AMUSEMENTS.

Holliday Street Theatre.—The Ticket-of-Leave Man will be performed at this place of amusement to night, as the new sensational drama of the Gray Lady of Penarvon. The latter play will be put upon the stage with great effectiveness, and will embrace in its cast all of the favorites of the Holliday Company. The drama enjoyed a fine run at the Winter Garden, New York, and was highly spoken of by the press.

Front St. Theatre.—As the engagement of Miss Lotta draws to a close, the attendance of her admirers increases. Last night the theatre was uncomfortably filled, and the greatest delight possible was manifested by the spectators at the efforts of Miss Lotta. To morrow night she will be the recipient of a complimentary testimonial tendered by her admirers, and the affair will be a most brilliant one.

Return of the "Iron-Clads."—Our amusement seekers will be pleased to learn that Sharpley's "Iron-Clads," after a glorious campaign in Richmond, Norfolk and Petersburg, will arrive in this city on Tuesday next, and anchor for five nights at the Maryland Institute. The Iron-Clads have been placed in excellent mirth order since they departed from this port, and will return to us abundantly supplied with missiles of merriment to batter down dull care and the earthworks of sorrow.

Towsontown, May 24, 1865.

Circuit Court for Baltimore County.—Before Hon D. C. H. Emery. John T. Ensor Esq., prosecuting attorney for the State.

Simon Welsh, Thomas Cooper and Alexander Barnes, indicted for an assault on, and false imprisonment of Henry Achte, whose cases were tried yesterday and held *sub curia*, were adjudged guilty this morning by the court and fined fifty dollars each and costs. This was a removed case from Baltimore city. Simon Welsh is a magistrate, and Thomas Cooper and Alexander Barnes are constables in said city.

Henry Marshall and Wm. H. Marshall vs. William Slater—before reported—an action claiming $2,500 for masonry done on northern boundary of Baltimore city, by plaintiff for defendant, who was the contractor with the city for said work. The examination of evidence in this case occupied the court several days last week, and was postponed until to day in order to give time for the calling of the "magistrates' appeal docket." The examination of evidence was resumed this morning and occupied the attention of the court all day; case not concluded. Messrs. Gittings and Machen for plaintiff; Messrs Preston, Boarman and Gittings for defendant.

Adjourned until to-morrow morning at ten o'clock.

Wm. H. Curry, Esq., has been appointed Assistant Assessor of the Seventh Division of Baltimore county, embracing the Fifth, Sixth, and Seventh Districts, in the place of Mr. S. Hysore, who resigned the position.

COURT OF APPEALS OF MARYLAND.

April Term—1865.

Annapolis, May 23, 1865.

No 40. Michael Crise et al vs. Z. English, Executor of John Withers—an appeal from the Superior Court of Baltimore city. This cause was argued by Thos. S. Alexander, for the appellants, and R. B. Taney Campbell and D. M. Thomas, for the appellees. Not concluded.

Michael Trieber vs. Wm. Lanahan et al—an appeal from the Circuit Court for Allegany county. Justice Bartol delivered the opinion of the Court. Cause remanded without affirming or reversing the decree below.

THE GUARD OF CASTLE THUNDER.

A large Russian blood-hound, which for four years acted as the guard of Castle Thunder, has just been brought to this city by Mr. Sidney Munn, who is now stopping at the Astor House. This hound is probably one of the finest specimens of the canine tribe that has ever been seen in this city. Jet black, standing over three feet in height, with a huge but well proportioned head and body, and thews and sinews that might belong to a small bullock, he presents a very formidable appearance, and was doubtless an efficient guard to rebel prison. His weight is said to be about 180 pounds.

He was imported when quite young for the purpose of being trained to fight bears, in which amusement he soon became quite proficient. His owner states that within a year or two he has fought three pitched battles with full grown bears, and came off victorious in each.—He formerly belonged to a Capt. Alexander, who repeatedly refused $700 in gold for him, and matched him on one occasion in a bear fight for $12,000. The animal is said to possess an amiable temple when not provoked. His appetite is good, six or seven pounds of meat forming an ordinary meal. He is certainly one of the greatest curiosities that has yet been imported from Richmond.—*New York Times.*

FINANCIAL AFFAIRS.

MONETARY.

There was a fair amount of business transacted at the Board of Brokers yesterday and prices improved upon the sales of Tuesday. Gold was firm at 31¾, a slight advance over last quotations. A heavy shipment was made from Boston to Europe, and $330,000 from New York.

City stocks improved one-half per cent. and five-twenties declined one quarter. The latter was caused by the news of the China, stating that the loan had receded in Europe.

Santa Clara at the morning session opened at 13 and closed strong at 14, at the afternoon session it opened at 14¼ and closed at 15. This mine is now in successful operation and is yielding largely.

Copper Hill sold at 1 45, with a fair business doing, and Maryland Copper at 45. No business whatever was done in Railroad shares.

The work of marketing the third series of the seven-thirties is progressing very favorably considering all the circumstances of the case. Many persons, however, find fault with the Secretary of the Treasury for having altered somewhat the terms of subscription, and thereby, as it is said, lessening the amount of the daily receipts. The truth is, the Government has been paying too high a rate of interest, and, considering the ease of the money market, and the facility with which individuals, even those not in the best standing, could obtain loans at six per cent. it was the part of economy as well as prudence, to reserve the privilege of making the interest six per cent. in gold, and not seven and three-tenths currency, should circumstances make that course desirable for the Government.

We anticipate the completion of the work of marketing the loan before the close of the month of June, and of the current fiscal year; and this, too, without any serious disturbance of the prevailing ease in money in all the leading business centres of the country.

The thoroughness and evenness with which, under Mr. Cooke's supervision, the seven-thirties have been diffused through all the States, insure the business of the country from embarrassment by any financial contractions at the trade centres, otherwise likely to result from the drafts of the Treasurer of the United States on the various Government depositaries throughout the country.

The chief difficulty in the way of marketing the new series of the loan springs from the utter inability of the Treasury printing-presses to keep up the extraordinarily rapid sale of the notes. The enormous demands lately made, throw the mechanical force of the department heavily in arrears in this respect. In a short time this difficulty will be removed, and the notes of the new series will be ready for prompt delivery to subscribers by the 1st of June, at the latest, and continuously thenceforward.

CHAPTER 5.

AN ACT to add an article to the Code of Public General Laws, in relation to the Publication of Laws.

Section 1. *Be it enacted by the General Assembly of Maryland*, That the following Article be added to the Code of Public General Laws, under the title of "Publication of Laws:"

1. Every Public General Law, which is made to take effect before the first day of June next, after the session at which it may be passed, shall immediately after its passage be published at the expense of the State, daily for one week, in two daily newspapers of the city of Baltimore, and one newspaper in each county, having the largest circulation, if there be a paper published in said county.

2. Every Public Local Law made to take effect before the first day of June next, after the session at which it may be passed, shall immediately after its passage be published once in each of three successive weeks in all the newspapers of the respective counties in which it may operate; and in case there is no newspaper published in any county, then in such manner as the County Commissioners of said county may direct; and in case any such law is to operate in the city of Baltimore, then once in each week for three successive weeks in such daily newspapers published in said city as the Mayor thereof may direct; and the Mayor and City Council of Baltimore, and the County Commissioners of the several counties, shall provide for payment of the expenses of such publication.

3. A certified copy of every Public Local Law made to take effect as aforesaid, shall immediately after its passage be transmitted by mail, by the Secretary of the Senate, (if the same originated in the Senate,) and by the Chief Clerk of the House of Delegates, (if the same originated in the House of Delegates,) to the County Commissioners of the county or counties in which the same may operate, or to the Mayor of the city of Baltimore, if the same is to operate in that city; and it shall be the duty of the said County Commissioners and Mayor, upon receipt of such certified copy, to have the same published as provided in the preceding section.

4. A certified copy of every Public General Law made to take effect as aforesaid, shall be transmitted by mail, by the Secretary of the Senate, (if the same originated in the Senate,) and by the Chief Clerk of the House of Delegates, (if the same originated in the House of Delegates,) to such two daily newspapers of the city of Baltimore, and one newspaper in each county, having the largest circulation, (if there be a newspaper published in said county,) as the President of the Senate and the Speaker of the House of Delegates may respectively designate for publication, as provided in the first section of this Article.

Section 2. *And be it further enacted*, That this act shall take effect from the date of its passage.

CHAPTER 41.

AN ACT to make valid the official acts of Justices of the Peace and Constables who failed to qualify under the New Constitution within the required time, and who have been re-appointed and since qualified according to law.

Section 1. *Be it enacted by the General Assembly of Maryland*, That all the official acts of Justices of the Peace and Constables of this State who failed to qualify within the time required by the present Constitution, and who have been re-appointed to said offices respectively and since qualified as required by said Constitution and laws, be and the same are hereby made legal and valid in all respects as if the said Justices of the Peace and Constables had been legally qualified and authorized to perform such official acts at the times said acts and each of them were performed.

Sec. 2. *And be it enacted*, That this act shall take effect from the date of its passage.

CHAPTER 47.

AN ACT to add a new section to Article twenty-four of the Code of Public General Laws entitled "Conveyancing," to provide for the execution, acknowledgment and recording of bonds of conveyance and other obligations to convey real estate and to make valid such instruments as may have been heretofore executed, acknowledged and recorded.

Section 1. *Be it enacted by the General Assembly of Maryland*, That the following section be inserted in Article twenty-four of the Code of Public General Laws entitled, "Conveyancing," next after section twenty-seven of said article.

Sec. 2. *And be it enacted*, That this act shall take effect from the day of its passage.

CHAPTER 66.

AN ACT repealing certain sections of the twenty-ninth Article of the Code of Public General Laws relating to Special Judges, and enacting other sections in lieu thereof.

Section 1. *Be it enacted by the General Assembly of Maryland*, That sections seventy-two, seventy-three, seventy-four, seventy-five, seventy-six, seventy seven, seventy eight, seventy-nine, eighty and eighty-one, of Article twenty-nine of the Code of Public General Laws, entitled, "Courts," be and the same are hereby repealed, and that the following sections relating to the appointment of "Special Judges," in the place of the sections so repealed:

72. If the Judge of any Circuit Court or any Court in Baltimore city, is connected with a party in controversy by consanguinity or affinity within the fourth degree, counting down from the common ancestor to the more remote, he shall be disqualified from sitting in such cause, nor shall he sit in any cause wherein he may be interested, or in which he shall have been of counsel, nor in any case wherein his opinion it would be improper for him to sit, by reason of his relation to, or connection with any of the parties to such cause, and where any Judge is so disqualified, a Special Judge shall be appointed in his place, in the manner herein provided.

73. Whenever the Judge of any Circuit Court, or of any court in the city of Baltimore, shall be disqualified by any of the causes aforesaid, from sitting in any cause, civil or criminal, or in any case or proceeding pending in his court, (cases in equity excepted,) the Clerk of the court, unless the parties to such cause or proceeding by consent, shall appoint a person to try the same within two months after the announcement of the disqualification of the Judge, shall notify such disqualification to any Judge of the Court of Appeals, who shall forthwith appoint a proper person as a Special Judge to try the same, and the person so appointed shall proceed to the trial thereof at the next regular term of said court, after his appointment, and at such time during the term of said court, as the Judge thereof may not be engaged in the trial of any cause or proceeding in his said court, and for the purpose of such trial he shall have all the power and authority pertaining to the Judge of said court.

74. Whenever the Judge of any Circuit Court shall be disqualified as aforesaid, from sitting in any equity cause or causes pending in his court, the Clerk of the court, unless the parties by consent shall appoint a person to try the same within one month after the announcement of such disqualification, shall certify such disqualification to any Judge of the Court of Appeals, who shall forthwith appoint a person as Special Judge to try such causes, and the person so appointed, shall proceed to act therein until their final settlement in the same manner as the Judge of the said court could have acted but for his disqualification, and in case any of the parties to any such cause are infants, or otherwise incompetent to consent to the appointment of a person to try the same, then the notification and appointment of Special Judge, as before directed, shall be made immediately, and in like manner the notification and appointment of a Special Judge, shall be made immediately, whenever any such Judge shall be disqualified as aforesaid, to sit or act in any case of an application for an injunction or the appointment of a receiver.

75. If either of the Judges of the Courts of Baltimore city, having equity jurisdiction, shall be disqualified as aforesaid, to sit in any cause in equity pending in his court, the clerk of the court where the case is pending, unless the parties thereto, by consent, shall appoint a person to try the same within one month after the announcement of such disqualification, shall transmit all the papers in the case, with a copy of the docket entries to the other court, the judge whereof shall try the same, as if it had been instituted in his court; but in cases for an injunction, or the appointment of a receiver, the clerk of the court where the case is pending, immediately upon the announcement of the disqualification of the judge, shall notify the judge of the other court, having equity jurisdiction, who shall try the case and act therein, as if it had been instituted in his court.

76. If any of the defendants in any equity cause wherein the judge shall be disqualified, as aforesaid, are non residents, and shall not appear in compliance with an order of publication within ten days after the time fixed by said order for their appearance, the clerk shall certify the fact of their not appearing, and the disqualification of the judge, to any Judge of the Court of Appeals, if the case be pending in any of the Circuit Courts, who shall appoint a proper person as a special judge to try the same, as directed in the preceding sections; and if the case be pending in either of the courts of Baltimore city having equity jurisdiction, the clerk thereof shall certify the fact of such non-appearance and disqualification, and transmit the papers in the case, with a copy of the docket entries, to the other court, the judge whereof shall try the case as if it had been instituted in his court.

77. Whenever a Judge of any Circuit Court, or of any of the Courts of Baltimore city, shall be unable, by reason of sickness, or any other cause, to hold any regular law or equity term of his court, or to sit in any cause or causes, civil or criminal, pending in his court, it shall be the duty of the clerk of such court to certify said inability, and the cause thereof, to any Judge of the Court of Appeals, who, on the receipt of such certificate, shall appoint a proper person as a special judge, to hold such term and try all cases in said court, whether civil or criminal, which, by the rules thereof, are or may be ready for trial at such term, and any special judge so appointed shall have full power to summon grand and petit jurors, and to do all things necessary to the holding of such term or the trial of such causes.

78. If any special judge shall die, resign or refuse to act, another may be appointed in his place, and appointments may be made until a Judge shall be procured who will act.

79. In all cases in which the State shall be a party to a cause, the State's Attorney for the county or city, in which the case may be for trial, may consent for and on behalf of the State to the appointment of a person to try the same.

80. Every person who shall be appointed a special judge under any of the aforesaid provisions, before he acts as such shall take an oath before the clerk of the court that he will try the cases he is appointed to try without partiality or prejudice, to the best of his ability, which oath shall be entered by the clerk on his test book, and signed by the judge taking the same. But if the judge appointed to try any equity case does not reside in the county in which the Circuit Court is held, where said case is pending, he may take such oath before the clerk of the county, in the county where such special judge resides, which oath shall be signed by him, and filed in the cause, before he proceeds to act in or try the same.

81. Every person appointed a special judge, under any of the aforegoing provisions, shall be allowed ten dollars per day for every day he shall be necessarily engaged in hearing, trying, continuing or otherwise disposing of such cause or causes as he may be appointed to try, and ten cents per mile for every mile he shall travel by the usual route in going to and returning from the place where such cause or causes may be for trial, the said per diem and mileage to be paid out of the treasury.

Sec. 2. *And be it enacted*, That this act shall take effect from the date of its passage.

CHAPTER 67.

AN ACT to regulate and make uniform the fees of Constables.

Section 1. *Be it enacted by the General Assembly of Maryland*, That all Public Local Laws relating to the fees of Constables be and the same are hereby repealed.
