VALUABLE LAND IN ALLEGANY COUNTY, FOR SALE.
A TRACT OF LAND called TREASURE TROVE, containing about SIX THOUSAND ACRES, originally granted to John W. Peart, on the 31 day of March, 1801, and resurveyed for the Hon. Thomas G. Pratt about the year 1846. It is situated about 18 miles east of Cumberland, on the great Cumberland Road which traverses the property. Wheat, Oats and Indian Corn grow admirably in this region. It is also admirably suited to Sheep raising. There are several Farms opened and cleared upon the land and now under rent. The tract, however, is principally wooded with large Oak and Pine timber, which can easily be transported over a road gently sloping to the Chesapeake and Ohio Canal and the Baltimore and Ohio Railroad, which run within 3 miles of the southern boundary of the tract.
In the centre of the tract are several remarkably fine Sulphur and Iron SPRINGS of different strengths, issuing with another Sulphur Spring in the same vicinity, have for years been known and resorted to first by the Indians and afterwards by the Pioneers for their Physician qualities. A few miles off across the mountain is a very fine Chalybeate SPRING, which is well known in the neighborhood and is remarkably adapted to the cure of all cutaneous diseases.
The whole is offered for sale at very low rates and on terms to suit purchasers. Apply to
