner "Agnes Owens," Capt. Greenbury Marshall, was on her way to Miles River, and when off Annapolis, the Agnes and a pungy collided. The Agnes was loaded with 1000 bushels of lime and 1000 bushels of shells. In a short time the schooner went down. The crew escaped. Capt. Marshall knows the pungy and has entered suit for damages. It is supposed that the schooner can be raised and vessels have already been procured and gone from Baltimore to render assistance. The loss falls very heavily upon Capt. Marshall.

A LITTLE VARIATION.—In the way of a little change, friend Norris, of the "Brick," varied his supper hour to that of nine o'clock, on Wednesday. When supper was placed upon the table and the boarders and a few invited guests were ushered into the room, it was ascertained that the *variation* had also extended to the table, for in addition to the ordinary relish of cold fowl, ham, &c., the board was supplied with terrapin, prepared in excellent style. The *variation* caused all to have keen appetites and the merits of the table were discussed *most* eloquently.

FINE BEEF.—Mr J. H. S. Shannahan, has been butchering cattle this season never surpassed in this market, and he continues to supply the public with beef of superior quality. He has on hand a large quantity of corned beef, to the elegance of which we can testify, and those fond of this delicious food, can obtain it either at his stall Tuesdays, Thursdays and Saturdays, or at any other time, by seeing him. Mr. Shannahan has every convenience and his stall presents the neatest appearance of any butcher stall that ever was in Easton.

SOLD OUT.—Dr. R. D'Unger has sold the good will of the Cambridge *Democrat and Herald*, to J. H. Johnson, Esq., the proprietor of the *News*. We regret that the Doctor is going to leave the shore. His paper was always spicy and entertaining, and weekly endeavored to instill into the minds of the people thrift and enterprise, and though politically opposed to us, we always read it with a relish. We presume there is but one paper in Cambridge now (the News) as we have not seen the *Telegraph* for several weeks.

GRADUATED.—Among those who graduated with the honors of M. D., and received their Diplomas, at the sixty-fourth commencement of the Medical Department of the University of Maryland, on Thursday last, was Julius A. Johnson, Jr., son of J. A. Johnson, Esq., editor of the *Easton Journal*. The young Doctor has our best wishes. May he rise to the highest standard known in his profession, and be the means of alleviating much suffering.

"CLEAR AND HARMLESS AS WATER" —*Says Arthur Nattans.*—Arthur Nattans, of Washington, advertises through our columns, a preparation for the hair, manufactured by himself, which he claims to be free from all the objectionable ingredients other hair preparations possesses—such as *sugar of lead*, sulphur or nitrate *of silver* &c. It claims to give the hair its natural color and youthful appearance. Sold by Henry & Goldsborough, Easton.

☞ A bridge was burned on the Delaware road, on Tuesday of last week. It was a small trestle bridge across Hedgers' Mill pond, about 24 miles from Clayton.

SUDDEN DEATH.—Lewis Reynolds died suddenly at his residence in Newcastle Hundred last Friday morning. He had returned on Wednesday from a visit to his brother Thomas, who resides near Easton, Md., on Thursday, engaged in chopping wood, and appeared to be in his usual health, uttering no complaint further than that he was tired, having cut down a large tree. He was in his 63d year, and was one of the most active and respectable farmers of the Hundred.—*Del. Republican.*

BALTIMORE BOOT AND SHOE HOUSES —L. Weinberger, Esq., of Baltimore, gives a price list of some of the numerous varieties of boots and shoes kept in his extensive establishments, 103 W. Baltimore St., near Holliday, and corner of Eutaw and Saratoga Sts. Mr. Weinberger established in 1860, these mammoth stores, and has met with most encouraging success. Examine his list for yourselves.

COMMITTED.—On Wednesday night last, about 12 o'clock, a young colored man by the name of Lucas, was committed to jail for stealing a pistol and a pipe out of the *Journal* office—where he has been employed for some time past, to turn their power press.

DIED.

Clear & Harmless as Water

Nattans' Crystal Discovery for the Hair.

A perfectly clear preparation, in one bottle, easily applied as water for restoring to gray Hair its natural color and youthful appearance; to eradicate and prevent dandruff, to promote the growth of the hair and to stop its falling.

It is entirely harmless and perfectly free from any poisonous substenance, and will therefore, take the place of all the dirty and unpleasant preparations now in use. Numerous testimonials have been sent up from many of our most prominent citizens, some of which are subjoined; in everything in which the articles now in use are objectionable, *Crystal Discovery* is perfect; it is warranted to contain neither Sugar of Lead, Sulphur or Nitrate of Silver. Clear and clean as water, it does not soil the close or scalp; it is agreeably perfumed, and makes one of the best dressings for the hair in use, it restores the color of the hair *more perfectly and uniformly* than any other preparation, and always does so, in from three to ten days Virtually feeding the roots of the hair with all the refreshing qualities, necessary to its growth and healthy condition, it restores the decay, and induces a new growth of the hair more positively than anything else. The application of this wonderful discovery also produces a pleasant and cooling effect on the scalp, and gives the hair a pleasant and elegant appearance.

WASHINGTON, D.C., July 25th, 1870

MR. ARTHUR NATTANS—*Dear Sir:*—It affords me pleasure to say that I have used your Crystal Discovery with perfect success. Having tried many others, I find yours superior to any I have heretofore used and I cannot too highly recommend it as a rapid promoter of the growth of the hair, and by a few applications restoring it to its original color. It is perfectly clean and free from any objectionable matter.

Very respectfully, yours,
R. W. SILVOY,
K street, between 4th and 5th, N. W.

☞ We call especial attention to the fact that a limited number of trial bottles will be given away gratuitously to those wishing to try. You will notice that in pursuing this course, our aim is to convince by the actually merits of the article.

HELMBOLD'S COLUMN.

Henry T. Helmbold's

COMPOUND FLUID EXTRACT CATAWBA GRAPE PILLS.

Component Parts—Fluid Extract Rhubarb and Fluid Extract Catawba Grape Juice.

For Liver Complaints, Jaundice, Bilious Affections, Sick or Nervous Headache Costiveness, &c. Purely Vegetable, Containing no Mercury, Minerals or Deleterious Drugs.

These Pills are the most delightfully pleasant purgative, superseding castor oil, salts, magnesia, etc. There is nothing more acceptable to the stomach. They give tone, and cause neither nausea nor griping pains. They are composed of the *finest ingredients*. After a few days' use of them, such an invigoration of the entire system takes place as to appear miraculous to the weak and enervated whether arising from imprudence or disease. H. T. Helmbold's Compound Fluid Extract Catawba Grape Pills are not sugar-coated, from the fact that sugar-coated Pills do not dissolve, but pass through the stomach without dissolving, consequently do not produce the desired effect. The Catawba Grape Pills, being pleasant in taste and odor, do not necessitate their being sugar-coated. Price FIFTY CENTS per box.

HENRY T. HELMBOLD'S

For purifying the blood, removing all chronic constitution al diseases arising from an impure state of the blood. And the only reliable and effectual known remedy for the cure of pains and swelling of the bones, ulcerations of the throat and legs, blotches, pimples on the face, erysipelas and all scaly eruptions of the skin, and beautifying the complexion. Price $1.50 per bottle.

HENRY T. HELMBOLD'S
CONCENTRATED
FLUID EXTRACT BUCHU
THE GREAT DIURETIC,

has cured every case of Diabetes in which it has been given. Irritation of the Neck or the Bladder and Inflamation of the Kidneys, Ulceration of the Kidneys and Bladder, Retention of the Urine, Diseases of the Prostate Gland, Stone in the Bladder, Calculus, Gravel, Brick dust Deposite, and Mucous or Milky Discharges, and for Enfeebled and Delicate Constitutions of both Sexes, attended with the following symptoms—Indisposition to Exertion, Loss of Power, Loss of Memory Difficulty of Breathing, Weak Nerves, Trembling, Horror of Disease, Wakefulness, Dimness of Vision, Pain in the Back, Hot Hands, Flushing of the Body, Dryness of the Skin, Eruption on the face, Pallid Countenance, Universal Lassitude of the Muscular System, &c.

Used by persons from the ages of eighteen to twenty-five, and from thirty-five to fifty-five or in the decline or change of life; after confinement or labor pains; bed-wetting in children.

Helmbold's Extract Buchu is Diuretic and blood purifying, and cures all diseases arising from habits of dissipation, and excesses and imprudences in life, impurities of the blood, &c., superseding Copaiba in affections for which it is used, and syphilitic affections—in these diseases used in connection with Helmbold's Rose Wash.

LADIES.

In many affections peculiar to Ladies, the Extract Buchu is unequalled by any other remedy—as in Chlorosis or Retention Irregularity, Painfulness or Suppression of Customary Evacuations, Ulcerated or Schirrus state of the Uterus, Leucorrhoea or Whites, Sterility, and for all complaints incident to the sex, whether arising from indiscretion or habits of dissipation. It is prescribed extensively by the most eminent physicians and midwives for enfeebled and delicate constitutions, of both sexes and all ages (attended with any of the above diseases or symptoms.)

H. T. HELMBOLD'S EXTRACT BUCHU

Cures Diseases Arising from Imprudences, Habits or Dissipation, &c.,

in all their stages, at little expense, little or no change in diet, no inconvenience, and no exposure. It causes a frequent desire, and gives strength to Urinate, thereby removing Obstructions, Preventing and Curing Strictures of the Urethra, Allaying Pain and Inflamation, so frequent in this class of diseases, and expelling all poisonous matter.

Thousands who have been the victims of incompetent persons, and who have paid heavy fees to be cured in a short time, have found they have been deceived, and that the "Poison" has, by the use of "powerful astringents," been dried up in the system, to break out in a more aggravated form, and perhaps after Marriage.

Use Helmbold's Extract Buchu for all affections and Diseases of the Urinary Organs, whether existing in Male or Female, from whatever cause originating, and no matter of how long standing. Price $1.50 per Bottle.

H. T. Helmbold's Improved Rose Wash

cannot be surpassed as a Face Wash, and will be found the only specific remedy in every species of Cutaneous Affection. It speedily eradicates Pimples, Spots, Scorbutic Dryness Indurations of the Cutaneous Membrane, &c., dispels Redness and Incipient Inflamation, Rash, Moth Patches, Dryness of Scalp or Skin, Frost Bites, and all purposes for which Salves or Ointments are used; restores the skin to a state of purity and softness, and insures continued healthy action to the tissue of its vessels, on which depends the agreeable clearness and vivacity of complexion so much sought and admired. But however valuable as a remedy for existing defects of the skin, H. T. Helmbold's Rose Wash has long sustained its principle claim to unbounded patronage, by possessing qualities which render it a Toilet Appendage of the most Superlative and Congenial character, combining in an elegant formula those prominent requisits, Safety and Efficacy—the invariable accompaniments of its use—as a Preservative and Refresher of the Complexion. It is an excellent Lotion for diseases of a Syphilitic Nature, and as an injunction for diseases of the Urinary Organs, arising from habits of dissipation, used in connection with the Extracts Buchu, Sarsaparilla, and Catawba Grape Pills, in such diseases as recommended, cannot be surpassed. Price one dollar per Bottle.

Full and explicit directions accompany the medicines.

Evidence of the most responsible and reliable character furnished on application, such as hundreds of thousands of living witnesses, and upwards of 30,000 unsolicited certificates and recommendatory letters, many of which are from the highest sources, including eminent Physicians, Clergymen, Statesmen, &c. The proprietor has never resorted to their publication in the newspapers; he does not do this from the fact that his articles rank as Standard Preparations, and do not need to be propped up by certificates.

N. B. There are a good many persons who, when in need of MUSLINS, buy a whole piece, or generally wait until they or some of their friends visit the city, and purchas there, supposing that they can buy them for less. To all such persons we would say that we can sell them just as cheap, and save them the trouble and expense.

COVINGTON & MASON have a large stock of bleached and unbleached Muslins, which they are selling at very low prices. Call and see them. jan 28.
