STATE COMPTROLLER'S OFFICE
ANNAPOLIS, MARYLAND.

November 25th, 1938.

TO ALL CLERKS OF THE CIRCUIT COURTS
OF THE STATE OF MARYLAND.

In order that there will be some uniformity in the forms used by Clerks of Court in receiving applications for Marriage Licenses, I am taking the liberty of enclosing two copies of a form used by the Office of the Clerk of the Circuit Court of Anne Arundel County, which I think will take care of the obligation imposed on your office by Chapter 91 of the Acts of 1937 in requiring applications for Marriage Licenses to be filed with you and the withholding of the issuance of the licenses until forty-eight hours after the time of filing of application.

We believe it desirable to issue a receipt for the payment of the $1.00 fee to be received by you at the time of the filing of application. This receipt will also act as an identification in the obtaining of the license by one of the contracting parties after the forty-eight hours have elapsed. We believe it desirable to show on the receipt form the hours of the day during which your office is open, so that in returning for the license the holder of the receipt will be sure to call for the license during business hours.

The application forms should be numbered consecutively, beginning with number 1, and the number on the receipt should correspond with the number on the application. The number on the license when issued will, of course, be different from the number on the application.

The law becomes effective thirty days after the last Election, and it is our opinion that the thirty days do not expire until midnight of December 8th, so that you will not start issuing licenses under the new system until December 9th.

It will be necessary for you to have printed locally your supply of application forms and receipts.

Very truly yours,

Wm. S. Cordy, Jr.,
State Comptroller.

WSC/E

STATE COMPTROLLER'S OFFICE
ANNAPOLIS, MARYLAND.

December 27th, 1938.

TO ALL CLERKS OF COURT
OF THE STATE OF MARYLAND-

Gentlemen:-

I am enclosing, herewith, for your information a copy of letter recently addressed to one of the Clerks in answer to questions raised by him in connection with the issuance of Marriage Licenses under the provisions of Chapter 91 of the Acts of 1937. I believe you will be interested in this information.

"The Attorney General's Office has forwarded me a copy of your letter of December 10th, asking for certain information in connection with administration of the Marriage License Law.

It is our opinion that a license may be delivered to the other contracting party, who has not made the application, after the expiration of forty-eight hours, as required under the law, but I would insist upon the receipt issued to the applicant being returned at the time of delivery of the license to the other contracting party.

I believe it permissible to deliver the license to a person other than the applicant or the other contracting party after the expiration of the forty-eight hours if the receipt issued at the time the application was made is presented by the person requesting the license.

I believe it permissible to mail the license to the contracting party after the expiration of the forty-eight hour period, but in this case I believe the applicant should be willing to leave with you at the time of making the application the receipt which would entitle him to receive the license upon calling for it after forty-eight hours from the time of making the application."

Very truly yours,

Wm. S. Gordy, Jr.,
State Comptroller.
