When Mary Pitts and her daughter, Mitra, finally sink into plane seats and fly off to Paris to join their husband and Dad, Dr. Nathan Pitts, soon, it will probably be the first several hours of solid rest they will have had in a month of Sundays. They expect to be in France around two years while Dr. Pitts fills a government assignment. Friends have been filling the time left here with bon voyage parties for the two.

The Baltimore Chapter of Links had a luncheon for Mrs. Pitts and Miss Pitts at Brice's Hilltop Inn, Saturday, and invited Mitra to invite a trio of friends. The latter were Sheryl Green, Shirley Carroll and Ivy Gates. All of Mary's colinks, except one, attended.

Sheryl Green had a bowling and theatre party for Mitra.

On Sunday afternoon, Saretha Green and Edith H. Henry gave a cocktail party for Mrs. Pitts at the Hilton Road home of Mrs. Henry and invited a half hundred of Mary's friends to greet and gift her . . . which they did . . . bringing beautiful cards inserted with bills . . . so that she can do her own gift buying when she reaches Paris.

Another nine, unavoidably kept away, but who participated in the greeting and gifting, included Doreva Stanley, Robbie Chissell, Edna Barksdale, Anne Wayne, Beatrice Butler, Josephine Kimbers, Mary H. Henry, Bernice Jackson and Freda Byron.

Mrs. Pitts was delightful to look at in a black and blue dou le knit frock banded at the hem with a wide swirl of ranch mink.

And, as for those charming hostesses . . . Edith chose a white brocaded jump to catch all eyes; and Saretha moved among the guests in an off white cocktail suit.

Doctors' Tests Show How You Can Actually Help Shrink Swelling of Hemorrhoidal Tissues
'...Due to Inflammation and Infection. Also Get Prompt, Temporary Relief in Many Cases from Rectal Itching and Pain in Such Tissues.
When inflammation, infection and swelling exist in hemorrhoidal tissues—it can be very painful for the sufferer. But there's an exclusive formulation which in many cases gives hours of relief from the burning itch and pain in hemorrhoidal tissues. It also helps shrink the swelling of such tissues. Sufferers are delighted at the way it acts so gently and is so soothing to sensitive tissues.
Tests by doctors on hundreds of patients reported similar successful results in many cases. And it was all done without the use of narcotics, anesthetics or stinging, smarting astringents of any kind.
You can obtain this same medication used in these tests at any drug counter. Its name is Preparation H®. Preparation H also lubricates to protect the inflamed, irritated surface area to help make bowel movements more comfortable. Be sure and try Preparation H. in ointment or suppository form.
