HUET, Graduate of the Medical Faculty of Paris, (France,) Member of the Medical and Chirurgical Faculty of Baltimore, Md., may be confidentially consulted, and solicits the worst cases that have been abandoned by other physicians—such as Constitutional Debility, great Nervousness, Palpitation of the Heart, Pains in the Loins, nocturnally troubled with dreadful dreams and other derangements in youth or adult; all those alarming affections showing themselves in attenuation of the body (nutrition, despondency, loss of power and memory, relaxation of the Nerves, Dyspepsia, Liver Complaint, Affections of the Lungs, Dimness of Sight, Disease of the Heart, Weakness of the Digestive Organs, &c. COUGH SYRUP.

COUGH SYRUP. COUGH SYRUP.

W. H. READ'S COMPOUND SYRUP OF LIVERWORT, for the cure of Coughs, Colds, Croups, Asthma, Hoarseness, Bronchitis and Incipient Consumption.

This SYRUP is one of the most certain and effectual cures now in use, as has been proved by all who have given it a fair and impartial trial. There is no class of disease that is more neglected than this; and yet there is none that more certainly and surely undermines health. Many a neglected Cough has been the precursor of long years of suffering; and many a Cold that has been permitted to run its course, has hurried its victim into the premature grave of the Consumptive. Every one knows that we but utter the truth when we say that a very little care and attention at first would have warded off that direful handmaid of death—Consumption—from many a one who is now lingering beneath its tortures. Be careful then now you neglect that Cough or Cold upon which you now look so lightly, and remember that a little expended upon some good Cough Remedy may preserve your life.

Certificates from the following gentlemen cannot fail to impress the pub lic mind with the value of this truly valuable Remedy:

From REV. JAS. H. BROWN, Member of East Baltimore Conference.

This certifies that I have used W. H. Read's Cough Pectoral Syrup with the most happy effects, and recommend it as a most valuable medicine. JAS. H. BROWN.

From REV. ANDREW MANSHIP, Member of Philadelphia Conference.

Wm. H. Read—Dear Sir—I have used your Syrup of Liverwort; it was of great service to my throat, and relieved my cold. I have pleasure in recommend it to clergymen and public speakers. ANDREW MANSHIP.

From REV. WM W. HICKS, late Missionary from India.

Mr. Wm. H. Read, Sir:

I cheerfully recommend your Syrup to all persons affected with Coughs or Hoarseness, as a certain cure.

The Compound Syrup of Liverwort may truly be called the sufferers friend. WM. W. HICKS.

We have many more certificates than we can publish, all speaking in the most emphatic terms of the great value of this medicine, and in every case recommending it to their friends. Among them may be found

MEDICAL.

CLEANSE THE BLOOD.

With corrupt, disordered or vitiated Blood, you are sick all over. It may burst out in Pimples, or Sores, or in some active disease, or it may merely keep you listless, depressed and good for nothing. But you cannot have good health while your blood is impure—AYER'S SARSAPARILLA purges out these impurities, and stimulates the organs of life into vigorous action, restoring the health and expelling disease. Hence it rapidly cures a variety of complaints which are caused by impurity of the blood, such as Scrofula, or King's Evil, Tumors, Ulcers, Sores, Eruptions, Pimples, Blotches, Boils, St. Anthony's Fire, Rose or Erysipelas, Tetter or Salt Rheum, Scald Head, Ring Worm, Cancer or Cancerous Tumors, Sore Eyes, Female Diseases, such as Retention, Irregularity, Suppression, Whites, Sterility, also Syphilis or Venereal Diseases, Liver Complaints and Heart Diseases. Try Ayer's Sarsaparilla and see for yourself the surprising activity with which it cleanses the blood and cures these disorders.

During late years the public have been misled by large bottles, profuding to give a quart of Extract of Sarsaparilla for a dollar. Most of these have been frauds upon the sick, for they not only contain little, if any, Sarsaparilla, but often no curative properties whatever. Hence, bitter disappointment has followed the use of the various extracts of Sarsaparilla which flood the market, until the name itself has become synonymous with imposition and a cheat. Still we call his compound "Sarsaparilla," and intend to supply such a remedy as shall rescue the name from the load of obloquy which rests upon it. We think we have ground for believing it has virtues which are irresistible by the ordinary run of the diseases it is intended to cure. We can only assure the sick, that we offer them the best alterative which we know how to produce, and we have reason to believe, it is by far the most effectual purifier of the blood yet discovered by any body.

AYER'S CHERRY PECTORAL, is so universally known to surpass every other remedy for the cure of Coughs, Colds, Influenza, Hoarseness, Croup, Bronchitis, Incipient Consumption, and for the relief of Consumptive Patients in advanced stages of the disease, that it is useless here to recount the evidence of its virtues. The world knows them.

MEDICAL.

ARMY DYSENTERY.

THE GREAT REMEDY FOR

Army Dysentery,

CAN BE CARRIED in the POCKET-BOOK AND AS A TIMELY RESOURCE IN DISEASE IS UNEQUALLED.

No Officer or Soldier should go to the front to encounter the dangers of Miasma and unwholesome water without a package or two of these powders. They are put up in air-tight metallic coverings, occupy little space, and can be taken in a tumbler of water.—The prescription has been proved of the highest efficacy on the Chagres route, in Mexico, Central America and elsewhere, the haunt of these oftentimes fatal diseases of the bowels. It is the remedy of an eminent medical practitioner who has had an extensive experience as surgeon on the Panama Steamship line, where he had the worst cases of California fever and dysentery to deal with, and it can be relied on by all as a specific, when tried on the most delicate child or the adult, where the printed directions accompanying it are faithfully followed. It is known as

DR. F. J. ADRIANCE'S TROPICAL DYSENTERY REMEDY, for the prompt and decided cure of DYSENTERY AND DIARRHŒA, (either recent or chronic), Cholera, Cholera Morbus or looseness of the Bowels, Summer Complaint of Children, and Bilious Cholic. Put up in small air-tight Packages, which will keep in all climates for any length of time.

TO THE PUBLIC

This efficacious, scientific, and curative preparation, is now for the first time, at the urgent solicitation of many personal friends who have experienced its good effects in private practice, confidently offered to the public, after having been the means of curing within the last seven years, at least 5,000 cases of these often fatal diseases, many of them on crowded passenger ships and steamships, of which the discoverer was Surgeon, forced about by the Ocean swell, which is one cause of the great fatality attending bowel diseases on shipboard. It has also been used more particularly in the mines of Australia as well as California, also in several parts of South America Central America, and Mexico, and in various parts of the world, by one of the proprietors who travelled on account of his health, which was impaired by his campaign in the American army in Mexico.

It is well known that the terrible scourge Dysentery, sweeps into hurriedly made graves many thousand annually, and that it is not confined in its ravages to any part of our globe, but ranges at large remorselessly, cutting down, *in spite of the best medical aid called in reference to it,* the victim as well as the aged and trembling adult in all variations of climate.

In view of these facts, and the *other failures* of the usual means used in many instances to relieve the afflicted, the attention of a Physician and Surgeon in our Army in Mexico, who barely survived from the effects of the Camp Distemper or Army Diarrhœa, was arrested to a remedy he had used with unequalled experience in Tropical diseases, was called to the above complaints, and the result is, the introduction to the public of the "Tropical Dysentery Remedy," which, after one trial by those afflicted, will make itself favorably known; and if taken, and the accompanying directions strictly followed, a speedy cure will be effected.

With these few remarks, it is now confidently offered to the public, who can rely that not one-half its merits, thus far can be known, as those relieved, by its use, for seven years, were individuals of all civilized nations and climes, subjected to tropical influences on their way to the lands of gold, from the hardy mariner to the effete traveller, as well as soldier, many of whom, as is well known, barely survived to reach their homes at the close of the war with Mexico, or perish in the wilds, who have been gratefully astonished at its effects under its administration by him.

Throwing aside all "*old wives' whims and fables,*" and the appropriate empiricism which has always prevailed in regard to these fatal diseases, the proprietors in conclusion would charge those who would not save their loved ones, when procurable to the unexpected approach of these diseases, to give it a trial according to the *simple directions* and no physician will ever be needed in the above named dangerous diseases, one small package often relieving many sufferers.

TO MASTERS OF SHIPS.—To those who "do business on the great waters," it will especially be found invaluable, and the Shipmaster should fail to take it on leaving port, as it was on the sea more especially, "mid storm and strife" of the elements, its virtues were first more thoroughly made known and abundantly tested by a Ship Surgeon, and that too, while in the West Indies, where it is usually more fatal and rapid in its course than in more temperate climates. The motion of a ship, also, from its observation, always aggravating the symptoms, and therefore baffling the best well known efforts to relieve the patient, in the above diseases.

Druggists and Traders will find, from the compact form in which the powders are put up, that they can be carried in the pocket, or with their wardrobe, without the slightest injury. When required, are taken in cold water. No hotel proprietor, or Country Merchant, should be without this justly celebrated remedy, as many opportunities will occur throughout the country of the summer where speedy and certain relief is required by their patrons.

TESTIMONIALS.

An examination of the following testimonials is earnestly invited: they do not purport to have been written in Missouri, Kansas, or some out of the way place, but are from some of the best known and most respectable citizens residing in our midst, who can be found and will personally testify to the extraordinary effects of the Tropical Dysentery Remedy.

In conscience truly I do not hesitate to say, from my own experience and that of my family, surpasses in its curative effects, all medicines for Bowel Complaints, (especially on children,) I have ever known. And the success which has attended its exhibition in private practice, I cheerfully testify to, from my own personal experience, and regret to say others have to my knowledge, that you had not earlier made the public acquainted with it as I have often urged you to do, for I have no doubt in Dysentery many valuable lives thereby might thereby have been saved by it.

Respectfully yours,
ALEX. ALLAGETT,
Attorney and Counsellor at Law,
No. 16 Wall street.

CROTON POINT, Westchester Co., N. Y., April 6, 1858.

ESTEEMED FRIEND—I take pleasure in testifying to the very beneficial effects of your medicine in my family.

My little girl suffered from dysentery, which was attended with severe pain, sickness, and a very fatal termination was apprehended, but a few doses of your medicine brought her through safely, and she is now in good health. Yours, &c.

NEW YORK, May 17, 1858.

SIR—The medicine called the "Tropical Dysentery Remedy," as used by the discoverer, who was for six months Physician to the Mexican Boat Line, I know to be all that is claimed for it, and I have seen it used in our house in 1856, from the number of Californians stopping with us, it in every instance at once relieved the sufferers and their ailments and those afflicted, saving many lives.

The subscription price is $20 per share for a limited amount of stock. No further call or assessment to be made on subscribers; $100,000 is reserved for a working capital, and $600,000 in stocks at par for the future development of the company's property.

Its property consists of a perpetual lease of about 75,000 acres of oil territory in San Luis, Obispo County, State of California, lying on and near the Pacific ocean, being all the following five ranches, viz:

I. The Manuela Ranch, containing 16,954.03 acres.

II. The Arroyo Grande Ranch, containing 4,437.36 acres.

III. The Reliance Cosmical Ranch, containing 4,435.22 acres.

IV. The Pismo Ranch, containing 8,638.89 acres.

The titles of these large tracts have been thoroughly examined and approved by Judge Parsons, of San Francisco.

All reports, written and verbal, of gentlemen who, during the past year, have visited and thoroughly examined this property carefully and scientifically, concur in representing it as overflowing with petroleum. They say:—"The Ranches are splendid estates, but their value is in their almost fabulous wealth in the best of oil."

The Company's lands for extend over ten miles on San Luis Bay, on the Pacific coast, with a good roadstead, where shipments can be made with facility to San Francisco, South America, Australia, China and New York.

The lands have a gentle slope to San Luis Bay, and there is full assurance of the practicability of conducting the oil, at a moderate expense, through pipes from the wells to reservoirs or tanks, to be constructed at this point, when it can be sent to the markets of the world, either in its crude state or refined, according to the demand.

The cost of shipping will not exceed 50 cts. per barrel, and the company will be enabled to deliver Petroleum at New York at $5 per barrel, and at Australia and China at reduced rates.

It is designed to develop fully and practically, the means and wealth of this property at the earliest practicable moment.

The varied details giving all the information that can be required, with a general description of the character, advantages and prospects of the company's property, are fully and plainly set forth in the prospectus.

THE PACIFIC COAST PETROLEUM COMPANY, of New York, have been duly organized under the laws of this State, with a sufficient capital to render available its capabilities and resources in what is believed to be an unlimited supply of Petroleum, not surpassed in quality.

Subscriptions payable as above when the sum of $800,000 is subscribed.
