'People Helpers' wanted

The Red Cross needs "people helpers."

Both men and women are needed for day and evening volunteer assignments, according to Mrs. John S. Williamson, Jr., chairman of Volunteers for the Baltimore Regional Red Cross.

"In many organizations volunteers serve as an auxiliary force and on the other hand," Mrs. Williamson said, "Red Cross is a volunteer organization. It's the volunteer that makes things happen."

Currently volunteer drivers are needed to assist indigent multiple sclerosis patients in physical therapy activities; to transport indigent patients to hospitals and clinics and to take volunteers to and from bloodmobile operations.

Red Cross volunteers are needed at Rosewood, Spring Grove and Baltimore City Hospitals and the local chapter's Blood program is seeking helpers to register blood donors and serve refreshments.

For a "people helper" assignment or additional information on Red Cross volunteer programs, call 467-9905.

THIS IS TRULY PORCELAIN FINE CHINA

according to its strictest definition. That means it's made of choice refined clays, fired three times at extremely high temperatures. Fine china you can readily identify by its thinness, its lovely translucence, its clear telling ring when you strike it. Completely non-porous, acid and chip resistant. This is the *same quality* porcelain fine china regularly sold in better stores.

WHY DO WE OFFER A VALUE LIKE THIS?

If you're our regular customer, we want to keep it that way.—If you're not, we want you to come in, and keep coming in, when you see what we mean when we say *value*.
