BEAT THE BUG — Members of the Interagency Sub-committee of the Maryland Tuberculosis and Respiratory Disease Association announced plans for a massive chest x-ray campaign which began Monday at Mondawmin Shopping Center. The six-week drive to Beat the Bug is headed by, L to R, Elijah Skinner, Benny Graves, Phalon Hyche, chairman, and David Garlington.

Nixon puts firm guidelines on new drug abuse office

President Nixons executive order June 17, established a Special Action Office for Drug Abuse Prevention so that the nine agencies working in the drug field can "quit fighting each other and start fighting the drug problem."

The executive order states that "the director shall be the special representative of the President with respect to all Federal drug abuse training, education, rehabilitation, research, treatment and prevention programs and activities (exclusive of law enforcement activities and legal proceedings)."

Named director was 37 year-old Dr. Jerome H. Jaffe who now heads the drug abouse program in Illinois.

At the same time the executive order was announced, the White House reported that on May 3 the Commissioner of Customs had implemented a 100 per cent inspection of all military and civilian mail, passengers, baggage and cargo from South Vietnam and Thailand to halt the importation of drugs.

That "as of June 30, 1971, the number of Bureau of Narcotics and Dangerous Drugs and Bureau of Customs agents increased to 2,134 from 1,626 in 1970."

And "that here are presently more than 20,000, addicts under treatment in federally funded programs more than any other nation."

In the President's omnibus drug control legislative message he stated that the drug problem "has assumed the dimensions of a national emergency.

"I intend to take every step necessary to deal with this emergency, including asking Congress for a budget amendment to provide an additional $125 million to carry out these steps. This will provide a total of $371 million for programs to control drug abuse. . . ."

He stated that narcotic addition" is a major contributor to crime.

"The cost of supplying a narcotic habit can run from $30 a day to $100 a day. This is $210 to $700 a week, or $10,000 a year to over $36,000 a year.

"Untreated narcotic addicts do not ordinarily hold jobs. Instead they often turn to shoplifting, mugging, burgulary, armed robbery, and so on.

"They also support themselves by starting other people — young people — on drugs. The financial costs of addiction are more than $2 billion every year, but these costs can at least be measured. The human costs cannot. American society should not be required to bear either cost," the President said.

Week of TB drive encouraging

A total of 3,600 persons will have received free chest x-rays during the first week of the inner city's second annual Drive to Beat the TB Bug, a spokesman for the campaign estimates.

The figure is based on the average number of x-rays taken during the initial three days of the drive.

Kick off point for the six week campaign Mondawmin Shopping Center. Examination hours are between 11 a.m. and 7 p.m.

For the next few days testing will be conducted at the following locations:

July 6 and 7: Johnson Square, Valley and Biddle Sts., and Department of Social Services, 1500 block Greenmount Ave.

July 8: Park Circle — Arlans Dept. Store.

July 9: Park Heights Ave. and Coldspring LA. — Parklane Shopping Center.

July 12 to 17: Lexington Market.

July 12 and 13: Calvert Education Center, North Avenue and Calvert Street.

July 14 and 15: Whitelock Street and Brookfield Avenue.

July 16 and 17: Model Cities Area "F" office, 1500 block Argyle Avenue.

July 19 to 21: Baltimore Street and Carrollton Avenue; Gold Street and Pennsylvania Avenue.

July 22 to 24: Calhoun and Lexington Streets; Gay Street and Broadway.

July 26: Cherry Hill shopping center. July 27: Cherry Hill community center. July 28: Mt. Winans School No. 156. July 29: Westport School No. 225.

July 30 to 23: Provident Health Clinic, George and Fremont Streets. July 29 to 31: Gay and Monument Streets.

Most of the testing sites are in the Model City area, but persons from other parts of the city will be welcome at any of the locations.

Herman Jackson, coordinator for the Maryland Tuberculosis and Respiratory Disease Association's campaign, reports that public support for the project has been encouraging.

"If response to the program continues at this rate, the campaign will be even more successful than last year's," he stated further. The 1970 Beat the Bug Drive discovered 24 new, active cases of TB.

Jackson added that chest x-rays are painless, take only a minute, and require no undressing.

ACCEPTED NEW POSITION — the Rev. Robert M. Powell, former rector of the Church of the Holy Trinity, is the new vicar at St. Phillip's church in Annapolis, Md.

Father Robert M. Powell new Vicar at St. Phillip's

The Reverend Robert M. Powell, Rector of the Church of the Holy Trinity, Lafayette and Wheeler Avenues, accepted The Right Reverend Harry Lee Doll's invitation to become his Vicar at St. Phillip's Episcopal Church, Annapolis, Md. Father Powell assumed his new ministry on Thursday.

Father Powell was appointed Vicar of the Chapel of the Holy Trinity in 1964 by Bishop Doll. Under his leadership, Holy Trinity, then a Mission of the Diocese, has become an Independent Parish Church in the Diocese. Holy Trinity, which entered into Union with the Convention of the Episcopal Diocese in May, 1967, was the second black mission to receive Parish status in over 14 years. St. James' Lafayette Square was first.

Father Powell has been very active in the life of the community. He served as the Diocesan Missionary under the late Bishop Powe'l from 1958 until 1963, during which time he conducted a survey for the Diocese.

During this same period he was appointed the Executive Director of the Lafayette Square Community Center in Harlem Park. The center, under his leadership, became the first Settlement House Program in Maryland. On June 24th, the Center Board of Directors broke ground for the new $820,000 building in Harlem Park.

Father Powell has served and is serving on a number of Boards of Directors in the city. He has been a member of the Maryland State Interracial Commission, appointed by Governor Tawes; Board of Directors of the Florence Crittenton Services; Citizen's Planning and Housing Association; The Urban League — Family Life Program; Maryland Council of Churches; served as Consultant for six years to a Federally sponsored Program at Clifton Perkins State Hospital; and Board of the Big Sisters — Little Sisters, Inc.

He also serves on the Standing Committee of the Diocese; The Ecccesiastical Court of the Diocese; Board of Metropolitan Strategy and Christian Social Concern; Board of the Church Mission of Help; The Board, Girl Scouts of Central Maryland; Board, Prisoner's Aid Society; Board, Literacy Council of Maryland; Board, the Baltimore League of Crippled Children and Adults; Episcopal Chaplain, Morgan State College.

Father Powell was recently elected to the Board of Trustees of the Community Chest of Baltimore.

He served as the Advisor of the Bentalou Neighborhood Improvement Association, the Greenlawn Improvement Association, and the Evergreen Association.

Father Powell is a twice recipient of the AFRO HONOR ROLL PLAQUE — in 1951 for his work at the Lafayette Center and in 1957 for his work while Rector of Holy Trinity.

The new St. Phillip's Episcopal Church, which is a Diocesan Mission, was constructed in 1970 and was dedicated last year by Bishop Doll. The Church is located in a rapidly growing section of Annapolis.

Father Powell will preach his farewell sermon on Sunday morning during the 10:30 a.m. Communion Service. The Vestry and Congregation will sponsor a Farewell Reception for Father Powell immediately following the 10:30 service.
