DR. A. HUET, Graduate of the Medical Faculty of Paris, (France,) Member of the Medical and Chirurgical Faculty of Baltimore, Md., is the discoverer of the only Remedies for Diseases of a private character, without Mercury or noxious drugs. Recent cases cured in from 12 to 48 hours, or written guarantee. Chronic, inveterate and constitutional diseases, such as have been abandoned as incurable, are speedily and permanently cured. The treatment adapted by him is that which has the approval of the most distinguished Physicians of Paris, and its universal success in a practice of 40 years has proved, beyond a doubt, that the worst cases yield readily, and are thoroughly removed at once and forever from the system, especially all cases of constitutional debility; nervous diseases, which soon or late turns to consumption, and all the evil entailed by certain depravities practices which ruin both body and mind, uniting the victim for either business, study, society or marriage, and to those who are suffering the evil effects of improper indulgences of whatever kind, can now be perfectly restored to natural health and vigor, in a brief period, by applying to one whose skill and experience can be relied on. *No scorbutic or unprofessional charges.*

Distant Patients consulted by letter and remedies forwarded that can be taken in the most convenient and private manner.

Office southeast corner of FAYETTE and FREDERICK STREETS. je19-1y

These Invaluable Lectures have been the means of delighting and saving thousands, and will be forwarded free, on receipt of four stamps, by addressing SECRETARY, New York Museum of Anatomy and Medicine, 618 Broadway, New York.
