SUGGESTED ON SEEING A BEAUTIFUL ROSE BURSTING FROM THE BUD.

When I beheld this fairest flower
That bloom'd in Eden's balmy bower;
Yes, when I saw the beauteous rose
By Flora call'd from calm repose,
Just rising from the op'ning gem,
Bearing her golden diadem,
And spreading to the rising morn
Her glories which our earth adorn.
It brought to mind that awful day,
High Heaven's great and grand display,
When the arch-angel's thunder-call
Shall on the ear of beauty fall,
She, rising from the op'ning tomb,
And smiling in ne'er-fading bloom,
O'ercome the monster and the grave,
Triumphant her wide pinions wave;
By angels led thro' trackless air
To spread her radiant glories there
In Heaven's blissful bowers, where she
Shall bloom in immortality. ATKINSON.

FREDERICK COUNTY BANK. The Frederick Examiner of this morning will probably contain the particulars in regard to the recovery of a portion of the funds of the Frederick County Bank, and the negotiation by which they were obtained. We can hardly believe it possible that the terms were such as have been stated, for it was certainly a losing bargain for the Bank. If, however, the money was obtained through Wiley, and he demanded and received a compensation from the Bank for protecting the thief, then, if it be practicable, the advice given in the following communication should be promptly adopted. If there be power in the law, Wiley should be punished; if there be not, banks and individuals hold their property by a slight tenure.

We shall pause until we hear from Frederick, when we may possibly have more to say on the subject of the robbery, &c.

Frederick County Bank. Messrs. Editors:—Among the many instances of utter abandonment of character with which the press has teemed of late years, I venture to say none can be named to compare with the unblushing villany of the New York attorney, with whom the officers of the Frederick County Bank have had the weakness to compound the daring felony on that Institution. If the version of that transaction given in the public journals be true, the Grand Jury of Frederick County should at once present the attorney either as a principal, or as a receiver of property known to have been feloniously abstracted from the Bank, and the Executive of Maryland should demand him from the Governor of New York, to be tried in Frederick County for the offence. There is no law, surely, in any civilized country, which would screen such a creature from merited punishment. R.

BALTIMORE MARKET, JUNE 29.

FLOUR.—There is a further advance in flour since our last quotations. Sales of Howard-st. have been made at $5.50 for good common brands, and holders, we learn, are asking $5.62½ a $5.75. We quote the receipt price at $5.37½. City Mills $5.75. Susquehanna was selling at the last advices for $5.75.

GRAIN.—There is an improvement in wheats. We quote Penn'a. mixed, at 126 cents. Md. white 125 cents.; red do. 115a120 cents. Md. white corn 84 cents; do. yellow 61a63 cents. Md. Oats 42a43 cents; do. Va. at 36a37c.

PROVISIONS.—Transactions in this commodity have been confined to small parcels. We quote prime western assorted Bacon at 5¼a6 cents.—Hams 6a8 cents; sides 5 3-4a6 cents; shoulders 4a5 cents. We note some sales of assorted prime quality at 6 cents. The receipts continue abundant, though the demand is limited. We have not been apprized of any transactions in Balt. bacon. We have no alteration to make in barrel meats. Baltimore Mess Beef is held at $12,50; No. 1. at $9, and Prime at $8, nominal. The last sale of Mess Pork was at $12, cash.—The stock of Mess and Prime is heavy with no demand. Some holders of No. 1. Western Lard are less firm and the article is now held at 7½ to 8 cents. Stock moderate.

CATTLE.—The demand for live cattle is rather inactive. We quote at $6a$7,75 per hundred lbs. as to quality, from inferior to prime. Live Hogs are in abundance, and are found to be dull sale at $4 to $4,25 per 100 lbs.

WHISKEY.—We quote Whiskey in hhds. 22 cents; and in bbls. 23 cents. The wagon price per barrels is 20c., exclusive of the barrel.

DRUNK AGAIN. Joseph Frazier, whom we published a day or two since, as having been fined and drunk in the street, was taken to the Eastern District watch house, on Monday night, for the same offence.

MOFFAT'S LIFE PILLS
AND VEGETABLE BITTERS.

THE perfectly safe, unerring and successful treatment of almost every species of disease by the use of MOFFAT'S LIFE MEDICINES, is no longer a matter of doubt, as a reference to the experience of many thousand patients will satisfactorily prove. During the present month alone, nearly one hundred cases have come to the knowledge of Mr. Moffat, where the patient has, to all appearance, effected a permanent cure by the exclusive and judicious use of the Life Medicines—some eight or ten of these had been considered beyond all hope by their medical attendants.—Such happy results are a source of great pleasure to Mr. M. and inspire him with new confidence to recommend the use of his medicines to his fellow citizens.

The Life Medicines are a purely VEGETABLE preparation. They are mild and pleasant in their operation, and at the same time thorough—acting rapidly upon the secretions of the system—carrying off all acrimonious humors, and assimilating with and purifying the blood. For this reason, in aggravated cases of dyspepsia, the Life Medicines will give relief in a shorter space of time than any other prescription; in Fever-and-ague, Inflammation, Fevers of every description, Sick headache, heartburn, dizziness in the head, pains in the chest, flatulency, impaired appetite, in every disease arising from an impurity of the blood, or a disordered state of the stomach, the use of these medicines has always proved to be beyond doubt greatly superior to any other mode of treatment.

All that Mr. Moffat asks of his patients is to be particular in taking them strictly according to the directions. It is not by a newspaper notice, or by any thing that he himself may say in their favor, that he hopes to gain credit, it is alone by the results of a fair trial. Is the reader an invalid, and does he wish to know whether the life medicines will suit his own case? If so let him call or send to Mr. Moffat's agent in this place, and procure a copy of the Medical Manual, designed as a domestic guide to health, published gratuitously. He will here find enumerated very many extraordinary cases of cure; and perhaps some exactly similar to his own. Moffat's medical office in New York, 375 Broadway, and for sale by the Agents. JAS. WEBB'S PATENT BURNERS,
AND CAMPHINE OIL.

FOR SALE AT No. 109 E. BALTIMORE STREET, between South and Calvert streets, where Burners of every description can be obtained. Those who are *sceptical* as to its *safety* or *economy*, would, I trust be perfectly satisfied by examining the opinion of Professor LOCK, of Ohio, on "WEBB'S CAMPHINE," or by referring to the Journals of the Franklin and American Institutes, of Philadelphia and New York. All those desirous of obtaining a clean, brilliant, and economical light, will find it greatly to their advantage by calling on the subscriber. The public may be assured of one fact, that we require no meters to ascertain the amount of Camphine consumed, as they register correctly and in plain English.

For the Proprietors.

The following letter to the Agent, exhibits the superiority of the Camphine over Gas or Oil light, in brilliancy and cheapness:

New York, March 23, 1840.

DEAR SIR—I received yours of the 19th instant, and proceed, as you request, to inform you that WEBB'S PATENT LAMP, in my opinion, is much superior to any Lamp now in use—the Camphine produces better light than Gas or Oil. I have burned Oil for five years, Gas for eleven, and Webb's Camphine for 20 months. I have a better light in my bar-room with five of Webb's burners than I had in the same room with eleven gas lights. In fact, I light my whole house at less expense with the Camphine than it cost me to light my bar-room alone with gas. I recommend it as being the cheapest and best light now in use.
Yours respectfully, THOMAS RILEY,

BALTIMORE LOCK DISPENSARY,

"NO CURE NO PAY."

DR. HUNTER'S RED DROP. This long established and highly valuable medicine is now no novelty. It has been before the public for a long time, and by its merits alone, has it risen to a degree of estimation not enjoyed by any other medicine, for the certain cure of the Syphilitic disease. Prompt and effectual in action, yet harmless to the constitution, is its well established character, having never failed to give entire satisfaction in all the many thousand cases, where it has been used as directed.—These absolute and undeniable facts speak trumpet-tongued to the afflicted, and are the basis of a well founded hope of the philanthropist, that this unequalled medicine may circulate far and wide for the benefit of the human race.

This medicine gives the prodigal a chance to repent. Thousands have been saved and radically cured, after suffering under the hands of impostors, by this medicine, and who with grateful hearts are ready to attest to its value, and have allowed themselves to be referred to.

Persons residing at any distance, can have medicine sent to them, packed secure from observation.

It was out of pure motives of philanthropy, that this medicine was first made public; the price always to remain $1 per Bottle, to be within the reach of the most unfortunate.

☞Letters addressed, (post paid) describing the case, mode of living, &c. will be promptly attended to. Direct No. 17 Harrison street.

Passengers for Richmond, Petersburg, or intermediate points on James River, by leaving Baltimore on Monday, Wednesday, or Friday, will sleep on board the Bay Boat and be transferred to the James River Boat next morning.

The Steamboat Fox leaves the Black Water station on the Portsmouth and Roanoke Rail Road, every Monday, Wednesday, and Friday, on the arrival of the cars from Portsmouth, for Edenton and Plymouth, N. C., and returns every Tuesday, Thursday, and Saturday, delivering her passengers to the cars as they pass down from Weldon, enabling them to arrive in Baltimore next day, (Sundays excepted.)

RETURNING, one of the above Boats will leave Norfolk every night (Saturday being excepted) at 11 o'clock, and cross over to Portsmouth where she will wait the arrival of the Cars from Weldon, and depart for Baltimore as soon as the passengers and baggage are on board, arriving here in about 14 hours after departing from Portsmouth.

Should the Boat get an early start from Portsmouth, Passengers for Philadelphia and New York will have the opportunity of being placed on board the Philadelphia Steamboat in the Patapsco River, and will arrive in Philadelphia the same night by 11 o'clock, after having travelled 300 miles in 20 hours, without as much fatigue as would be incurred in walking from the Hotel to the wharf.

☞No freight will be forwarded on the day it is left, unless it is alongside, prior to 8 o'clock, A.M.
