Petitions force Cleveland vote

CLEVELAND — Mercedes Cotner, clerk of the City Council, said petitions seeking a special election on a proposal to make the Cleveland mayoral primary nonpartisan contain enough valid signatures.

If the issue is approved by voters, Cleveland mayoral primary candidates would all appear on one ballot instead of running in party primaries, with the two top vote getters facing each other in November.

The drive was mounted by supporters of the Ralph J. Perk, Republican county auditor, before Mayor Carl B. Stokes decided not to run for a third term.

The move was designed to insure a two-candidate race between Perk and Stokes.

Youth Advisory Council meeting this weekend

Governor Mandel has proclaimed June as Summer Youth Employment Month in the State of Maryland.

The proclamation will be officially presented to the Governor's Youth Advisory Council at its second meeting tonight (Friday) by Mrs. Rita C. Davidson, Secretary of the Department of Employment and Social Services.

The meeting will be held at the Baltimore County Campus of the University of Maryland in Catonsville today and Saturday.

The proclamation notes that more than 30,000 young men and women from 16 to 21 are seeking summer jobs. "Summer employment is vital in providing the young people of our State with Job training, future careers, and earnings to make it possible to return to school in the fall . . .," the Governor says.

At the Council's general meeting on Friday evening reports will be received from the By-Laws and Regionalization Committees.

On Saturday, the election of the Council's first officers will be held. Congressman Parren Mitchell will address the Council at noon on Saturday.
