COUGH SYRUP.

COUGH SYRUP.
COUGH SYRUP.
W. H. READ'S COMPOUND SYRUP OF LIVERWORT, for the cure of Coughs Colds, Croups, Asthma, Hoarseness, Bronchitis and Incipient Consumption.

This SYRUP is one of the most certain and effectual cures now in use, as has been proved by all who have given it a fair and impartial trial. There is no class of disease that is more neglected than this; and yet there is none that more certainly and surely undermines health. Many a *neglected Cough* has been but the precursor of long years of suffering; and many a Cold that has been permitted to run its course, has hurried its victim into the premature grave of the Consumptive. Every one knows that we be utter the truth when we say that a *very little* care and attention at *first* would have warded off that dreadful handmaid of death—Consumption—from many a one who is now lingering beneath its tortures. Be careful then now you neglect that Cough or Cold upon which you now look so lightly, and remember that a trifle expended upon some good Cough Remedy may preserve your life.

Certificates from the following gentlemen cannot fail to impress the public mind with the value of this truly valuable Remedy:

From REV. JAS. H. BROWN, Member of East Baltimore Conference.

This certifies that I have used W. H. Read's Cough Pectoral Syrup with the most happy effects, and recommend it as a most valuable medicine. JAS. H. BROWN.

From REV. ANDREW MANSHIP, Member of Philadelphia Conference.

WM. H. READ—Dear Sir—I have used your Syrup of Liverwort; it was of great service to my throat, and relieved me of a heavy cold. I can recommend it to clergymen and public speakers.
ANDREW MANSHIP.

From REV. WM W. HICKS, late Missionary from India.

Mr. Wm. H. Read, Sir:

I cheerfully recommend your Syrup to all persons affected with Coughs or Hoarseness, as a certain cure.

The Compound Syrup of Liverwort may truly be called the sufferers friend.
WM. W. HICKS.

We have many more certificates than we can publish, all speaking in the most emphatic terms of the great value of this medicine, and in every case recommending it to their friends. Among them may be found
REV. JAS. S. McMURRAY;
REV. GEORGE HILDT;
REV. SAMUEL A. WILSON;

MEDICAL.

CLEANSE THE BLOOD.

With corrupt, disordered or vitiated Blood, you are sick all over. It may burst out in Pimples, or Sores, or in some active disease, or it may merely keep you listless, depressed and good for nothing. But you cannot have good health while your blood is impure—AYER'S SARSAPARILLA purges out those impurities, and stimulates the organs of life into vigorous action, restoring the health and expelling disease. Hence it rapidly cures a variety of complaints which are caused by impurity of the blood, such as Scrofula, or King's Evil, Tumors, Ulcers, Sores, Eruptions, Pimples, Blotches, Boils, St. Anthony's Fire, Rose or Erysipelas, Tetter or Salt Rheum, Scald Head, Ring Worm, Cancer or Cancerous Tumors, Sore Eyes, Female Diseases, such as Retention, Irregularity, Suppression, Whites, sterility. Also Syphilis or Venereal Diseases, Liver Complaints and Heart Diseases. Try Ayer's Sarsaparilla and see for yourself the surprising activity with which it cleanses the blood and cures those disorders.

During late years the public have been misled by large bottles, pretending to give a quart of Extract of Sarsaparilla for one dollar. Most of these have been frauds upon the sick, for they not only contain little, if any, Sarsaparilla, but often no curative properties whatever. Hence, bitter disappointment has followed the use of the various extracts of Sarsaparilla which flood the market, until the name itself has become synonymous with imposition and cheat. Still we call his compound, "Sarsaparilla," and intend to supply such a remedy as shall rescue the name from the load of obloquy which rests upon it. We think we have ground for believing it has virtues which are irresistible by the ordinary run of the diseases it is intended to cure. We can only assure the sick, that we offer them the best alterative which we know how to produce, and we have reason to believe, it is by for the most effectual purifier of the blood yet discovered by any body.

AYER'S CHERRY PECTORAL, is so universally known to surpass every other remedy for the cure of Coughs, Colds, Influenza, Hoarseness, Croup, Bronchitis, Incipient Consumption, and for the relief of Consumptive Patients in advanced stages of the disease, that it is useless here to recount the evidence of its virtues. The world knows them.

Its property consists of a perpetual lease of about 75,000 acres of oil territory in San Luis, Obispo County, State of California, lying on and near the Pacific Ocean, being all the following five ranches, viz:

I. The Manuela Ranch, containing 16,934.63 acres.
II. The Arroyo Grande Ranch, containing 4,437.38 acres.
III. The Bolsas Chemical Ranch, containing 4,335.22 acres.
IV. The Pismo Ranch, containing [illegible] acres.
The Stone Corral Ranch, containing 30,911.90 acres.

The titles of these large tracts have been thoroughly examined and approved by Judge Parsons, of San Francisco.

All reports, written and verbal, of gentlemen who, during the past year, have visited and thoroughly examined this property carefully and scientifically, concur in representing it as overflowing with petroleum. They say:—"The Ranches are splendid estates, but their value is in their almost fabulous wealth in the best of oil."

The Company's lands for extend over ten miles on San Luis Bay, on the Pacific coast, with a good roadstead, where shipments can be made with facility to San Francisco, South America, Australia, China and New York.

The lands have a gentle slope to San Luis Bay, and there is full assurance of the practicability of conducting the oil, at a moderate expense, through pipes from the wells to reservoirs or tanks, to be constructed at this point, when it can be sent to the markets of the world, either in its crude state or refined, according to the demand.

The cost of shipping will not exceed 50 cts. per barrel, and the company will be enabled to deliver Petroleum at New York at $5 per barrel, and at Australia and China at reduced rates.

It is designed to develop fully and practically, the means and wealth of this property at the earliest practicable moment.

The varied details giving all the information that can be required, with a general description of the character, advantages and prospects of the company's property, are fully and plainly set forth in the prospectus.

THE PACIFIC COAST PETROLEUM COMPANY, of New York, have been duly organized under the laws of this State, with a sufficient capital to render available its capabilities and resources in what is believed to be an unlimited supply of Petroleum, not surpassed in quality.

Subscriptions payable as above when the sum of $500,000 is subscribed.
