DR. A. HUET, Graduate of the Medical Faculty of Paris, (France,) Member of the Medical and Chirurgical Faculty of Baltimore, Md., is the discoverer of the only Remedies for Diseases of a private character, without Mercury or noxious drugs. Recent cases cured in from 12 to 48 hours. A written guarantee. Chronic, inveterate and constitutional diseases, such as have been abandoned as incurable, are speedily and permanently cured. The treatment adapted by him is that which has the approval of the most distinguished Physicians of Paris, and its universal success in a practice of 40 years is proved, beyond a doubt, that the worst cases readily yield, and are thoroughly removed at once and forever from the system, especially all cases of constitutional debility; nervous diseases, and all the evils entailed by certain pernicious practices which ruin both body and mind, uniting the victim for either business, study, society or marriage, and a. those who are suffering the evil effects of improper indulgences, of whatever kind, can now be perfectly restored to natural health and vigor, in a brief period, by applying to one whose skill and experience can be relied on. *No exorbitant or unprofessional charges.*

Member of the Royal College of Surgeons, London, practising at one of the most eminent Colleges in the United States, and the greater part of whose life has been spent in the hospitals of London, Paris, Dublin, and elsewhere, has effected some of the most astonishing cures that were ever known; many troubled with ringing in the head and ears when asleep, great nervousness, being alarmed at sudden sounds, bashfulness, with frequent blushing, attended sometimes with derangement of the mind, were cured immediately.

These are some of the and and melancholy effects produced by early habits of youth, viz: Weakness of the Back and Limbs, Pains in the Head, Dimness of Sight, Loss of Muscular Power, Palpitation of the Heart, Dyspepsia, Nervous Irritability, Derangement of the Digestive Functions, General Debility, Symptoms of Consumption.

MENTALLY.—The fearful effects on the mind are much to be dreaded—Loss of Memory, Confusion of Ideas, Depression of Spirits, Evil Forebodings, Aversion to Society, Self Denial, Love of Solitude, Timidity, &c., are some of the evils produced.

PROPOSALS FOR REMOVING WRECKS, &c., IN THE CAPE FEAR RIVER.

BUREAU OF CONSTRUCTION AND REPAIR, NAVY DEPARTMENT,
April 13, 1865.

The Bureau will until the 11th day of May, 1865, receive proposals for raising and removing the vessels—supposed to be about 30 in number—sunk and beached in and about the mouth of Cape Fear river, North Carolina.

The hulls of the vessels are mostly of iron, and the machinery in many of them is represented as being in good order.

Separate and special offers covering a single vessel only will be received for raising and delivering in New York the "North Heath," the "Agnes Fry," and the "Chickamauga," with all the property that may be on board of them, on a salvage upon the net proceeds of the sale at public auction, the Government to be at no expense whatever.

For the remaining wrecks the proposals may be for a gar. or the whole of them, and must state the rate of salvage on the net proceeds of the sale at public auction, of the property recovered and delivered at the United States Navy Yard, at Gosport, Virginia, without charge of any kind to the Government.

The materials recovered must be delivered at the navy-yard, with a separate invoice for each vessel.

Each offer must state the time within which it is proposed to complete the work, which must be executed under the control of the commanding naval officer, who will designate the vessels on which operations are to be first commenced, and who will have the right if the work is not promptly commenced and diligently prosecuted, to annul the agreement, when all claim of the salvors to the property recovered will be forfeited to the Government.

The entire property will be placed in the hands of the Government, and sales will be made as may be deemed most advantageous to the Government and the parties concerned. Any other condition necessary for the protection of the public interests will be inserted in the agreement.

No proposition will be entertained from parties who do not furnish satisfactory evidence that they are prepared, with all the proper and necessary appliances, for the execution of work of this kind.

Parties who may visit Wilmington for the purpose of making a personal examination preliminary to making an offer will be permitted to do so by the naval officer in command.

The proposals must be endorsed on the envelope containing them, "Proposals for raising wrecks in Cape Fear River." apl7-3awtw

THE GREAT INVIGORANT,
THE GREAT NERVINE,
CURES, CURES, CURES,
NERVOUSNESS AND WEAKNESS

And all diseases arising from excesses and overexertion whether physical or mental.

To persons of feeble muscular frame, or deficient in vital power, it is recommended as the only means of communicating that energy which is necessary to the enjoyment of all the natural appetites, as well as the higher mental attributes. It is beneficial at any age to persons of either sex or any age. The feeble girl, the ailing wife, the Little-s, enervated youth, the overworn man of business, the victim of nervous depression, with its train of ills, suffering from general debility or from weakness, will find immediate and permanent relief from the use of this incomparable renovator.

A STIMULANT THAT ENTAILS NO REACTION.

Its force is never expended, as is the case with opium or alcoholic preparations, and all other excitants. The effect of these is brief, and it may well be said of him who takes them, "the last state of the man is worse than the first." But the Elixir is an exhilarant without a single drawback—its action is operative, rejuvenating in its happy influence upon the nerves, the mind, and the entire organization. In cases of neuralgia, headache, loss of memory, hypochondriasis, dyspepsia, general prostration, irritability, nervousness, inability to sleep, liver complaint, and all disease incident to females, hysterics, monomania, vague terrors, palpitation of the heart, barren fancies, constipation, &c., &c., from whatever cause arising, it is, if there is any reliance to be placed on human testimony, absolutely infallible.

It is the only infallible remedy yet discovered for Nervous Head and Mind Complaints. It is the metaphysic long sought for, and never before found, the only natural agent that can radically cure mental disease. In cases of Neuralgia, Headache, Vertigo, pain in the Nerves of the face, and the various train of Nervous Affections, it will produce a cure in a surprising manner. In epileptic cases, it will also remove Depression, Excitement, a Tendency to Blush, Restlessness, Sleeplessness, Dislike of Society, Incapacity for Study or Business, Loss of Memory, Accidental Giddiness, Blood to the Head, Melancholy, Mental Debility, Hysteria, Indecision, Wretchedness, Thoughts of Self-destruction, Fear of Insanity, &c. It will invigorate the whole system, strengthen the enervated, renew the health of those who have destroyed it, induce continual cheerfulness and equanimity of spirits, and prolong life.

MEDICAL.

AYER'S SARSAPARILLA

is a concentrated extract of the choice root, so combined with other substances of still greater alterative power as to afford an effectual antidote for diseases Sarsaparilla is reputed to cure.

Such a remedy is surely wanted by those who suffer from strumous complaints, and that one which will accomplish their cure must prove, as this has, of immense service to the public from the extent of its usefulness. How completely this compound will do it has been proven by experiment on many of the worst cases to be found in the following complaints:

Scrofula, Scrofulous Swellings and Sores, Skin Diseases, Pimples, Pustules, Blotches, Eruptions, St. Anthony's Fire, Rose or Erysipelas, Tetter or Salt Rheum, Scald Head, Ring-Worm, &c.

Syphilis or Venereal Disease is expelled from the system by the prolonged use of this SARSAPARILLA, and the patient is left in comparative health.

Female Diseases are caused by Scrofula in the blood, and are often soon cured by this EXTRACT OF SARSAPARILLA.

Do not discard this invaluable medicine, because you have been imposed upon by something pretending to be Sarsaparilla, while it was not. When you have used Ayer's, then, and not till then, will you have the virtues of Sarsaparilla. For minute particulars of the diseases it cures we refer you to Ayer's American Almanac, which the agent below named will furnish gratis to all who call for it.
