8 new offices Social Security

One year ago today, there were only three social security offices in the whole metropolitan Baltimore area, according to Marshall H. Barney, district manager of Social Security for Baltimore.

In fact, there were only three social security offices on June 30 of last year. After that things began to happen.

On July 1, 1968 the first of eight new, full-service offices opened.

This initial one opened at at the Mondawmin Shopping Center. Since then seven more have opened, the last one, on Eastern Avenue, on January 8, 1969.

The new offices are an expression of the philosophy of the Social Security Administration Mr. Barney said. The bringing of full service out closer to the citizens who need this service is a goal of Social Security.

Greater Baltimore now has eleven full-time, fully staffed social security offices. They are identified below, in a list that can be easily clipped and saved:

707 North Calvert St., 962-500.

1153 Mondawmin Concourse, 523-3400.

900 West North Ave., 523-8400.

2035 North Broadway, 276-6320.

1923 West Pratt St., 962-2647.

422 North Bond St., 962-3950.

6304 Eastern Avenue, 633-5300.

Towson, 200 East Joppa Rd., 825-5900.

Pikesville, 1515 Reisterstown Rd., 484-7766.

Glen Burnie, 95 Aquahart Road, 761-3350.

Catonsville, 715 Frederick Rd., 744-8733.

MR. AND MRS. SIDNEY PHIFER of Baltimore have announced the engagement of their daughter, Jacqueline, to Leonard Byrd, son of Mr. and Mrs. Albert Sommerville, Sr., of Akron, Ohio. A May wedding is planned.

THE ENGAGEMENT of Miss Melva Marie Greene and Robert Ellis has been announced by her mother, Mrs. Grafton Thomas Greene. The bride-elect is the daughter of the late Mr. Greene. Her fiance, son of Mr. and Mrs. Belton Henderson, is currently serving in the U.S. Army They are to be married in May.

Doctors Advise Hemorrhoid Patients To Try Non-surgical Help First

In most cases of simple, common piles conservative treatment usually recommended first

New York, N.Y.: In a severe case of hemorrhoids there's no cure except surgery and even surgery doesn't effect a permanent cure in every case. However, there are many conditions (such as simple, uncomplicated piles) where many doctors feel conservative treatment (such as sitz baths, and proper medication) should be tried first. And what more effective medication could one desire than this exclusive formula which doctors found in most cases – actually shrinks inflamed piles, promptly relieves pain and the burning itch.

Tests on hundreds of patients by doctors in New York City, Washington, D.C. and at a Midwest Medical Center proved this so.

The name of this doctor-tested medical treatment is *Preparation H®*. There's no other hemorrhoid treatment like it. Preparation H also helps check the discharge ('seepage') that causes itching, soothes inflamed tissues and coats the irritated area with protective medication to help guard against further irritation and infection. In addition, it lubricates and softens and makes bowel movements less painful.

Preparation H is so successful, it outsells all other hemorrhoid remedies combined. And no prescription is needed. In ointment or suppository form.

Putting you first, keeps us first.

Fashions for Spring by Alpha Wives

By ELOISE RICHARDSON

ANNAPOLIS — The world of fashion, which features the "limitless upward look" predominantly for today's woman, heralded its "come hither" atmospheric message to 400 women at the Statler-Hilton Inn, when the Alpha Wives presented Fashions from Hutzler's at their annual luncheon on Saturday.

The fashions emphasized the idea of becoming suddenly more feminine and closer to the body.

As the Spring message was softly decoded, the models paraded in romantic all-over prints and delicious color combinations.

The entire show was resplendent with lifted lines in waist-defining, deep cut pleats, wider hems and fitted styles for curve enhancement to match today's pace. Tunic jackets, part of several costumes shown, could pinch hit for the mini dress.

Other fashions displayed water colors and Persian prints, made up with draw string sashes, chiseled as coats, and the wrap around widely sashed. ED. Wide belts for feminine shapes, knockabout pockets, and the wide inverted pleat for non-stop walking were high points in the Spring fashions shown.

The pants and pajama costumes were madly chic for both late day wear and moonlighting.

Carrying out the pants theme further, pale blue evening pajamas which brought memories of the "thirties," would give cause for coveteuse to any epicure of fashions.

The bodice was designed of net over silk crepe, embroidered with chalk beads and flickering sapphire stones above voluminous-legged pants.

• • •

Dynamic creatures of the fashions shown were the coat-dress costumes, an influx for this Spring. They stood out in a spectrum of color and color combinations.

One such costume was made of daisy yellow tweed. It looked as fresh as Spring itself.

The coat, made of a boucle knit imported from Scotland, fashioned along blouson lines, was enhanced by a leather belt inserted at the waist like a draw string. It sheltered a sheer wool dress with a deep yoke on the bias, which fell into a small cowl. The smart safari hat was worn with a yellow chiffon scarf.

An evening gown shown in white silk and wool was a beautiful slide from the neckline to the hem, interrupted only by a magnificent band, heavily encrusted with emerald stones and rhinestones at the Empire waist.

• • •

Music for the occasion was furnished by Thomas Arthur and his combo. The door prize, an all-expense trip to New York, was awarded to Mrs. Thomas R. Baden Jr. of Carrollton Ave.

The Alpha Wives, a subsidiary of Alpha Phi Alpha Fraternity, includes in its membership, Mesdames Aris T. Allen, Rufus S. Abernethy, James Ballard, George Diggs, Preston Gazaway, Charles Gibbs, Samuel Callahan, Jerry Luck, Harold Spruill, Carlton Green, Thomas Hunt, Walter Balsingame, Robert Brooks, John Stubbs, Lawrence Knight, Robert Haygood, William DeCosta and George McKenzie Phillips.
