SEWING MACHINES.

THE "FLORENCE" AMERICAN INVENTORS' GREAT TRIUMPH. THE SEWING MACHINE PERFECTED.

All the objections to other Machines are overcome in the Florence. It makes four different stitches with the same ease, and with as little machinery as others make one. Besides, it has the "reversible feed motion—a uniform self-regulating tension of thread and no springs, cog-wheels, or cams to get out of order.

It does all kinds of Family Sewing, from the heaviest woolens to the most delicate fabrics, using all kinds of Silk, Cotton and Linen Thread, from No. 20 to 200. No other MACHINE does so large a range of work as the Florence. No other MACHINE pleases the ladies so well as the Florence. The Florence is the only perfect Family Sewing Machine warranted to give entire satisfaction, or money returned. There is no one who owns the Florence we would sell it at cost.

Call and see its operations, whether you wish to purchase or not.

Samples of sewing with price list, sent free by mail.

SEWING MACHINES.

On all sides we hear the merits of the GROVER & BAKER'S *CELEBRATED SEWING MACHINE* extolled. The ladies declare it the "very best," and prove it to us in so many undeniable facts that we are bound to confess our conviction of the truth of the declaration. What other machine will embroider so beautifully, hem so elegantly, fasten so faithfully, quilt so evenly, stitch so accurately, gather so regularly, operate so easily? None, we conscientiously affirm.

MEDICAL.

DR. A. HUET, Graduate of the Medical Faculty of Paris, (France,) Member of the Medical and Chirurgical Faculty of Baltimore, Md., is the discoverer of the only Remedies for Diseases of a private nature, either without Mercury or noxious drugs. Recent cases cured in from 12 to 48 hours, on written guarantee. Chronic, inveterate and constitutional diseases, such as have been abandoned as incurable, are speedily and permanently cured. The treatment adopted by him is that which has the approval of the most distinguished Physicians of Paris, and its marvellous success in a practice of 40 years has proved, beyond a doubt, that the worst cases readily yield, and are thoroughly removed 24 once and forever from the system, especially all cases of constitutional debility; nervous diseases, which soon or late turns to consumption, and all the evils entailed by certain, pernicious practices which ruin both body and mind, unfitting the victim for either business, study, society or marriage, and to those who are suffering the evil effects of improper indulgences, of whatever kind, can be perfectly restored to natural health and vigor, in a brief period, by applying to one whose skill and experience can be relied on. *No mercurial or empyrical dosing.*

Instant Patients consulted by letter and remedies forwarded that can be taken in the most convenient and private manner.

DR. JOHNSTON,

Member of the Royal College of Surgeons, London, graduate from one of the most eminent Colleges in the United States, and the greater part of whose life has been spent in the hospitals of London, Paris, Philadelphia and elsewhere, has effected some of the most astonishing cures that were ever known; many troubled with ringing in the head and ears when asleep, great nervousness, being alarmed at sudden sounds, bashfulness, with frequent blushing, attended sometimes with derangement of the mind, were cured immediately.

These are some of the sad and melancholy effects produced by early habits of youth, viz: Weakness of the Back and Limbs, Pains in the Head, Dimness of Sight, Loss of Muscular Power, Palpitation of the Heart, Dyspepsia, Nervous Irritability, Derangement of the Digestive Functions, General Debility, Symptoms of Consumption.

MENTALLY.—The fearful effects on the mind are much to be dreaded—Loss of Memory, Confusion of Ideas, Depression of Spirits, Evil Forebodings, Aversion to Society, Self-Distrust, Love of Solitude, Timidity, &c., are some of the evils produced.

Flat-hooped and machine made barrels will be rejected. Flour to be ready for delivery within ten days from date of award. Proposals for each grade must be on separate sheets of paper.

Proposals must be on blank forms, furnished at this office. The certificate attached to the proposals must be signed by two responsible parties.

Express charges on samples must be prepaid, or the proposal will not be considered. Each bid must have a printed copy of this advertisement pasted at its head, and must be specific in complying with all its terms.

Proposals must not be enclosed with the samples, but be delivered separate, and endorsed "Proposals for Subsistence Stores."

In all cases not specially excepted the delivery must be made at the time specified. In case of failure, the United States reserves the right of purchase elsewhere to make up the deficiency, charging the advance paid over contract price to the party failing to deliver.

Contractors are expected to hold their goods without expense to the United States until required for shipment.

Payments to be made after the delivery of the stores in such funds as may be on hand, if none on hand, to be made as soon as received.

NAVY DEPARTMENT,
BUREAU OF YARDS AND DOCKS,
May 27, 1865.

SEALED PROPOSALS for each class separately, endorsed "Proposals for Class No. (name the class) for the navy yard at (name the yard,)" will be received at this office until the 23d June next, at 12 o'clock M., at which hour the opening of the bids will be commenced for furnishing and delivering at the seven navy yards named the materials and articles embraced in printed schedules, which, with full instructions, will be furnished on application, and sent by mail, if so requested, to persons desiring to offer to contract for any or all of the classes named therein, by the commandants of the several navy yards, for the classes for the yards under their command, or by the navy agent nearest thereto, or by the Bureau for any or all of the yards.

In consequence of recent orders to retrench Government expenses, only fifty per cent. of the quantity of articles named in the schedule for navy yards, excepting for building materials, machinery, coal and Naval supplies, will be required or received, but bidders will affix the prices and carry out the amounts on all the articles named in the schedules, in order that the bids may be uniform.

To prevent confusion and mistakes in scaling the offers, no bid will be received which contains classes for more than one yard in one envelope; nor any bid which is not perfect and complete in itself according to the forms of offer and guarantee, and each individual of a firm must sign the bid and contract.

Bidders are hereby cautioned and particularly notified that their offers must be in the form hereinafter prescribed, and be mailed in time to reach their destination before the time expires for receiving them; *no bid will be considered which shall be received after the period stated, and no allowance will be made for failures of the mail.* All offers must be accompanied by the bidder's license, or a certified copy thereof.

To guard against offers being opened before the time appointed, bidders are requested to endorse on the envelope, above the address, and draw a line under the endorsement, thus:

"Proposals for Class No. (name the class) for the Navy Yard at (name the yard)."

"To the Chief of the Bureau of Yards and Docks, Washington D. C."

Instructions and forms of offer, with copies of the laws bearing on the subject, will be furnished by commandants of yards, navy agents, and the Bureau, on application to all or either of them.

NERVOUS DISEASES

DR. BRADSHAW'S INVIGORATING CORDIAL.

DR. BRADSHAW'S INVIGORATING CORDIAL.

THE GREAT INVIGORANT,
THE GREAT NERVINE,
CURES FOR NERVOUS DISEASES.

NERVOUSNESS AND WEAKNESS.

And all diseases arising from excesses and overexertion whether physical or mental.

The experience of medical men proves that deficient in vital power, it is recommended as the only means of communicating that energy which is necessary to the enjoyment of all the natural faculties, and the exercise of higher mental attributes. Its beneficial effects are not confined to either sex or any age. The feeble girl, the ailing wife, the listless, enervated youth, the overworn man of business, the victim of nervous depression, the individual suffering from general debility or from weakness, will find immediate and permanent relief from the use of this incomparable restorative.

A STIMULANT THAT ENTAILS NO REACTION.

Its force is never expended, as is the case with opium or alcoholic preparations, and all other excitants. The effect of these is brief, and it may well be said of him who takes them, "the last state of the man is worse than the first." But the Elixir is an abstract without a single drug or dram—and its operation, perpetual in its happy influence upon the nerves, the mind, and the entire organization. In cases of neuralgia, headache, loss of memory, sleeplessness, dyspepsia, general prostration, irritability, nervousness, inability to sleep, liver complaint, and all diseases incident to females, hysterics, menstrualgia, vague nervous impulses of the heart, barrenness, constipation, &c., &c., from whatever cause arising, it is, if there is any reliance to be placed on human testimony, absolutely infallible.

It is the only infallible remedy, yet discovered for Nervous Head and Mind Complaints. It is the metaphysic long sought for, and never before found, the only friend and agent that can "soothe the troubled spirit." In cases of Neuralgia, Headache, Vertigo, pain in the Nerves of the face, and all the various train of Nervous Affections, it will produce a cure in an incredibly short period of time; and it will also remove depression, Excitement, a Tendency to Blush, Restlessness, Sleeplessness, Dislike of Society, incapacity for Study, Loss of Memory, Confusion, Giddiness, Blood to the Head, Melancholy, Mental Debility, Hysterics, Indecision, Wretchedness, Thoughts of Self-Destruction, Fear of Insanity, &c. It will increase and restore the appetite, strengthen the emaciated, renew the health of those who have destroyed it, induce continual cheerfulness and equanimity of spirits, and produce sleep.
