Pantry Pride HOT LINE QUESTIONS TO Marilyn

WRITE: HOT LINE 3325 Duncanwood Lane Balto., Md. 21213

Dear Marilyn:
How do you cook smoked picnic ham ?
Mrs. J. Campbell, N. Camden, N.J.

Dear, Mrs. Campbell:
Cook the ham until it is hot. About 15-20 minutes per pound in a 325 degree oven. One-half hour before ham is thoroughly heated, brush with your favorite glaze.
There's a tasty treat that's a real picinic!
Marilyn

Dear Marilyn:
Is there an easy way to get the coconut shell off of a fresh coconut?
Mrs. Ollie Caulk, St. Michaels, Md.

Dear Ollie:
The monkeys really understand coconuts. They pick one and drop it to the ground and open it with a minimum of effort. Instead of monkeying around, pierce soft spot at top and drain milk. Tap shell until it cracks.
Marilyn

Dear Marilyn:
Can chuck roast be cooked on top of the stove and also in the oven? What roasts can be cooked in the oven?
Can It, Pitman, N.J.

Dear Can It:
The basic beef pot roast recipe tells you to brown a 3 to 5 pound roast, which has been floured well on all sides in 2 tbsp. hot oil. Add salt, pepper and 1 cup boiling water, tomato sauce or juice, or canned gravy. Cover tightly.
On top of stove it would reqire about 3 hours at simmer. In the oven bake at 375° from 1½ to 2½ hours or until the meat is tender.
Most roasts, except rib, newport, top sirloin, eye round to name a few, would be prepared as mentioned above.
By the way, does Can It mean you are a real old fashioned homemaker with pickle jars and all?
Marilyn

Pantry Pride HOT LINE

Dear Marilyn:
I would love to try Frog Legs but don't know how to prepare them.
Mr. S. Cooper, Phila., Pa.

Dear Mr. Cooper:
For 4 servings, clean 8 large frog legs then roll them in seasoned flour. Melt 6 tbl. butter or bacon drippings in a skillet. Saute ¼ cup chopped onions. Brown the frog legs in butter and add ¾ cup bouillion. Cover the skillet closely and cook until tender . . . for ten minutes.
Saute 1½ cups seasoned bread crumbs in 6 tbl. butter. Add 1 tsp. lemon juice. Roll the frog legs in the bread crumbs and serve garnished with parsley.
Hop to it and enjoy those frog legs!
Marilyn

Dear Hot Line:
Perhaps you could help. I am looking for a good recipe for those Italian waffle type cookies called "Pizzelle" which are baked in a special type of waffle iron. Also can these cookies be made without the use of this special waffle iron?
Rev. John Basinski, SS Peter & Paul Church, St. Clair, Pa.

Dear Reverend:
I'm going to turn this one over to our readers. Can anyone help? Let's pray that they can, because I am stuck.
Marilyn

Dear Marilyn:
What's new . . . in salad dressings that is? They all get so boring after a while.
Gert Ehrlichman, Baltimore, Md.

Dear Gert:
Here's a cool one for iceburg lettuce. Use sour cream mixed with diced cucumber and thinly sliced radishes. Spoon the dressing over the lettuce and top with finely sliced scallions.
Marilyn

I get letters:
Bette Boehmer of Philadelphia suggests skinning and de-boning chicken breasts. Pour: a mixture of 1 bottle Russian or 1000 Island dressing; 1 envelope onion soup mix and 1 jar apricot preserve over chicken parts which have been placed in a baking pan. Bake for about 1 hour. P. S. Marinated shrimp must always be pre-cooked.
Thank you Bette. Keep your new ideas coming.
