BANKING.

U. S. 7:30 LOAN.

The Secretary of the Treasury gives notice that subscriptions will be received for Coupon Treasury Notes, payable three years from Aug. 15th, 1864, with semi-annual interest at the rate of seven and three-tenths per cent. per annum—principal and interest both to be paid in lawful money.

These notes will be convertible at the option of the holder at maturity, into six per cent. gold bearing bonds, payable not less than five nor more than twenty years from their date, as the Government may elect. They will be issued in denominations of $50, $100, $500, $1,000 and $5,000, and all subscriptions must be for fifty dollars, or some multiple of fifty dollars.

As the notes draw interest from August 15, persons making deposits subsequent to that date must pay the interest accrued from date of note to date of deposit.

Parties depositing twenty-five thousand dollars and upwards for these notes at any one time will be allowed a commission of one quarter of one per cent.

SPECIAL ADVANTAGES OF THIS LOAN

It is a National Savings Bank, offering a higher rate of interest than any other, and *the best security.* Any savings bank which pays its depositors in U. S. Notes considers that it is paying in the best circulating medium of the country, and it *cannot* pay in anything better, for its own assets are either in Government securities or in notes or bonds payable in Government paper.

Convertible into a Six per cent. 5-20 Gold Bond.

In addition to the very liberal interest on the notes for three years, this privilege of conversion is now worth about three per cent. per annum, for the current rate for 5-20 Bonds is not less than *nine per cent. premium,* and before the war the premium on six per cent. U. S. stocks was over twenty per cent. It will be seen that the actual profit on this loan, at the present market rate, is not less than ten per cent. per annum.

Its Exemption from State or Municipal Taxation.

But aside from all the advantages we have enumerated, a special Act of Congress *exempts all bonds and Treasury notes from local taxation.* On the average, this exemption is worth about two per cent. per annum, according to the rate of taxation in various parts of the country.

It is believed that no securities offer so great inducements to lenders as those issued by the government. In all other forms of indebtedness, the faith or ability of private parties, or stock companies, or separate communities, only, is pledged for payment, while the whole property of the country is held to secure the discharge of all the obligations of the United States.

Subscriptions will be received by the Treasurer of the United States, at Washington, the several Assistant Treasurers and designated Depositaries, and by the

To the Sheriffs of the Several Counties of the State and the City of Baltimore:

Whereas, By an act of the General Assembly of Maryland, passed at January session, in the year eighteen hundred and sixty-four, entitled "An act to provide for the taking of the sense of the people upon the call of a Convention to frame a new Constitution and form of government for this State, to provide for the election of delegates to said Convention, and the assembling thereof," it was among other things enacted that the Constitution which might be framed by said Convention should be submitted to the legal and "qualified voters of the State for their adoption or rejection, at such time, and in such manner and subject to such rules and regulations" as said Convention should prescribe; and—

Whereas, the said Convention assembled in conformity to said act, and did adopt a new Constitution, in which they provided that for the purpose of ascertaining the sense of the people of this State in regard to the adoption or rejection of said Constitution an election should be held in the city of Baltimore on the TWELFTH DAY OF OCTOBER, in the year 1864, and in the several counties of this State on the Twelfth and Thirteenth days of the same month, and did direct that the Governor should issue his Proclamation to the Sheriffs of the said City and Counties, directing them to give the usual notice of said election.

{L. S.} Given under my hand and the Great Seal of the State at the city of Annapolis this ninth day of September in the year eighteen hundred and sixty-four

THE BALTIMORE WEEKLY CLIPPER, THE CHEAPEST NEWSPAPER IN THE STATE.

The undersigned would call the attention of all desirous of having a good Weekly Journal to the

BALTIMORE WEEKLY CLIPPER,

one of the largest and cheapest Papers published in this or any other State.

At a time like the present, when every one is anxious to be thoroughly posted as to the events of the war, and when almost every arrival from abroad brings some new and startling revelation in regard to the condition of European Governments, no person who wishes to keep up with these events should be without the means of doing so.

CHEAPNESS,

when everything else almost has advanced in price more than one hundred per cent., is also a great requisite; and so it is, that notwithstanding the high price of paper and other printing materials, the undersigned proposes to furnish the

WEEKLY CLIPPER

at the low price of

$1.50 PER YEAR.

Let those who need such a paper, remember that for this comparatively small amount, they are furnished

THIRTY-TWO COLUMNS

of closely printed matter per week—that this comprises DOMESTIC AND FOREIGN NEWS, LITERARY, SCIENTIFIC AND AGRICULTURAL ARTICLES, information concerning the MARKETS, the FINANCES, EDITORIALS ON CURRENT TOPICS, ETC., and all given in a clear impression and on good paper, not excelled by any issue of the same class in the whole country.

To accomplish the enterprize, however, and to do the undersigned and his subscribers full justice, he must have

PROMPT PAY;

and therefore no paper will be sent from the Office but what is

PAID FOR IN ADVANCE,

and this without respect to persons. All papers not thus paid for will have to be promptly discontinued as soon as the advance payment expires. Without the adoption, rigidly, of the CASH SYSTEM, the proprietor would be unable to carry forward the enterprize; and therefore, all will see the necessity of complying with the terms set forth who desire to see a good Union paper freely circulate in the State.

Let the friends of the paper in the country, recollect also that a

WEEKLY "PRICE CURRENT,"

accurate and reliable, will be amongst the matters furnished, something which *alone* would justify them in investing the small amount required for one year.

The aim of the new Proprietor is to furnish a First rate

FAMILY AND BUSINESS PAPER,

embracing whatever may be *interesting, amusing* and *instructive*; and he hopes, therefore, that the subscription list of the *Weekly Clipper* will not fall behind any.

Subscriptions must be remitted in

UNITED STATES NOTES.

Postmasters and others sending ten subscriptions, will be furnished one copy gratis.
