Catholics phase out teacher program

The Student Teacher Education Program and decent housing, Panmust be recognized. This includes the right to safe dering to slumlord interest must go. And, that means Mr. Capian must go."

(STEP), which was initiated in 1968 under the auspices of the Archdiocese of Baltimore, will be phased out after this year in accordance with a recent vote by the Archdiocese Board of Education.

The purpose of the program was to assist in educating qualified teachers for parochial schools.

The Department of Catholic Education assumed financial responsibility for the full tuition of the student at Mount St. Agnes College if and when she completed the program.

It was financed by the National Defense Student Loan which the student was responsible for if she dropped from the program.

Under the five-year STEP program, the student studied during the summers and taught two full years in a parochial school.

Mass meeting Sunday, 7 p.m.

All voters and friends of the Fifth District are urged to attend.

Meet and hear Carl Adair, the Fifth District's Black candidate for City Council. Adair's election on November 2nd is crucial to the Fifth District and Baltimore City.

Cohousing Sunday's meeting will be the Rev. Vernon Dobson of the Ministerial Alliance and the Rev. Marian Bascom, Pastor of Douglas Memorial Community Church.

The Rev. Quincy Cooper of the St. Mark's Mthodist Church announces a mass community meeting, Sunday, Oct. 31, 7 p.m. at the St. Mark's Methodist Church, located at Liberty Heights Ave. and Garrison Blvd.

Adair hits Caplan on education

Carl Adair, 5th District Candidate for City Council, today blasted incumbent 1 Councilman Reuben Caplan's "obstructionist, outdated" views on education.

Adair, himself an Assistant Professor at Coppin State College and holder of several graduate degrtes, noted that "Caplan's record is shocking in its insensitivity and backwardness."

Citing Caplan's opposition to a 1968 plan permitting parents to visit classrooms, Adair said, "It is amazing that Caplan doesn't understand the one thing that educators want is for parents to be involved in their children's education. Parental interest motivates students and supports good schools. If parents don't give a damn, why should students?

"Caplan hasn't kept pace with the times," Adair continued, "and he has been hostile to every progressive move in education. He has attacked integration, he has attacked the City School Superintendent, he has even gone so far as to ignore constituent groups interested in child safety."

Adair was referring to a 1968 incident where after four mutilated children were found in Leakin Park, a Mothers Committee for Adequate Recreation was formed which had to deal with Mayor D'Alesandro directly due to Caplan's disinttrest.

"Caplan's record on education", Adair concluded, "is appalling. So far as I can tell, the only thing he ever did for the school system or school children is support a voluntary prayer and meditation resolution.

"Caplan is on record as saying that any child can get a good education if he wants to learn. That sounds logical but Mr. Caplan has never walked the rough century-old school buildings or been in homes without heat, food, light or books.

"I'm not saying Mr. Caplan should have my experience — after all I'm a professional educator — but he could have a little compassion and as a Councilman he should have the interest to find out the facts."

Adair, who is the head of Coppin State's Industrial Arts Department began teaching in the City Public School System in 1959.

He holds A.S., B.S., M.Ed. degrees and, at 37, is one of the youngest men in America to have received the honorary LL.D. degree.

In addition, Adair charged Caplan is "a friend to slumlords and a foe of low cost housing.

"Look at the record. Caplan has actually proposed that the City subsidize slumlords."

Citing a 1965 amendment Caplan tacked to the City's vacant house bill, Adair said, his opponent had the nerve to propose that the city take coomplete responsibility for unrentable housing.

"In other words, when the slumlord had milked the last drop of profit out of housing which he refused to renovate, then he could dump his unfit property on the City and it would be demolished at City taxpayers' expense."

"Meanwhile", Adair said, "while Caplan was proposing advantages for slumlords, he has staunchly opposed Model Cities. He has staunchly opposed including low or even moderate cost housing in the Inner Harbor Project. He has opposed residential "new town-in-town" development."

"One can only conclude", Adair noted, "that Mr. Caplan only wants very rich people to live in the City.

"Unfortunately, the City has more than its share of moderate and low income institutents.

Pierpont supporters picket City Hall press conference

Perhaps they arrived too late and the City Hall missed what might have been the drama of the decade. But its effect was tremendous as picketing Pierpont campaigners, led by Dr. Rosa Pierpont himself, arrived at the City Hall moments after a press conference by Mayor Thomas D'Alesandro was ended.

William Donald Schaefer, opposing candidate to Dr. Pierpont in the forthcoming mayoral election, was present.

He contributed to the theme of the conference which echoed his favorite $3 million Economic Development Loan scheme.

The conference, according to Mayor D'Alesandro, was called "to ask the voters of Baltimore City to support the $3 million Economic Development Loan (Question 6 on the ballot)."

"We have come here to dramatize the problem of doing nothing," Dr. Pierpont told the AFRO.

"My opponent for the office of Mayor follows 16 years of do-little with a campaign of say-nothing that reveals his true character. He obviously hopes to win the Mayor's seat by exploiting blind loyalties and Votes controlled by local bosslets."

The ten-member peaceful demonstrating group carried placards some of which read: "Why did Scheafer hide?" "What was Scheafer afraid of?" "Is Scheafer for $7.17 tax rate?" and "Pierpont and Dyer will stop it."

* * *

Dr. Pierpont said his opponent had been evading the tasking of discussing and offering the people of Baltimore his election plans. He said the slogans on the placards told the purpose of the demonstration. "I want to open my opponent to debate issues on the city."

A release he issued to the press said: "This silence in City Hall isn't accidental. It is a conspiracy. It is a deliberate plan to force Baltimore to vote in the dark."

* * *

Dr. Pierpont wanted his opponent's views on drug abuse, his plans about the criminal activity that has the people living in fear, what he plans for school leavers and taxes which soar from $5.65 to over $7.00.

Calling on the press to help break the silence of his opponent Dr. Pierpont stated: "The fate of a great city will be determined in the next four years, and therefore I call upon the press, newspapers, radio and television, to help burn away, through the glare of publicity, that miasma of mediocrity which blankets City Hall.

"I call upon the press to sample voters' views of city and learn, as we have, that the people know nothing of what the Sphinx and his bosses have in store for them."

* * *

Outlining the four-point purpose of the $3 million Economic Development Loan earlier, Mayor D'Alesandro said it will:

1. Develop sufficient industry to employ 2,000 people in manufacturing jobs with an additional 1,200 in service jobs.

2. Add $1 million in new property taxes to the city's tax base.

3. Generate substantial new commerce and trade.

4. Return the $3 million to the city's industrial fund for recycling.

"If the loan is approved, completely entity, the Baltimore Industrial Corporation, will established by Oddinance. The non-profit corporation will have a board of directors both from the public and private sectors, which will establish policy, set goals and administer the $3 million loan fund.

"Commenting on the scheme Bill Boucher, Greater Baltimore Committee Executive, said it is essential if the city is going to have jobs, he called on the public and private business bodies to adopt it.

Mr. Scheafer expressed his happiness that the community was backing it. "We want job opportunities and many other things and this is the first step."

He told a questioner that it is not a political issue but anyone who opposes it does not understand the economic needs of the city.

Baptist ministers help the blind

The Anna Mae Hunter Home has appealed to the public for assistance in repairing the roof of the home.

Mrs. Anna Mae Hunter, founder, has announced the Baptist Minister's Day Conference and the Baptist Minister's Evening Conference are going to respond in a positive way Monday, Nov. 1.

Individual pastors who have promised checks and donations are as follows: The Rev. Lorenzo Graves, pastor of Calvary Baptist Church, Garrison Blvd; the Rev. Darneal Johnson, pastor of Wayland Baptist Church, Garrison Blvd; Dr. and Mrs. Carlton Cooke, pastor of Union Baptist Church, Sparrows Point; the Rev. King, pastor of Simon Memorial, Pennsylvania and Cumberland; the Rev. and Mrs. Redd, pastor of the Mt. Ararat Baptist Church. Also, the Rev. Lawyer L. Swinson, pastor of New Metropolitan; the Rev. Meade, pastor of Israel Baptist; the Rev. Marcus, president of the Minister's Conference; Dr. Alfred Vaugh, pastor of the Grace Memorial Baptist Church; the Rev. William Brown, pastor of Mt. Sinai Baptist Church Dr. and Mrs. Walter Paige, pastor of the Faith Baptist Church; the Rev. Carl L. Washington, pastor of the Trinity Baptist Church.

Private and personal donations may be made out by check or money order. Cash donations may be given and a receipt will be given to the donor for all cash received.

* * *

Anyone having donations may call Mrs. Minnie R. Washington, 367-7304.

All Baptist Churches are asked to please respond by calling Mrs. Washington and letting her know what disposition they may intend to make towards Mrs. Hunter's Emergency need.

The home was established Oct. 1896. The home was located at 2115 Allendale Rd., but because it was a frame dwelling they were ousted by the Housing authority.

Mrs. Hunter then bought a home at 1321 Eutaw Place for $25,000. With the help of individuals, charity organizations and churches, Mrs. Hunter made the last payment in October, 1968.

There are 30 persons in the home, male and female, ages 22 to 93. Some of them are on public assistance and others receive social security or both.

Mrs. Hunter states it costs about $2,000 a month to operate the place because of heat, food, gas and electricity. Also the home is a non-profit charitable organization and must depend on contributions to subsist.

Adair terms Caplan 'crony councilman'

Carl Adair, 5th District candidate for City Council on Monday, Oct. 25, accused incumbent 5th District Councilman Reuben Caplan of being "strictly a Councilman for his crony pals."

"Caplan's record" said Mr. Adair, Assistant Professor at Coppin State College, "is totally negative except for highly suspicious legislation which helped only his equally unsavory friends."

Mr. Adair, a 37-year-old black civic leader, is recognized as the frontrunner for Mr. Caplan's present contested 5th district council seat.

The contending Republican candidate also stated: The sum total of Mr. Caplan'' amounted to, 'bills to help slumlords, bills to expand pornography, bills to help real estate developers and bills to help Reuben Caplan."

Reference to an alleged "Caplan-introduced amendment" which allowed the owners of vacant houses to turn them over to the city was also made by Mr. Adair. The community leader stated:

"This bill enabled slumlords to bleed the last cent out of their unfit houses and to then have the city pick up the cost of demolition."

Also while tracing the incumbent councilman's legislative history, Mr. Adair noted: "In 1969, Caplan opposed conflict-of interest legislation to prohibit city officials in sensitive positions from engaging in private business.

"In 1971, Caplan supported efforts to establish theatres on the block for 'R' and 'X' rated films and also introduced a bill to remove the name of the sponsoring councilman from zoning amendment requests."

According to Mr. Adair, the latter Caplan-introduced amendment would have allowed "all kinds of zoning changes to slip by" without any official responsibility.

It was also alleged by Mr. Adair, the incumbent candidate could not escape blame for an attempt to put a shopping center in the heart of a stable residential district, (Greenspring and Coldspring Lane) despite the absolute opposition of neighborhood groups.

"Finally," Mr. Adair concluded, "there was Caplan's outrageous effort to gerrymander himself a safe electoral district."

Returning to the overall eligibles for Tuesday's election, he gave this breakdown by party affiliation:

Democrats —367,044; Republicans — 69,412; Independents — 7,946.

These registration figures reflect that Democrats outnumber Republicans in this city nearly six to one, and there are not enough independent voters, those not affiliated with either party, to take up the slack n their behalf.

Vote YES for 2, 3, 4, 7 and 8, but vote NO for 1, 5 and 6

The AFRO-AMERICAN urges its readers to vote YES on Questions 2, 3, 4, 7, 8 on the ballot on Tuesday, November 2, 1971 and to vote NO on Questions 1, 5, 6.

Here are the reasons:

QUESTION No. 1 — Vote NO
Metered Water Loan

This $7,800,000 loan is to give the Mayor and City Council right to install some 65,000 water meters at $120 each in older homes and buildings. Various groups in favor of this ordinance say that it is needed because thousands of persons are living in old homes without water meters, and therefore paying less for their water.

The AFRO believes that since most of these meters are to be installed in old buildings, that the city can just as soon leave this project alone. New highways, urban redevelopment, etc, will eventually solve this problem. All new construction in the city will have water meters. Why spend $7 million now to put in meters which in a few years won't be needed? The fact that poor people who live in these older buildings are paying less money for water is not really a good reason for spending this money. Vote NO.

QUESTION NO. 2 — Vote YES
Incinerator Plant No. 4 Loan

This question on the ballot will authorize the Mayor and City Council to borrow up to $6 million to modernize and enlarge the present Incinerator Plant No. 4 and to acquire property or rights within or outside the City to carry out this operation. It is believed that if the city does not improve this disposal facility on Pulaski Highway there will be a refuse disposal crisis. No provisions are made in this loan for the facilities on Reesbird Avenue or the one on Cold Spring Lane. Vote YES.

QUESTION No. 3 — Vote YES
$5 Million Parking Loan

Approval of this loan will make it possible for the Union Memorial, Bon Secours and Mercy Hospitals to build badly-needed parking facilities for patients, employees and visitors. Baltimore cannot afford to lose any more medical facilities to the suburbs. Voters should remember that this will be a loan to be repaid in time by the users of these facilities and not the taxpayers. Vote YES.

QUESTION No. 4 — Vote YES
Sewer and Drain Loan

Voters are asked to approve $4,500,000 for sanitary sewer projects, Back River Waste Water Treatment Plant, Patapsco Waste Water Treatment Plant and storm water projects. These improvements which are to be made over a six-year period 1972-1977 will total $108,600,000. Some $25 millions will also come from the state; $56 million from the federal government, and $14 million from county funds. Baltimore City voters approved their share of $4.5 million in 1970. Vote YES.

Fire Department Loan

Question 5 is asking for $1 million to "construct, equip buildings, structures and facilities to be used by the Fire Department." Unfortunately, this is what voters thought they approved in 1968. Since that time, a $3 million construction package has been undertaken, without voter approval, to put a fire station in the Bromo Seltzer Building. To say that Baltimore needs new fire equipment at that same time wasting money on a "heavy sport" is an insult to voters. A NO voter here would let the Mayor and City Council understand that once voters approve a loan, they at least should be asked before plans are changed.

QUESTION NO. 6 — Vote NO
Economic Development Loan

Voters are asked in Question to approve a loan for $3 million before even the basic plans are made to show how the money will be spent. Terms such as, "The Mayor and City Council are working on plans" and "it is hoped" have been used frequently in discussing this loan. There is little doubt that Baltimore will need money to bring industry back into the city but it doesn't need $3 million now to play with. The incoming city administration must first develop a program to administer economic development BEFORE asking the voters for $3 million. In this case they have put the cart before the horse. Vote NO.

QUESTION NO. 8 — VOTE YES
Central District Police Station Loan

This loan of $4,500,000 will give the police department the much needed detention facility for women and children which is long past due. A lost children's unit, women and youth division, intoxication test rooms and doctor's examining room are areas which have been lacking but needed. Voters who remember the Pine Street Station with its cement floors and hard benches know Pine Street should have been ordered closed many years ago. The present make-shift arrangements of the use of the Northeast Police Station by the women's and children's division is just that — make-shift. The Northeast Station courtroom is going to be needed as a courtroom fo prevent a backlog of cases. Vote YES for this loan.

QUESTIS NO. — VOTE YES
Park and Recreation Loan

Four recreation centers are included in this $1,200,000 loan. They will be located at Govans School on St. Georges Lane, School 85 on Lakewood Ave., School 204 on Allendale and in the Public Housing on Belmont Avenue. A look at these addresses is enough reason for AFRO-readers to vote YES for this loan. Vote YES.

Every vote you help to get for Pierpont & Dyer is a vote AGAINST racist politics . . . AGAINST men who worship money and put it ahead of human dignity.
VOTE NOVEMBER 2nd!

PIERPONT & DYER ON:
HOME OWNERSHIP TAXES

Taxes on homes MUST be cut. For years we lived with a $3 rate. Now it's almost doubled. If Kovens-Schaefer aren't stopped, it's due to reach a back-breaking $7.17 rate! Pierpont & Dyer plan to cut mortgage payments by $10 to $20 a month, by reducing taxes to where they belong. People who can't buy homes now due to high monthly payments will be able to meet the lower ones.

A tax on homes is also a tax on everyone who pays rent. So all suffer.

DRUGS AND CRIME:

Pierpont & Dyer show how to cut addiction 75%. Since 2 crimes in 3 are drug related, cutting addiction automatically cuts crime.

RATS, ROACHES, TRASH:

— There's no excuse for the shabbiness of alleys, streets. Rats roam yards, invade homes. Trash piles everywhere. Pierpont & Dyer give you their word that a real war will be launched against rats, roaches and filth in Baltimore.

THERE IS ONLY ONE WAY YOU CAN BE REPRESENTED IN CITY HALL AFTER NOV. 2nd. VOTE FOR

Our thoughts are all of thee.
Oh, how we miss you, mother dear.
None but God in Heaven can see.
Some say time heals an aching heart,
But, no, it isn't true.
For one long year has passed, dear
And our hearts still ache for you.
To those who have a mother,
Tender her with care,
For you do not know her value
Till you see her vacant chair.

He has solved it, life's wonderful problem
The deepest, the strangest, the last.
And into the schools of angels
With answer forever has passed.
How strange he should sleep so profoundly,
So young, so unworn by the strife.
While beside him brimful of hope's nectar
Untouched stood the goblet of life.
God knew all about — how noble,
How gentle he was and how brave.
How bright his possible future,
Yet put him to sleep in his grave
God knew all about those who love him,
How bitter the trial must be
And right through it all God is loving
And knows so much better than we.

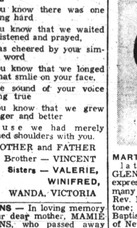
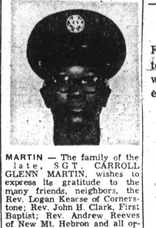
Sisters — VALERIE, WINIFRED, WANDA, VICTORIA

WILKINS — In loving mroemy of our dear mother, MAMIE WILKINS, who passed away Oct. 30, 1968:



Two dear, bright eyes, a tender smile,
A loving heart that knew no guile.
Deep trust in God that all was right
Her joy to make some other bright,
If sick or suffering one she knew,
Some gentle act of love she'd do.
No thought of self, but of "the other";
We know He said: "Well done, dear mother."
Children —
CARRIE, EVELYN, MILTON and ELWOOD

WRIGHT — A tribute of love to my dear son and our brother, BRUCE ERIC WRIGHT, who passed away October 28, 1965:



BRUCE you were my pride and joy.
You entered the service and went far away,
I have no idea you'd want to stay.
The telegram came that brought me tears.
The memories I carry through all the years.
Why you went I will never know.
All I know, I miss you so.
I changed my star from blue to gold,
The misery of it can never be told,
But within my heart so true,
I love you BRUCE, wherever you are.
Your Mother, VIOLA
Peaceful be thy rest dear brother,
It is sweet to breath thy name,
In life we loved you dearly,
In death we do the same.
Brothers, LARRY and Sister, VERONICA
