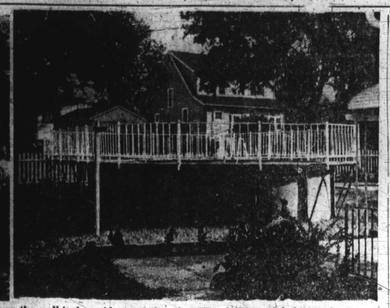
SLAIN MAN'S HOME in Forest Park has swimming pool in the back yard.



The deceased man and his wife, now accused of his murder, are counted among the well-to-do residents of the suburban area. Usually a boat and three late model, high priced cars are seen parked in the driveway.

WILLIAM ALBERT GILMORE
charged as accomplice of wife in murder of her husband

—Mr. Gilmore

(FROM PAGE ONE)

Charger with a bullet hole in the left chest after police received an anonymous phone call reporting a shooting.

Jack Marsh, director of State Police Public Relations told AFRO that it was a female voice that made the report of the shooting after which the dead body was found in drizzling rain on Race Rd. one mile off of Route 1.

Mystery and speculation surrounded the murder of the longshoreman, who had lived quietly in the 4000 block of Belview Ave. in the well-to-do Forest Park section of Baltimore.

The Forest Park home of the well-to-do Brown family is a luxurious dwelling equipped with a swimming pool in the back yard. The couple own a large boat and three cars.

Funeral services were held for Mr. Brown on Nov. 3. The body was shipped to Redspring, N.C. for burial.

Prior to Mrs. Brown's arrest, the AFRO had talked to her and she had stated that she didn't know of anyone who wanted to kill her husband and he hadn't been threatened.

She also told the AFRO a week before her arrest that her husband had gone to Howard County, his white Charger broke down on him and she said he had gone to fix it.

State Police Public Relations Officer reported that the murder case seemed to be at a standstill until police brought in witnesses who reported they had seen Mrs. Brown driving the Charger instead of her husband.

Although two persons, Mrs. Brown and William "Gilmore, have been charged with the slaying, police report there may be more arrests.
