INVALUABLE

CONSUMPTION AND BLEEDING OF THE LUNGS CURED. Mr. Wm. Sheppard, residing in Beaver county, Pa. near the state line, relates as follows: "In the month of May last my wife was taken with Bleeding from the Lungs, coughing, night sweats, hectic fever, &c. She had taken a violent cold; having previously given symptoms of the approach of Consumption, I felt much alarmed and made immediate application to a physician. Under his treatment she became worse, instead of better, until the first of June, when I heard from an intelligent man of DR. SWAYNE'S SYRUP OF WILD CHERRY, and from his earnestness in recommending it I was induced to try one bottle. The effect exceeded my utmost expectations—she felt immediate relief. I then mounted my horse and rode to the office, No. 41 St. Clair street, Pittsburg, where it is kept for sale, and procured six bottles more, which I am happy to say has effected a perfect cure. Please publish this certificate, with my name in full, that others may know where to find the greatest blessing on earth.
