SEWING MACHINES.

THE "FLORENCE" AMERICAN INVENTORS' GREAT TRIUMPH. THE SEWING MACHINE PERFECTED.

All the objections to other Machines are overcome in the Florence. It makes four different Stitches with the same ease, and with as little machinery as others make one. Besides, it has the reversible feed motion—a uniform self-regulating tension of thread and no springs, cog-wheels, or cams to get out of order.

It does all kinds of Family Sewing, from the heaviest woolens to the most delicate fabrics, using all kinds of Silk, Cotton and Linen Thread, from No. 20 to 200. No other MACHINE does so large a range of work as the Florence. No other MACHINE pleases the ladies so well as the Florence. The Florence is the only perfect Family Sewing Machine warranted to give entire satisfaction, or money returned. There is no one who owns the Florence would sell it at cost.

Call and see its operations, whether you wish to purchase or not.

Samples of sewing with price list, sent free by mail.

SEWING MACHINES.

On all sides we hear the merits of the
GROVER & BAKER'S
CELEBRATED SEWING MACHINE
extolled. The ladies declare it the "very best," and prove it to us in so many undeniable facts that we are bound to confess our conviction of the truth of the declaration. What other machine will embroider so beautifully, braid so elegantly, hem so faultlessly, quilt so evenly, stitch so accurately, gather so regularly, operate so easily? None, we conscientiously affirm.

MEDICAL.

DR. A. HUET, Graduate of the Medical Faculty of Paris, (France,) Member of the Medical and Chirurgical Faculty of Baltimore, Md., is the discoverer of the only Remedies for Diseases of a private character, without Mercury or noxious drugs. Recent cases cured in from 12 to 48 hours, on written guarantee. Chronic, inveterate and constitutional diseases, such as have been abandoned as incurable, are speedily and permanently cured. The treatment adopted by him is that which has the approval of the most distinguished Physicians of Paris, and its universal success in a practice of 40 years has proved, beyond a doubt, that the worst cases readily yield, and are thoroughly removed root and forever from the system, especially all cases of constitutional debility; nervous affections, which soon or later turn to consumption, and all the evils entailed by certain pernicious practices which ruin both body and mind, making the victim for either business, study, society or marriage, and to those who are suffering the evil effects of improper indulgences, of whatever kind, can now be perfectly restored to natural health and vigor, in a brief period, by applying to one whose skill and experience can be relied on. *No charge but one, and no unprofessional charges.*

Distant Patients consulted by letter and remedies forwarded; cases can be taken in the most convenient and private manner.

DR. JOHNSTON,

Member of the Royal College of Surgeons, London, graduate from one of the most eminent Colleges in the United States, and the greater part of whose life has once spent in the hospitals of London, Paris, Philadelphia and elsewhere, has effected some of the most astonishing cures that were ever known; many troubled with ringing in the head and ears when asleep, great nervousness, being alarmed at sudden sounds, palpitation, with frequent blushing, attended sometimes with derangement of the mind, were cured immediately.

These are some of the sad and melancholy effects produced by early habits of youth, viz: Weakness of the Back and Limbs, Pains in the Head, Dullness of Sight, Loss of Muscular Power, Palpitation of the Heart, Dyspepsia, Nervous Irritability, Derangement of the Digestive Functions, General Debility, Symptoms of Consumption.

MENTALLY—The fearful effects on the mind are much to be dreaded—Loss of Memory, Confusion of Ideas, Depression of Spirits, Evil Forebodings, Aversion to Society, Self Doubt, Love of Solitude, Timidity, &c., are some of the evils produced.

UNITED STATES
7-30 LOAN,

THIRD SERIES.

$230,000,000.

By authority of the Secretary of the Treasury, the undersigned, the General Subscription Agent for the sale of United States Securities, offers to the public the third series of Treasury Notes, bearing seven and three-tenths per cent. interest per annum, known as the

7-30 LOAN.

These notes are issued under date of July 15, 1865, and are payable three years from that date in currency, or are convertible at the option of the holder into

U. S. 5-20 Six per Cent.
GOLD-BEARING BONDS

These Bonds are now worth a handsome premium, and are exempt, as are all the Government Bonds, *from State, County, and Municipal taxation, which adds from one to three per cent. per annum to their value*, according to the rate levied upon other property. The interest is payable semi-annually by coupons attached to each note, which may be cut off and sold to any bank or banker.

The interest at 7.30 per cent. amounts to

One cent per day on a	$50 note.
Two cents " " "	$100 "
Ten " " " "	$500 "
20 " " " "	$1000 "
$1 " " " "	$5000 "

Notes of all the denominations named will be promptly furnished upon receipt of subscriptions.

The notes of this Third Series are precisely similar in form and privileges to the Seven-Thirties already sold, except that the Government reserves to itself the option of paying interest in gold coin at 6 per cent. instead of 7 3-10ths in currency. Subscribers will deduct the interest in currency up to July 15th, at the time when they subscribe.

The delivery of the notes of this third series of the Seven-thirties will commence on the 1st of June, and will be made promptly and continuously after that date.

The slight change made in the conditions of this THIRD SERIES affects only the matter of interest. The payment in gold, if made will be equivalent to the currency interest of the higher rate.

The return to specie payments, in the event of which only will the option to pay interest in Gold be availed of, would so reduce and equalize prices that purchases made with six per cent. in gold would be fully equal to those made with seven and three-tenths per cent. in currency. This is

THE ONLY LOAN IN MARKET

Now offered by the Government, and its superior advantages make it the

Great Popular Loan of the People.

Less than $200,000,000 of the Loan authorized by Congress are now on the market. This amount, at the rate at which it is being absorbed, will all be subscribed for within sixty days, when the notes will undoubtedly command a premium, as has uniformly been the case on closing the subscriptions to other Loans.

In order that citizens of every town and section of the country may be afforded facilities for taking the loan, the National Banks, State Banks, and private Bankers throughout the country have generally agreed to receive subscriptions at par. Subscribers will select their own agents, in whom they have confidence, and who only are to be responsible for the delivery of the notes for which they receive orders.

NERVOUSNESS AND WEAKNESS!

All diseases arising from excesses and dissipation whether physical or mental.

Persons of feeble muscular frames, or deficient in vital power, it is recommended as the only means of communicating that energy which is necessary to the enjoyment of all the natural appetites, as well as the higher mental attributes. Its beneficial effects are not confined to either sex or any age. To feeble girls, the ailing wife, the listless overwatched youth, the overworked man of business, the victim of a sedentary profession, the individual suffering from general debility from weakness, will find immediate and permanent relief from the use of this invigorating restorative.

A STIMULANT THAT ENTAILS NO REACTION.

Its force is never expended, as is the case with opium, alcoholic preparations, and all other excitants. The effect of these is brief, and it may well be said of him who takes them, "the last state of the man is worse than the first." But the Elixir is an enduring tonic, and an evidence of it is that it will produce a cure in a surprisingly short period of time; and it will also remove Depression, Excitement, a tendency to Blush, Restlessness, Sleeplessness, Pimples of Society, Incapacity for Study, Loss of Memory, Confusion of Ideas, Blood to the Head, Melancholy, Nervous Debility, Hysterics, Indecision, Wakefulness, Thoughts of Self-Destruction, Dyspepsia, &c. It will increase and restore the appetite, strengthen the emaciated, renew the health of those who have destroyed it, induce continual cheerfulness and a vigorous activity, and prolong life.
