BALTIMORE CITY COURT.

SATURDAY, JUNE 19, 1841.

Present—Judges Brice, Nisbet and Worthington.

State vs. Charles Russell, charged with assaulting and beating Wm. Myers, and William Myers charged with assaulting Charles Russell. The parties here were both colored; and the assault complained of seemed to be as much on one side as the other. Both were sentenced to one day's imprisonment.

State vs. Julia Proud, colored, charged with assaulting Elecina Hutchins. Fined one dollar and costs.

State vs. Ann Eagleston, indicted for assualting and beating Louisa Jane Wilson. Fined $5 00 and costs.

State vs. Mary Toodle, indicted for an assault upon Bridget Glen. The evidence in this case, went to prove, that if the complainant had kept her hands still, it was more than she had kept her tongue, which some consider when used by a woman, the most effective of the two. The court fined the traverser 25 cents and costs.

State vs. Mary Jackson, charged with assaulting Mary Ellen Wills. Fined one dollar and costs.

State vs. D. E. Myers. In this case the traverser, a police officer, was charged with an assault upon Thomas Chartres, an elderly man, and the evidence for the prosecution went to shew that Myers had entered the house of complainant, and forced him therefrom, dragging him several yards upon his back along the street, on his way to the Police office. On the part of the defendant it was shewn, in evidence, that some of the neighbors had complained of the house of Chartres as very noisy; and that at the time when the officer undertook to arrest him a considerable noise was going on in the house, leading him to believe that Chartres and his wife were fighting. Mrs. C. however, in her testimony denied this, and exonerated her husband from the charge of ever having laid his hand upon her, save in the way of kindness. The decision of the court was postponed until Monday.

State vs. Mary Jane Fields, charged with assaulting Sarah Ann Hill; fined one dollar and costs.

State vs. John Linton, charged with assaulting and beating two colored men. Upon the hearing of the evidence, the court fined the traverser in the one case $10 and costs, and in the other $5 and costs.

State, vs. Thomas Walker, alias Thomas Scott, and George Wilson, alias —— Dugan.—Indicted for felony in stealing bank bills and promissory notes, to the value of about sixty-five thousand dollars, the property of Messrs. Marriott & Hardesty, were next placed in the bar. The plea of *not guilty* was put in by both parties; and their counsel stated to the court his determination to ask for a removal of one certainly, probably of both cases. He further stated that he would be prepared to argue the question of removal, in the early part of the coming week.

BALTIMORE COUNTY COURT.

SATURDAY, JUNE 19, 1841.

Keavins, vs. Baltimore and Philadelphia Rail Road.—In this case the jury, after having remained out from the time the court adjourned until this morning at about 11 o'clock, they returned into court and informed their honors that it was impossible for them to agree. They were then discharged. It is understood that they were about equally divided.

☞ The Frederick Herald notices the arrest of a man upon whom was found a large amount of counterfeit or insolvent bank notes; but on examination, he proved to be a poor insane man, whose passion it has been for years to gather all worthless notes, which he hoards with all the care of a miser. This man is the only one that has been arrested, and he has been discharged.

☞ A prisoner in the city jail of Brooklyn, when at work blasting a rock during a thunder storm was struck by lightning, the fluid having been attracted by the steel which he held in his hand at the time. His hand was injured, which was the only damage he sustained.

☞ The property, formerly owned by Colonel Perkins, of Boston, and by him given to the Asylum for the Blind, was sold at auction a day or two ago, for $45,600.

COSTLY. The St. Peter's church at Rome cost $60,000,000.

The mail brought by the Columbia contained fully 10,000 letters.

SEIZURE. The Dutch Galliott Ansell has been seized, at Boston, for the violation of the revenue laws.

[From Captain PARRISH, who commenced to use them when diseased in August, 1839.]

PHILADELPHIA, June 2, 1840.

☞ To Dr. DAVIES: Dear Sir—I have had experience in the virtue of your Pills, sufficient to recommend them as a superior cathartic and excellent carminative, and also as a family medicine that every one should be in possession of. There is no doubt that if persons and families generally were acquainted with their efficacy, they might save many a dollar now paid for doctor's bills. Yours respectfully,

E. PARRISH.

HARPER'S FERRY, August 11, 1840.

DR. WM. DAVIES: Dear Sir—I am happy to inform you and the public, that I have been cured of that dreadful disease the Rheumatism, by taking your Family Pills. Yours, respectfully, JOHN DYE.

MOFFAT'S LIFE PILLS

AND VEGETABLE BITTERS.

THE perfectly safe, unerring and successful treatment of almost every species of disease by the use of MOFFAT'S LIFE MEDICINES, is no longer a matter of doubt, as a reference to the experience of many thousand patients will satisfactorily prove. During the present month alone, nearly one hundred cases have come to the knowledge of Mr. Moffat, where the patient has, to all appearance, effected a permanent cure by the exclusive and judicious use of the Life Medicines—some eight or ten of these had been considered beyond all hope by their medical attendants.—Such happy results are a source of great pleasure to Mr. M. and inspire him with new confidence to recommend the use of his medicines to his fellow citizens.

The Life Medicines are a purely VEGETABLE preparation. They are mild and pleasant in their operation, and at the same time thorough—acting rapidly upon the secretions of the system—carrying off all acrimonious humors, and assimilating with and purifying the blood. For this reason, in aggravated cases of dyspepsia, the Life Medicines will give relief in a shorter space of time than any other prescription; in Fever-and-ague, Inflammation, Fevers of every description, Sick headache, heartburn, dizziness in the head, pains in the chest, flatulency, impaired appetite, in every disease arising from an impurity of the blood, or a disordered state of the stomach, the use of these medicines has always proved to be beyond doubt greatly superior to any other mode of treatment.

All that Mr. Moffat asks of his patients is to be particular in taking them strictly according to the directions. It is not by a newspaper notice, or by any thing that he himself may say in their favor, that he hopes to gain credit, it is alone by the results of a fair trial. Is the reader an invalid, and does he wish to know whether the life medicines will suit his own case? If so let him call or send to Mr. Moffat's agent in this place, and procure a copy of the Medical Manual, designed as a domestic guide to health, published gratuitously. He will here find enumerated very many extraordinary cases of cure; and perhaps some exactly similar to his own. Moffat's medical office in New York, 175 Broadway, and for sale by the Agents. JAS. WEBB'S PATENT BURNERS,

FOR SALE AT No. 109 E. BALTIMORE STREET, between South and Calvert streets, where Burners of every description can be obtained. Those who are *sceptical* as to its *safety* or *economy*, would, I trust be perfectly satisfied by examining the opinion of Professor LOCK, of Ohio, on "WEBB'S CAMPHINE," or by referring to the Journals of the Franklin and American Institutes, of Philadelphia and New York. All those desirous of obtaining a clean, brilliant, and economical light, will find it greatly to their advantage by calling on the subscriber. The public may be assured of one fact, that we require no meters to ascertain the amount of Camphine consumed, as they register correctly and in plain English.

N. B. We have appointed JOSHUA ATKINSON Agent, No. 22 Market street, F. P., where all orders will meet with immediate attention.

P. AUGUSTUS BAILEY, Agent

For the Proprietors.

The following letter to the Agent, exhibits the superiority of the Camphine over Gas or Oil light, in brilliancy and cheapness:

New York, March 23, 1840.

DEAR SIR—I received yours of the 19th instant, and proceed, as you request, to inform you that WEBB'S PATENT LAMP, in my opinion, is much superior to any Lamp now in use—the Camphine produces better light than Gas or Oil. I have burned Oil for five years, Gas for eleven, and Webb's Camphine for 20 months. I have a better light in my bar-room with five of Webb's burners than I had in the same room with eleven gas lights. In fact, I light my whole house at less expense with the Camphine than it cost me to light my bar-room alone with gas. I recommend it as being the cheapest and best light now in use.

Yours respectfully, THOMAS RILEY,

"NO CURE NO PAY."

DR. HUNTER'S RED DROP. This long established and highly valuable medicine is now no novelty. It has been before the public for a long time, and by its merits alone, has it risen to a degree of estimation not enjoyed by any other medicine, for the certain cure of the Syphilitic disease. Prompt and effectual in action, yet harmless to the constitution, is its well established character, having never failed to give entire satisfaction in all the many thousand cases, where it has been used as directed.—These absolute and undeniable facts speak trumpet-tongued to the afflicted, and are the basis of a well founded hope of the philanthropist, that this unequalled medicine may circulate far and wide for the benefit of the human race.

This medicine gives the prodigal a chance to repent. Thousands have been saved and radically cured, after suffering under the hands of impostors, by this medicine, and who with grateful hearts are ready to attest to its value, and have allowed themselves to be referred to.

Persons residing at any distance, can have medicine sent to them, packed secure from observation.

It was out of pure motives of philanthropy, that this medicine was first made public; the price always to remain $1 per Bottle, to be within the reach of the most unfortunate.

☞ Letters addressed, (post paid) describing the case, mode of living, &c. will be promptly attended to. Direct No. 17 Harrison street.

DAILY TO THE SOUTH, Sunday's excepted.

Via the Chesapeake Bay and Portsmouth and Roanoke Rail Road,

THE BALTIMORE STEAM-PACKET CO. announce to the public that in accordance with the New Mail Arrangement, the Boats composing their line, viz: ALABAMA, Captain Sutton; GEORGIA, Captain Coffey; and JEWESS, Captain Holmes, will, on and after WEDNESDAY, the 26th of May, leave the lower end of Spear's wharf daily, (Sunday's excepted,) at nine o'clock, A. M. for Norfolk and Portsmouth, Va.

Passengers for Charleston will find the cars of the Portsmouth and Roanoke Rail Road Company, on the wharf, on their arrival at Portsmouth, ready to convey them to Weldon, N. C., where they will always arrive in time to take the cars for Wilmington, from which point to Charleston is by the Steamboat, which leaves Wilmington immediately after the Passengers are delivered from the cars.

Passengers for Richmond, Petersburg, or intermediate points on James River, by leaving Baltimore on Monday, Wednesday, or Friday, will sleep on board the Bay Boat and be transferred to the James River Boat next morning.

The Steamboat Fox leaves the Black Water station on the Portsmouth and Roanoke Rail Road, every Monday, Wednesday, and Friday, on the arrival of the cars from Portsmouth, for Edenton and Plymouth, N. C., and returns every Tuesday, Thursday, and Saturday, delivering her passengers to the cars as they pass down from Weldon, enabling them to arrive in Baltimore next day, (Sundays excepted.)

RETURNING, one of the above Boats will leave Norfolk every night (Saturday being excepted) at 10 o'clock, and cross over to Portsmouth where she will wait the arrival of the Cars from Weldon, and depart for Baltimore as soon as the passengers and baggage are on board, arriving here in about 14 hours after departing from Portsmouth.

Should the Boat get an early start from Portsmouth, Passengers for Philadelphia and New York will have the opportunity of being placed on board the Philadelphia Steamboat in the Patapsco River, and will arrive in Philadelphia the same night by 11 o'clock, after having travelled 300 miles in 20 hours, without as much fatigue as would be incurred in walking from the Hotel to the wharf.

☞ No freight will be forwarded on the day it is left, unless it is alongside, prior to 9 o'clock, A. M.
