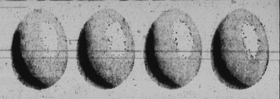
THERE ARE GRADE "A"



AND

THERE ARE GRADE "A"

Not all Grade "A" eggs are alike.
To be labeled Grade "A"
eggs must meet certain minimum requirements.

There is many an egg that can be called Grade "A"
that just never could be a Sunnybrook Egg.

Sunnybrook Eggs...they're our best.
They have to be well above the minimum
or they won't make the grade with us.

Break one in a pan, notice how proud the yolk sits up.
That's the sign of a good egg...a fresh egg...
a Sunnybrook Egg.

Try Sunnybrook. And if you ever find
just one egg that doesn't measure up,
we'll give you a dozen free.
12 for 1...that's pretty good odds.

Mandel may pick Dobson

ANNAPOLIS — The Rev. Vernon Dobson, head of the Interdenominational Ministerial Alliance, is being frequently mentioned as a replacement on the Board of Trustees of State Colleges, as a result of the resignation last year of Judge Robert B. Watts.

Gov. Mandel is expected to name a new trustee to the state body sometime later this month.

Presently, the only black member on the board is Vice Chairman Elaine C. Davis.

HOUSTON — Dr. Hortense Dixon, director of the Texas Southern University University Year for ACTION project, has announced that 36 TSU students have volunteered. The graduate students will spend a year of off-campus involvement, addressing themselves, their skills and the resources of the university to the problems peculiar to economically deprived, highly impacted urban centers. Texas Southern will operate the project on a $34,545 grant awarded last week by ACTION, the national office of service volunteers. The students are assigned to organizations sponsoring anti-poverty projects in low-income areas of Houston.
