INDIVIDUALS REQUIRING *THE BEST INCORRUPTIBLE*

WOULD DO WELL to call on Dr. WILCOCK, No. 39 FAYETTE STREET, near the Post Office, and examine his ingenious, unparalleled, and successful manner of inserting ARTIFICIAL TEETH, which is acknowledged by all who have tested the work as surpassing every thing of the kind they have ever seen. He has in process of manufacture many thousands of improved Mineral Incorruptible Teeth, and can confidently assert that they are superior to any made in this city, whether for strength, durability, or their extremely natural appearance. These Teeth FOREVER retain their color and purity in the mouth, are fixed without pain or the injurious effects of wires or ligatures, thereby greatly improving mastication, utterance, and the general health. Be it also remembered, that Dr. W. proportions his charges to the circumstances of his patients, and when the excellence of his mechanism is taken into consideration, it will be seen that the public study their own interests when employing him in his professional capacity. The Plugging of decayed teeth, when PURE GOLD is used, will insure to the patient their preservation to the latest period of human existence. The various operations pertaining to dentistry will meet with the proper treatment each case may require.

1. Artificial Teeth opt of repair, restored equal in durability to their former state at a very trifling charge.
2. By the skilful use of very improved instruments, assurance is given of the instantaneous and safe removal of any tooth or fang (however decayed) without injuring the jaw or leaving behind any portion of the roots.
3. In all cases where gold is required, none other than 20 carrat is ever used. Bear this in mind, as CHEAP WORK is often thrown out as a bait, and inferior materials used; sometimes even SILVER is recommended, a metal totally unfit for permanent usefin the mouth.
4. Platina or Gold Plates fixed in the mouth, so as to completely restore defective utterance.
5. Those individuals who cannot afford to pay the fee of 50 cents for extraction, can have this important operation performed any morning WITHOUT CHARGE, by calling between the hours of 8 and 9 A. M.

Individuals requiring the assistance of a Dentist, may avail themselves of Dr. W's services at any hour of the day throughout the year, to suit their own convenience.

INVALUABLE

CONSUMPTION AND BLEEDING OF THE LUNGS CURED. Mr. Wm. Sheppard, residing in Beaver county, Pa. near the state line, relates as follows: "In the month of May last my wife was taken with Bleeding from the Lungs, coughing, night sweats, hectic fever, &c. She had taken a violent cold; having previously given symptoms of the approach of Consumption, I felt much alarmed and made immediate application to a physician. Under his treatment she became worse, instead of better, until the first of June, when I heard from an intelligent man of DR. SWAYNE'S SYRUP OF WILD CHERRY, and from his earnestness in recommending it I was induced to try one bottle. The effect exceeded my utmost expectations—she felt immediate relief. I then mounted my horse and rode to the office, No. 41 St. Clair street, Pittsburg, where it is kept for sale, and procured six bottles more, which I am happy to say has effected a perfect cure. Please publish this certificate, with my name in full, that others may know where to find the greatest blessing on earth.
