SEWING MACHINES.

THE "FLORENCE" AMERICAN INVENTORS' GREAT TRIUMPH. THE SEWING MACHINE PERFECTED.

All the objections to other Machines are overcome in the Florence. It makes four different Stitches with the same ease, and with as little machinery as others make one. Besides, it has the reversible feed motion—a uniform self-regulating tension of thread and no springs, cog-wheels, or cams to get out of order.

It does all kinds of Family Sewing, from the heaviest woolens to the most delicate fabrics, using all kinds of Silk, Cotton and Linen Thread, from No. 20 to 200. No other MACHINE does so large a range of work as the Florence. No other MACHINE pleases the ladies so well as the Florence. The Florence is the only perfect Family Sewing Machine warranted to give entire satisfaction, or money returned. There is no one who owns the Florence would sell it at cost.

Call and see its operations, whether you wish to purchase or not.

Samples of sewing with price list, sent free by mail.

SEWING MACHINES.

On all sides we hear the merits of the GROVER & BAKER'S *CELEBRATED SEWING MACHINE* extolled. The ladies declare it the "very best," and prove it to us in so many undeniable facts that we are bound to confess our conviction of the truth of the declaration. What other machine will embroider so beautifully, braid so elegantly, hem so faultlessly, quilt so evenly, stitch so accurately, gather so regularly, operate so easily? None, we conscientiously affirm.

AYER'S PILLS

Are you sick, feeble and complaining? Are you out of order, with your system deranged and your feelings uncomfortable?—These symptoms are often the prelude to serious illness. Some fit of sickness is creeping upon you, and should be averted by a timely use of the right remedy. Take AYER'S PILLS, and cleanse out the disordered humors—purify the blood, and let the fluids move on unobstructed in health again. They stimulate the functions of the body into vigorous activity, purify the system from the obstructions which make disease. A cold settles somewhere in the body, and deranges its natural functions. These, if not relieved, reach upon themselves and the surrounding organs, producing general aggravation, suffering and derangement. While on this subject, take Ayer's Pills, and see how quickly they restore the natural action of the system, and with it the buoyant feeling of health again.

What is true and so apparent in this trivial and common complaint is also true in many of the deep-seated and dangerous distempers. The same purgative effect expels them. Caused by similar obstructions and derangements of the natural functions of the body, they are rapidly and may of them surely cured by the same means. None who know the virtue of these Pills will neglect to employ them when suffering from the disorders they cure, such as headache, Foul Stomach, Dyspepsy, Bilious Complaints, Indigestion, Derangements of the Liver, Costiveness, Constipation, Heartburn, Rheumatism, Dropsy, Worms and Suppression, when taken in large doses.

They are so delicate compounded that the most sensitive can take them easily, and they are sure the best purgative medicine yet discovered.

TRUSSES.

DALLY'S VENTILATED TRUSS will cure, if a cure is possible. I have applied it to about five thousand persons, most of whom have been relieved. What is merit, but what is found? It will be the only truss worn in the world. WM. F. DALLY, jl1-1m 11 Light street.
