SEWING MACHINES.

THE "FLORENCE" AMERICAN INVENTORS' GREAT TRIUMPH. THE SEWING MACHINE PERFECTED.

All the objections to other Machines are overcome in the Florence. It makes four different stitches with the same ease, and with as little machinery as others make one. Besides, it has the reversible feed motion—a uniform self-regulating tension of thread and no springs, cog-wheels, or cams to get out of order.

It does all kinds of Family Sewing, from the heaviest woolens to the most delicate fabrics, using all kinds of Silk, Cotton and Linen Thread, from No. 30 to 360. No other MACHINE does so large a range of work as the Florence. No other MACHINE pleases the ladies so well as the Florence. The Florence is the only perfect Family Sewing Machine warranted to give entire satisfaction, or money returned. There is no one who owns the Florence would sell it at cost

Call and see its operations, whether you wish to purchase or not.

SEWING MACHINES.

On all sides we hear the merits of the GROVER & BAKER'S *CELEBRATED SEWING MACHINE,* extolled. The ladies declare it the "very best" and prove it to us in so many undeniable ways that we are bound to confess our conviction of the truth of the declaration. What other machine will embroider so beautifully, braid so elegantly, hem so faultlessly, quilt so evenly, stitch so accurately, gather so regularly, operate so easily? None, we conscientiously affirm.

☞ Call and examine the Machines and Work.

MEDICAL.

DR. A. HUET, Graduate of the Medical Faculty of Paris, (France,) Member of the Medical and Chirurgical Faculty of Baltimore, Md., is the discoverer of the only Remedies for Diseases of a private character, without Mercury or any other drugs. Recent cases cured in from 1 to 48 hours. Certain written guarantee. Chronic, inveterate and constitutional diseases, such as have been abandoned as incurable, are speedily and permanently cured. The treatment adopted by him is that which has the approval of the most distinguished Physicians of Paris, and its universal success in a practice of 48 years has proved, beyond a doubt, that the worst cases readily yield, and are thoroughly removed MORE and forever from the system, especially all cases of constitutional debility, nervous diseases, which soon result in consumption, and all the evils entailed by certain pernicious practices which ruin both body and mind, unfitting the victim for either business, study, society or marriage, and to those who are suffering the evil effects of improper indulgences, of whatever kind, can now be perfectly restored to health and vigor, in a short, brief period, by applying to one whose skill and experience can be relied on. *No mercurial or unprofessional charges.*

Distant Patients consulted by letter and remedies forwarded that can be taken in the most convenient and private manner.

DR. JOHNSTON,

Member of the Royal College of Surgeons, London, graduate from the most eminent Colleges in the United States, and the greater part of whose life has been spent in the hospitals of London, Paris, Philadelphia and elsewhere, will answer all cases of the most astonishing cures that were ever known; many troubled with ringing in the head and ears when asleep, great nervousness, being alarmed at sudden sounds, bashfulness, with frequent blushing, attended sometimes with derangement of the mind, were cured immediately.

These are some of the sad and melancholy effects produced by early habits of youth, viz: Weakness of the Back and Limbs, Pains in the Head, Dimness of Sight, Loss of Muscular Power, Palpitation of the Heart, Dyspepsia, Nervous Irritability, Derangement of the Digestive Functions, General Debility, Symptoms of Consumption.

MENTALLY—The fearful effects on the mind are much to be dreaded—Loss of Memory, Confusion of Ideas, Depression of Spirits, Evil Forebodings, Aversion to Society, Self Distrust, Love of Solitude, Timidity, &c., are some of the evils produced.

NAVY DEPARTMENT, BUREAU OF YARDS AND DOCKS, May 27, 1865.

SEALED PROPOSALS for each class separately, endorsed "Proposals for Class No. (name the class) for the navy yard at (name the yard)," will be received at this office until the 23d June next, at 1 o'clock P. M., at which hour the opening of the bids will be commenced for furnishing and delivering at the several navy yards named the materials and articles embraced in printed schedules, which, with full instructions, will be furnished on application, and sent by mail, if so requested, to persons desiring to offer to contract for any or all of the classes named therein, by the commandants of the several navy yards, for the classes for the yards under their command, or by the navy agent nearest thereto, or by the Bureau for any or all of the yards.

In consequence of recent orders to retrench Government expenses, only fifty per cent. of the quantity of articles named in the schedule for navy yards, excepting for building materials, machinery, coal and Naval Asylum, will be required or reserved, but bidders will state the prices and carry out the amounts on all the articles named in the schedules, in order that the bids may be uniform.

To prevent delays from and mistakes in sealing the offers, no bid will be received which contains classes for more than one yard in one envelope; nor any bid which is not perfect and complete in itself according to the forms of specification, and signed by the individual of a firm must sign the bid and contract.

Bidders are hereby cautioned and particularly notified that their offers must be in the form hereinafter prescribed, and be mailed in time to reach their destination before the time expires for receiving them; *no bid will be considered which shall be received after the period stated, and no allowance will be made for failures of the mail.* All offers must be accompanied by the bidder's likeness, or a certified copy thereof.

Regard against offers being opened before the time appointed, bidders are requested to endorse on the envelope, above the address, and draw a line under the endorsement, thus:

"Proposals for Class No. (name the class) for the Navy Yard at (name the yard)."

"To the Chief of the Bureau of Yards and Docks, Washington, D. C."

Instructions and forms of offer, with copies of the laws bearing on the subject, will be furnished by commandants of yards, navy agents, and the Bureau, on application to aid or either of them.

MEDICAL.

AYER'S CATHARTIC PILLS Are the most perfect purgative yet discovered, and the result of years of research, during which we think has every yet been made by any body. Their effects have abundantly shown that they are the most active pills they excel the ordinary medicines in use. They are safe and pleasant to take, but powerful to cure. The penetrating properties stimulate the vital powers of the body, remove the obstructions of its organs, purify the blood, and expel disease. They purge out the foul humors which breed and grow distemper, stimulate sluggish or disordered organs into their healthy action, and impart a healthy tone with strength to the whole system. Not only do they cure the every day complaints of everybody, but also formidable and dangerous diseases. While they produce powerful effects, they are at the same time, in diminished doses, the safest and best physic that can be employed for children. Have gaining convinced, they are placed out to say and, being purely vegetable, are free from any risk of harm. Cures have been made which surpass belief, were they not substantiated by testimony and by the reliability of the parties, to forbid the suspicion of untruth. Many eminent clergymen and physicians have lent their names to certify to the public the reliability of our remedies, with others have sent us the assurance of their conviction that our Preparations contribute immensely to the relief of our afflicted, suffering fellow man.

The Agent below named is pleased to furnish gratis our American Almanac, containing directions for the use and certificates of their cures, of the following complaints:—

Costiveness, Bilious Complaints, Rheumatism, Dropsy, Heartburn, Headache arising from foul stomach, Nausea, Indigestion, Morbid inaction of the Bowels and Pain arising therefrom, Flatulency, Loss of Appetite, all Diseases which require an evacuant medicine. They also, by purifying the blood and stimulating the vital powers, many complaints which it would not be supposed they could reach, such as Deafness, Partial blindness, Neuralgia and Nervous Irritability, Derangement of the Liver and Kidneys, Gout, and other kindred complaints arising from a low state of the body, or obstruction of its functions.

Do not be put off by unprincipled dealers with other pretentious pills, but insist on your being supplied with AYER'S and take no others. The sick want the best aid there is for them, and they should have it.

Prepared by Dr. J. C. AYER & Co., Lowell, Mass., and sold by all Druggists.

NERVOUS DISEASES CONTROLLED AND CONQUERED.

DR. BRADSHAW'S INVIGORATING CORDIAL.

DR. BRADSHAW'S INVIGORATING CORDIAL.

DR. BRADSHAW'S INVIGORATING CORDIAL.

THE GREAT INVIGORANT, THE GREAT NERVINE. CURES, CURES, CURES. *NERVOUSNESS AND WEAKNESS* And all diseases arising from excesses and overexertion whether physical or mental.

To persons of feeble muscular frame, or deficient vital power, it is invaluable, as it renders the only means of communicating that energy which is necessary to the enjoyment of all the natural appetites, as well as the higher mental attributes. Its beneficial effects are not confined to either sex or any age. The feeble girl, the ailing wife, the listless, enervated youth, the overworn man of business, the victim of nervous depression, the individual suffering from general debility or from weakness, will find immediate and permanent relief from the use of this inestimable renovator.

A STIMULANT THAT ENTAILS NO REACTION.

Its force is never expended, as is the case with opium or alcoholic preparations, and all other excitants. The effect of these is brief, and it may well be said of him who takes them, "the last state of the man is worse than the first." But the Elixir is an enhancer without a single drawback—safe in its operation, perpetual in its duration, influence upon the nerves, the mind, and the entire organization. In cases of neuralgia, headache, loss of memory, hypochondriasis or hypos, general prostration, sleeplessness, nervousness, inability to sleep, liver complaint, and all diseases incident to females, hysterics, monomania, vague terrors, palpitation of the heart, horrible dreams, convulsions, &c., &c., from whatever cause arising, it is, if there is any reliance to be placed on human testimony, absolutely infallible.

It is the only infallible remedy yet discovered for Nervous Head and Mind Complaints. It is the metaphysic long sought for, and never before found, the only external agent that can "administer to a mind diseased." In cases of Neuralgia, Headache, Vertigo, pain in the Nerves of the face, and all the various train of nervous affections, it will produce a cure in an astonishing short period of time; and it will also remove Depression, Excitement, a Tendency to Blush, Restlessness, Sleeplessness, Dislike of Society, Incapacity for Study or Business, Loss of Memory, Confusion, Giddiness, Flood to the Head, Melancholy, Mental Imbecility, Hysterics, Indecision, Wretchedness, Thoughts of self-destruction, Fear of insanity, &c. It will increase and restore the appetite, strengthen the emaciated, renew the health of those who have destroyed it, increase continual cheerfulness and equanimity of spirits, and prolong life.

Price $2 per bottle, or two bottles for $3 six bottles for $12. For sale by SETH S. HANCE, 199 Baltimore street, Baltimore, Md.
