Blank forms for proposals will be furnished at this office, and none will be taken into consideration unless substantially agreeing therewith.

All the paper in the several classes must be delivered at such place as may be designated in Washington city, (except that in class 7, which must be delivered at Buffalo, in the State of New York,) in good order, free of all and every extra charge or expense, and subject to the inspection, count, weight and measurement of the Superintendent, and be in all respects satisfactory.

Samples must be furnished of all the articles offered.

Separate proposals, in duplicate, must be made for each article enumerated, and bidders may propose for the whole or any part of each. Proposals must be made on blank forms, furnished at this office. The certificate attached to the proposal must be signed by two responsible parties.

Express charges on samples must be prepaid, or the proposals will not be considered. Each bid must have a printed copy of this advertisement pasted at its head, and must be specific in complying with all its terms.

Proposals must not be enclosed with the samples, but be delivered separate, and endorsed "Proposals for Subsistence Stores."

Persons not having the precise variety of Stores above described, but having articles of a similar kind, are at liberty to send in proposals for supplying them, which will receive attention according to price and adaptation to the wants of the service. In all cases not specially excepted the delivery must be made at the time specified. In case of failure, the United States reserves the right of purchase elsewhere to make up the deficiency, charging the advance paid over contract price to the party failing to deliver.

All stores will be carefully inspected and compared with the retained samples. Returns of weights, signed by a regular public weigher, must be furnished whenever required.

Contractors are expected to hold their goods without expense to the United States until required for shipment.

Payments to be made after the delivery of the stores if funds are on hand; if none on hand, to be made as soon as received.

Each person or every member of a firm offering a proposal must accompany it by an oath of allegiance to the United States Government, if he has not already filed one in this office. In addition thereto a certificate will be required setting forth that the articles offered to the Government under the above advertisement, either belong to the party bidding or are to be purchased or received by them of loyal citizens for delivery to the United States Government.

Bids must be legible, and the numbers must be written as well as expressed by figures.

All bids not complying strictly with the terms of this advertisement will be rejected.
